MEDIA RELEASE

TITLE: Asia Development Bank

On Wednesday 19 December 2018, the Assembly passed the Asia Development Bank Act into law in Niue.

This is the first step we needed to take to make our membership a legally established entity within our legal system.

There will be other administrative matters to be managed but these will be done normally.

There is a membership fee and there will also be other ADB national requirements we must fulfil and we will work through these requirements.
