

## GOVERNMENT OF NIUE

### Office of the Premier

What a year we've had. We have done so much, and achieved so much.  
And we have only just started.

I suspect in the next 5 or so years there will be so much change we will all wonder.

For me though the key remains:

- Good quality education
- Good quality health services
- Reliable better quality infrastructure

I think better community responsible caring looking after each other

I will not change our immigration laws.

I will not allow others to ever dominate our government. We will remain the Niuean bastion for all Niueans.

I believe we should be more tolerant courteous and respectful towards each other

With my thanks to you All. And I want to thank Caucus who have been in this new journey from the start.

All the best for Christmas and New Year.

And God will always be with us good or bad.

Hon Sir Toke Talagi  
Premier
