

Introduction

Seagull Marine is the leading Marine Services and logistics provider operating in the US Gulf of Mexico, with over 25 years' experience and over 2,000 port calls per year.

Established in 1990 with head office in New Orleans and with offices in five major Port locations across the wider Gulf region, Seagull Marine provides the complete Vessel Agency, Marine Services and logistics solutions to a wide array of clients (Ship Owners/Operators, Charterers and cargo interests) involved in Offshore, Project and Heavy Lift Break bulk, Dry Bulk, Container, RORO, and Cruise industry.

Seagull Marine offers dedicated support on a 365 / 24 / 7 basis, providing up to date information on vessel status, arrival/departure arrangements, warehousing and delivery of ships supplies, provisions, crew logistics/transfers, and customs documentation to ensure an efficient and cost effective Port call.

Seagull Marine offers Husbandry Agency and Port Agent services, coupled with Marine Services and logistics provisions for the following areas;

Offshore Agency Division

Offshore Vessel Port Calls and offshore support, we are able to coordinate the vessels arrival & departure notices, berthing assignment, tug boats, bunkers, stores, and crew logistics for the following vessels:

- Offshore Vessels (U.S. and Foreign Flag)
- Offshore support vessels
- Drilling rigs & MODU's
- Ocean-going tugs and barges
- Heavy-lift submersibles

Commercial Agency Division & Liner Agency

Seagull Marine also offers services for commercial trade vessels with cargo for import and export. Appointed as the vessels Charterers or Owners Protective Agents can establish the vessels port Call, and coordinate in Port services including cargo receipt / delivery, and stevedoring services for efficient and cost effective load/discharge operation. We have the capability of providing Agency services for the following vessels for import or export;

- Dry Bulk vessels
- Multi-purpose and Heavy Lift Break bulk vessels
- International Tug/Barge movements
- Liner vessels (exclusive Agent for BAHRI Logistics, the National Shipping Co of Saudi Arabia)

Helicopter Agency Services

Seagull Marine works with all helicopter companies operating in the Gulf of Mexico which offers our clients an in-house service product for aircraft entrance and clearance requirements. We are able to provide helicopter Agency service for passengers, crew and cargoes.
