

## Fireworks Safety

### SUPERVISION

- Wear safety glasses.
- Always have adult supervision.

### NO ALCOHOL

- Alcohol and fireworks do not mix.

### DIRECTIONS

- Read directions and never experiment with homemade fireworks.

### DISPOSE CORRECTLY

- Correctly dispose of all unused fireworks.
- Keep a bucket full of water or garden hose nearby.

### REMEMBER

- Stand back after lighting.
- Always place on a hard level surface.

### PETS

- Always keep pets indoors.

### Tips to follow to ensure a fun, safe holiday with fireworks:

- Always read and follow directions from the label.
- Make sure an adult is present.
- Only use fireworks outside.
- Keep water handy- a garden hose and a bucket of water.
- Never experiment with or make your own fireworks.
- Only light one firework at a time.
- Never re-light a "dud" firework (wait 15 to 20 minutes after trying to light it, then soak it in a bucket of water).
- Small children should never have access to fireworks.
- If you aren't using the fireworks right away, it's best to store them in a cool, dry place.
- When the fun is over, dispose of fireworks properly by soaking them in water and dispose of the fireworks in trashcan after 24 hours.
- Never throw or point fireworks at other people.
- Never carry fireworks in your pocket.
- Never shoot fireworks in metal or glass containers.
- The person lighting the fireworks should always wear eye protection and never have any part of the body over the firework.
- Stay away from illegal explosives.
