

Petaluke petaluke@groups.io

Group Description Petaluke is for Sonoma County, CA fans and players of the Jumping Flea. Get information on regular meetings for jams, workshops, and performers in the area. Share charts. No musical genre is preferred--we love it all, whether rock, pop, jazz, swing, Hawaiian, folk, world, etc. All skill levels welcome. We also invite guitars or stand-up bass to drop in and play along. We range from teenagers to people with 50 years of experience!

With some exceptions, we meet the first and third Mondays of the month at Leisure Lake's clubhouse. It is off Stony Point Road, across from the KOA, Denman Rd. Take the first street into the mobile park, making a left on Club Circle. At the end, the visitor parking is on the left, with a few spaces in front on the clubhouse. Do not park anywhere else. Members select a theme and songs, which are posted on our Files page.

Join the group to keep informed of these other meetings and events. Reminders are emailed. We also perform at nonprofit events and sponsor workshops.
