

Indifference is One of Satan's Submarines

From a study of biblical history we learn that after some seventy years of Jerusalem captivity, Judah returned in three stages.

The first group was led back to Jerusalem by Zerubbabel and

Jeshua. They then rebuilt and dedicated the temple. The second group was led by Ezra. It was marked by a great revival among the people—the revival was led by Haggai and Zechariah. The third group was led by Nehemiah. It was under Nehemiah's leadership that the walls were rebuilt.

As you study the background material to the utter devastation of the city walls, you can't help but be impressed with the fact that those walls were rebuilt in just fifty-two short days (Neh. 6:15). How did they do it? Nehemiah

provides the answer: "So built we the wall; and all the wall was joined together unto the half thereof: for the people had a mind to work" (Neh. 4:6).

Though the people as a whole were characterized by great zeal, there were still others who were indifferent. Some were pictured as lazy, and others were just plain negative (Neh. 4:5,10). They needed a healthy dose of James 1:25: "But whoso looketh into the perfect law of liberty, and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed."

Indifference is one of Satan's submarines, and it robs Christians of diligent service.

We will be suspending Family Bible Time for the month of July due to summer vacations, etc. We will pick back up in August.

Family Bible Time each Sunday night at 5:00, just before we start our evening worship service. There are yellow cards in the foyer with the first set of Bible facts that we want to learn. Pick one up for your family and spend a little time each week working together to prepare yourself for our *Family Bible Time*. The idea is to memorize where in the Bible we can find certain Bible subjects.
