

AMSG is awarded a Prime Contract by the Department of Veterans Affairs (VA) for Assessment and Feasibility Support to the VA Learning University (VALU) Training Requirements (TR) Division to assist with Curriculum Management, SharePoint Support & a Business Case Analysis (BCA)

Dumfries, VA September 30, 2013 — Advanced Management Strategies Group (AMSG), a Service Disabled Veteran Owned Small Business (SDVOSB) announced today that it has been awarded the Veterans Affairs (VA) Learning University (VALU) Training Requirements (TR) Division to assist with Curriculum Management, SharePoint Support & a Business Case Analysis (BCA).

As a prime contractor, AMSG provides SharePoint Support & Business Case Analysis (BCA) Assessment and Feasibility Support to the VA Learning University (VALU) Training Requirements (TR) Program. AMSG administers and processes training requests to ensure continued delivery of training. AMSG provides the technical expertise required for refining and sustaining processes and services necessary to allow VALU to deliver state-of-the-art training that is on time, meets targeted need and is within budget.

AMSG provides VALU support in administering and processing training requests to ensure continued delivery of professional development, leadership, mandatory and other non-technical training. AMSG provides all resources necessary to complete a wide range of deliverables including VALU training requirements lifecycle definition, business case analysis, strategic planning, performance metrics, strategic communications and development of stakeholder and leadership briefing materials.
