

AMSG Wins contract to provide Analytical support to HQMC REL for further defining Metrics and implementing the DON Strategic Plan for Religious Ministry.

Dumfries, VA September 24, 2014 — Advanced Management Strategies Group (AMSG), a Service Disabled Veteran Owned Small Business (SDVOSB) announced today that it has been awarded the contract to provide support to HQMC REL for further defining metrics and implementing the DON Strategic Plan for Religious Ministry, which includes the development, implementation, and refinement of outcome based performance measures and metrics and the support of critical USMC RELMIN issues identified as part of the planning process. Our work includes data collections and analysis, updates to the Measurement/Metrics of the Marine Corps Chaplaincy Program, Organizational Assessments, Implementation Plans, Design and Implementation of performance measures, and metrics, and related items supported by a master integrated work schedule.

AMSG CEO and Founder, Mike McCormick commented on the win, "AMSG looks forward to this new challenge and assisting HQMC Office of the Chaplain with this important work."
