

AMSG Awarded Department of Treasury BPA Facilitation and Acquisition Support Contract

Dumfries, VA April 19, 2017 — Advanced Management Strategies Group (AMSG), a Service Disabled Veteran Owned Small Business (SDVOSB) announced today that it has been awarded a \$12.5M Blanket Purchase Agreement (BPA) to provide Integrated Product Team (IPT) Facilitation and Acquisition Support Services for the Department of Treasury Enterprise-Wide with WBD and AITHERAS as subcontractors. For this effort, AMSG has partnered with two highly qualified companies, Washington Business Dynamics (WBD) and AITHERAS.

AMSG currently supports multiple federal government clients, providing services focusing on Acquisition Management, Business Process Improvement (BPI), Change Management, Performance Metrics, Strategic Communications, and Best Practices development. AMSG has supported challenging customer requirements, providing expertise to help organizations formulate their acquisition strategies, collaborate and communicate effectively across integrated product teams (IPTs), and most importantly, translate those strategies into execution. AMSG helps clients align their organization and planning expertise and address their unique mission goals and objectives.

Washington Business Dynamics (WBD), a VA certified SDVOSB, providing full-lifecycle acquisition support services to the Federal Government. WBD has experience providing the full range of acquisition support from strategic sourcing implementation to acquisition staff augmentation support across many Federal agencies, as well as international governments. WBD is comprised of results-oriented professionals who have extensive experience in supporting business operations needs and solving complex strategic and management challenges. They are committed to helping clients optimize their performance and achieve their acquisition goals. WBD strives to bring the best support to clients. 100% of WBD's leadership hold advanced degrees from Ivy League Universities (Harvard & University of Pennsylvania) as well as certifications in acquisitions and program management (DAWIA, CFCM, PMP, etc.). Additionally, WBD provides acquisition and financial management training at the university level as well as to the federal workforce.

AITHERAS LLC, a small disadvantaged business, with specialized expertise in providing acquisition and integration of IT solutions. AITHERAS has assisted Government clients with developing winning strategies around the acquisition of open-source products, cloud and virtualized applications, Business Intelligence (BI), predictive scoring and analysis, text analytics as well as various application (e.g. security, browser applications, mobile applications, server applications and Web Services) solutions. In addition, they have significant experience acquiring hardware and software through numerous Government-wide contracts (e.g. GSA Schedules, NASA SEWP, Army CHES, etc.). AITHERAS is an INC 5000 company that is ISO 9001:2008 certified with a facility clearance at the SECRET level. Our partners compliment and augment AMSG's strengths and add significant depth to our resource pool. Our subcontractor management approach emphasizes effective interaction by incorporating engaged leaders and open communications, supporting mission performance and rapid issue identification/resolution.
