

# DIALOGUE NOT DEBATE

Tilting Windmills Presents:  
Just Another School Shooting

A documentary analyzing school shootings and how to prevent them in the future.

Our children deserve to be safe at school.

We plan to execute a series of simulated experiments implementing precautions against an active shooter scenario to determine what helps the most and what we can do in the future.

To ensure we find the best solution possible we've partnered with

Their expertise will provide valuable insight to our project.

But we still need help from *you*.
