**Greetings in the name of our precious Lord and Savior Jesus Christ**

We, the members of the Bishop's Wives, Widows and Spouses Council, would like to thank all for your ticket purchases, gift donations and financial donations, behind the scenes support, time and prayers in our 2018 Brunch Fundraiser which allowed our Church of the Living God family to give an annual stipend to our Surviving Spouses and General Church Mothers that was received with much gratitude.

We are asking in the 2019 General Assembly for your continued support. You will be truly blessed in your giving to those who have laid the foundation and paved the way for us to be a viable church among the nations spreading the Word of God.

We are looking to having a grand ole time in the Lord !!!

**Remember as we have been taught by our very own Bishop Theodore N. Brown:**
