

**St. Paul's Littlest Angel Preparatory Preschool, PreKindergarten and Young Fives**

---

Dear Parents,

**HAPPY NEW YEAR 2019!**

Welcome Back!

Welcome New Students and Families!

The first week back we are going to review routines and rules. We will be back to our full schedule on Monday, January 14. We will be discussing and experiencing Winter.

Weekly lesson plans will be displayed in the Parent Corner.

We are also going to implement something new this month for Positive Behavior, we are calling it Be Band! You may see daily on a chart posted in the classroom if your child earned a star. Children who earn a star will receive a Be Band at the end of the week.

**Be Safe**

**Be Friendly**

**Be a Worker**

---

**Hand washing:** We are learning the importance of washing and drying hands to prevent the spread of germs and to help keep us all strong and healthy. This is particularly important as we are into winter. As parents, you can also help us in reinforcing these important life lessons at home. We have posters displayed by the sinks at Preschool that demonstrate how to do this correctly. It is also a great opportunity to chat about healthy living with your family. Children should wash hands with soap for 20 seconds before rinsing.

**Clothing:** As the weather is quite cold, we remind all families to make sure that your child is dressed warmly. Please make sure that all sweaters and coats are labelled with your child's name.

**Illnesses:** If your child is unwell, please keep them at home until they are feeling better, to prevent illnesses from spreading. We appreciate your consideration in this regard.

Please give us a call or send an email by 9am if your child will not be attending for the day.

**IMPORTANT ANNOUNCEMENT**

Dear Parents,

What a start to 2019! We have Mrs. Yajaira Barrera on board as a part of our team. Mrs. Barrera is our Kitchen Porter and Teacher Aide. She is going to take care of snack, lunch, sanitizing and helping with the children, just to name a few things. Mrs. Barrera has 3 children of her own and will be taking Early Childhood classes and becoming a member of our teaching team! Please take welcome her when you have a chance.

**Tissue Boxes** Thank you to the families who have already brought in a box of tissues to help us through the winter months.
