- 25 – Inservice Day (closed)

Fundraising

Fundraiser catalogues are in your cubby. Please look for them at pick up time. We have additional catalogs in Preschool too!

MARCH 2019 NEWSLETTER

PRINT KNOWLEDGE

PICK A LETTER GAME

What You Need:

- Brown paper bag
- Plastic letters

What you do:

- 1) Place 10 letters in the bag (2-3 for 3 and under)
- 2) Model the activity by closing your eyes and picking a letter. As you feel the letter, describe what letter you think you've picked. Open your eyes and confirm your answer with your child.
- 3) Have your child close his or her eyes and pick out a letter.
- 4) Ask your child, "What letter do you think it is?" If the child is having trouble identifying the letter, give clues.

Variations:

- Hide the letters in a bin of sand or shredded paper.
- Have your child match the letter that he or she finds in to words you have printed on a piece of paper or in a magazine.

Why?

Your child learns about letter shapes and letter names.

Graduation Celebration Day! July 23, 2019

**Preschool Closed for All Children
Graduates Only Today!**

In the front of the classroom you will see our "Good Deed Jar". The children are working together as a team to fill the jar and also work on their own to fill the jar. They get an eraser from me, Mrs. Kayser to put in the jar. Once the jar is filled everyone gets a special treat from Mrs. Kayser.

You may help your child too. Please remind your child to do good deeds at home (but not always the same) and drop a note in the suggestion box for me saying what your child did. I will share this with the entire class. The goal is for children to hear new ideas to carry out at home and in school.

FYI

If you need to communicate with me, Peg (Mrs. Kayser) and do not have time to stop in at the office:

*1) Email -
LittlestAngelPreschool@gmail.com or
PegLK@LittlestAngelPreschool.com*

2) Please drop a note in my cubby (end of the hall by the office-very last cubby!)

I am working on the 2019-2020 School Year Calendar

Talking About Safety Program

We will begin this program the week of April 1 through to June.

Religion Curriculum for Lent/Easter

- Children will describe Lent as a time to grow in love for God and others.
- Children will understand that God gives us symbols of new life in preparation for Easter.
- Children will understand that Easter is a time for new life bursting forth within us.
- Children will recognize Jesus rose from the dead on Easter Sunday.

Peg Lazzarini-Kayser, Director
