Flu season, as we all know, is here! If your child is sick, please keep them home. Children with a fever, diarrhea or vomiting will be sent home and must be symptom free (no fever, diarrhea or vomiting) for at least 24 hours before returning to school.

Let's all work together to teach children to cough and sneeze into the crook of their bent arm. AND to wash hands after sneezing or coughing!

A Note From the Director

On the evening of October 16, 2019, I will be flying to London. My Grandson(21 years) and Granddaughter (18 years) will be joining me! We have family living in Ayot House (why yes, George Bernard Shaw's *old* mansion) in Ayot St. Lawrence Village of Welwyn Herts AL United Kingdom. Have no idea where I am going!

This is bittersweet because I love seeing your children daily and being with my wonderful staff everyday! We have so many laughs and serious moments always. From October 17-28, I will have to be with adults ONLY. That is a long time. I am sure I will have jet lag when I return and I am hoping to join everyone on the Halloween Parade!

I WILL BE IN TOUCH WITH MY STAFF! Just at odd times. Please don't hesitate to email me- I will be checking the school email daily.
