VALENTINE'S DAY—February 14!

On February 14th we will have a Valentine's Party and the children will be mail carriers delivering their valentine cards to one another. Please don't put names on valentines or gender. Please be sure to send enough valentines for 35 children. **If it is not your child's regular school day he/she is welcome to come until 12:00. Be sure to make arrangements for pick up by 12:00.** All other children will spend the day as usual.

FLU SEASON

We have had several children coming into the preschool with clear and constant mucous discharge. As a result, we have had staff out sick, as well as children. WE NEED OUR TEACHERS HEALTHY! Please keep your child home when contagious for the sake of other children, their siblings, their parents and our staff.

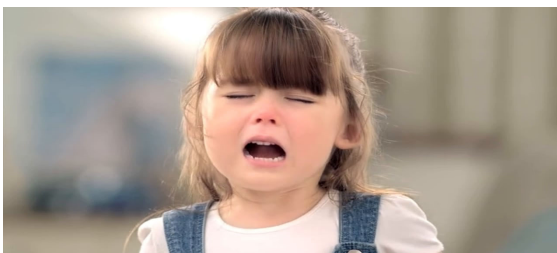

Please help by visiting the following link:

And - my personal favorite is:

Most important please work with your child to wipe and blow his/her nose properly, followed with hand washing. We are doing our best to keep up with this important teaching too!

Play Based Themes for February will be:
