

## **Tamino Minerals Starts Exploration Program and Financing Update**

MONTREAL, QC--(July 11, 2018) – Tamino Minerals, Inc. ( OTC PINK : TINO ) is pleased to update its shareholders and followers on the exploration program and direct investment funding initiatives.

Tamino Minerals is actively working with its geologists to start the exploration program on 2 of our Mining Exploration Projects. The programs are expected to begin during Q3 2018 and last approximately 6 months.

The Exploration Program will include Geological Mapping, Trenching, Soil Geochemistry, IP Survey and ultimately drilling. The company will also make sure roads are improved and the creation of local jobs to support the local economy. The company will provide updates throughout the exploration of both projects.

Tamino Minerals, Inc. is a Montreal-based mining exploration company committed to deliver value to its shareholders by acquiring, developing and mining precious metals deposits in Mexico.

As mentioned before we will continue to provide updates throughout the exploration program.

This news release does not constitute an offer to sell or a solicitation of an offer to by any of the securities in the United States.

On behalf of the Board

## Forward Looking Statements

Certain information contained in this press release, including any information as to our strategy, plans or future financial or operating performance and other statements that express management's expectations or estimates of future performance, constitute "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical fact, are forward-looking statements. The words "believe," "expect," "will," "anticipate," "contemplate," "target," "plan," "continue," "budget," "may," "intend," "estimate," "project" and similar expressions identify forward-looking statements. Forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from those expressed in the forward-looking statements, including, but not limited to, certain delays beyond the company's control with respect to its plans or operations. Our actual results may differ materially from the results anticipated in these forward-looking statements due to a variety of factors, including, without limitation those set forth as "Risk Factors" in our filings with the SEC which can be found at [www.sec.gov](http://www.sec.gov). There may be other factors not mentioned above or included in the Company's SEC filings that may cause actual results to differ materially from those projected in any forward-looking statement. The Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required by applicable law.
