If you are a part of a company that has its own policy about 2 or more representatives at the same venue, we will be happy to let you know if another representative has already applied. (LulaRoe, Mary Kay etc.) We do monitor how many of one type of company has applied and will let you know if enough of your type has already been accepted. An example would be, in 2018, we had 5 henna tattoo artists apply and we were only able to accept the first 3 while explaining to the 4th & 5th that the market would be over-saturated. Those that apply first, get the best locations. We do not guarantee same locations from one year to the next. While we appreciate our long-time vendors, we offer a level playing field for everyone that applies.
- For the Safety of our attendees: the team members you chose to send to our festival must be clear of any charges against them in regard to children. This is a family friendly event and we take the safety of our families & children very seriously. Anyone with documented crimes against a child is NOT welcome in any capacity at our festival. Please take care in who you chose to represent your company and to interact with the public.

MAPLE VALLEY DAYS VOLUNTEER COMMITTEE, its agents, the City of Maple Valley and sponsors shall be relieved and discharged from any and all loss or damage caused by such removal. MAPLE VALLEY DAYS VOLUNTEER COMMITTEE, its agents, the City of Maple Valley and sponsors shall not be responsible for storage or safekeeping of property so removed.
