On November 6<sup>th</sup>, 2023, the Lord released a vision concerning Canada. I saw the Lord standing as the Mighty Warrior on the west coast of Canada looking to the east. He then said, "They are not listening to Me." He then began to dig up the ground with a shovel and turn it over. Soon He had dug up 30-40% of the nation, one scoop at a time. He is digging down to the roots of sin and evil and will dig across the entire nation. Judgment will be released from coast to coast.

He then said, "Do not be surprised at the judgment I release in Canada." This indicates that the level of judgment will be severe. I was then given a sense that Canadian leaders would be judged, where some would die because of the Lord releasing judgment directly against them.

I heard the Lord say, "This is a time of war. I am ready for war, and I am the One who started the wars in Ukraine and Israel. People aren't listening to Me; therefore, I have brought war! War brings suffering, hardship, lack, death, wounds and destruction. I didn't want this, but they would not listen! I am not putting up with this."

I then saw the Lord look at me and said, "It is time to send you to Vancouver. They must be warned."

I then saw the Lord standing next to an open door that He had opened for me. He said, "You will go through the door I open – it is of Me, so do not hesitate. When you go, tell them everything I told you to tell them. It will be a harsh word! It will be a stern word! I demand decisions from My Church in Vancouver."

"The wickedness there is deep, wide and prolific. My anointing will be upon you. Great signs, wonders and power will be demonstrated; souls will come into the kingdom, but they don't have much time."

"More will be revealed in due course. Stay focused on Me. Listen to My words. Much will be revealed about Vancouver. I mean to take the city! Woe to those who stand against Me and attempt to thwart My will in this hour – I have no patience for them. The time for decisions has come; one way or another."

"Man has no idea the type of power I can unleash to bring devastation and to bring destruction. The earth has not seen what I am about to unleash."

Notes: Everything that came to me in this word illustrates the Lord's ferocious wrath. I felt the fear of the Lord deep within my being. I trembled in my innermost being. His wrath and fury are fueling His judgment because they will not heed. He will watch over His word to perform it.

Ps 97:3 Fire goes before Him And burns up His enemies all around.

The hearts of people in Vancouver have grown hard with thick skin. The Lord wants to replace their hardened hearts with hearts of flesh.

The Lord says, "I brought My word to them but they have not heeded. They have hardened their hearts against My word."

(The Lord then revealed that there will be adamant resistance to this prophecy.)

Deception has brought scales to their eyes, which has kept them from knowing the truth. They do not respect the Bible; they tip their hats to it, but they do not search it out. They are casual with the Scriptures. They are running with this verse and that verse, but they don't have a handle on the truth of who Jesus is and what the Bible says about Him.

I then saw Jesus preaching and saying, "Come to Me and who I am—not who you think I am. Repent of your waywardness. Repent of your laxity and your complacency. **YOU ARE WAYWARD! YOU ARE IN THE DITCH! YOU MUST REPENT!** I will bring you out of the ditch, but you must realize the truth of where you are; you are in the ditch. You do not know how far you have fallen."

(It was made clear to me that leaders in the Church had taken the people into the ditch. I saw people in the muck and mire, in the ditch up to their knees. People were looking at one another saying, "Isn't this great!")

They have no idea where they are. They have no idea how far they have fallen. They have come to the place where they enjoy the muck – the sin. They must make a choice to come out of it.

In the Spirit, I saw myself walking in a lush green field. It was high quality pasture. I was then taken high above Canada. The field I had been walking in was in Canada. It is a beautiful country. Its natural beauty is the work of the Lord.

I then looked to the west and saw Jesus standing looking to the east. He was weeping over Canada and her people.

I was then sitting with Jesus on the shore. As we sat, it was very quiet. He then began to weep to the point of great grief, deeply troubled. He was troubled over the judgment He must and will bring to Canada and its people.

He does not want to bring judgment, but He will send it if there is not repentance. He is weeping because of His deep love for Canada and the people of Canada.

While in the presence of the Lord, the Holy Spirit spoke the following –

**These are the things that I would say to you.**

**Concerning Vancouver:** It will require that you step out in faith. I will show you which way you should go. Much must be done before, during and after the visit. I will pour out My Spirit upon those that will listen to My message through you. For judgment is coming and *Vancouver will be a burning ruin if they do not heed*. I will breathe upon you and fill your heart and mouth with My words. My heart is to restore, but for those who are reckless and refuse to hear My words and obey, judgment will be swift and severe. I am fighting for Canada [not against] and I will have righteousness in Canada.

I will release My complete word for Canada that will sustain you while in the presence of the leaders I bring you to. They will be leaders that you would not have thought you would gain access to, so that I can speak to them. I will be present during those meetings; be sensitive to My Spirit and I will fill your mouth with My words (Is 59:21).

Rest assured that I will open the door(s) to Vancouver and across all of Canada. This is but the first step in My calling upon your life to the nations.

I am the Ancient of Days. You shall have no other gods before Me. Hearken to My voice and heed My words!

Share My word concerning Canada and Vancouver and I will raise up those that will support My work through you [- I immediately sensed the Lord opening a door for me in the Spirit].

Be at peace. I have called you to this work and I will support it.
