

# ZERO HOUR

**Call your elected officials & demand a just and sustainable future!**

**What to say (numbers on back):**

Hello, my name is [YOUR NAME] and I am calling today to ask [ELECTED OFFICIAL NAME] to support the Zero Hour youth and their demands for climate justice. We are running out of time for a just transition off fossil fuels - this is the Zero Hour for our future. As a young person/ally of young people, I urge [ELECTED OFFICIAL] to protect the right to a healthy environment for all by agreeing to:

1. Immediately sign the Fossil Fuel Integrity Pledge.
2. Provide free and accessible mass transit and bike share to all youth in Seattle and King County by this time next year.
3. Convert all mass transit to renewable electric power, starting with zero-emission school buses.
4. Halt the construction of the new King County Youth Detention Center, and invest in diversion and restorative justice programs.

To let us know how your call went, or to learn more about demands, contact us at [zerohourseattle@gmail.com](mailto:zerohourseattle@gmail.com) or [zerohourseattle.org](http://zerohourseattle.org)
