2019 IN REVIEW

Welcome 2020

Once upon a time long ago, I reveled in New Year's resolutions but now I see things differently. Now I see that God has placed each one of us here on this beautiful planet to fulfill a purpose far greater than our annual resolve. Each one of us is here on a mission far greater than our individual progress. With that being said - this "year end review" speaks to the greater purpose that God has called us to fulfill as partners together in ministry. As you can clearly see - the mission is bigger than any one member. And our reason is bigger than any new resolution.

Executive Director, George Moore Jr.

" Thank you, for being here, this has blessed my family. We lost everything in a fire and didn't know what we were going to do and then we heard about this." L.B.

In 2019 with the help of the community, we were able to serve over 500 people.

It has been overwhelming to see the community come together to serve people who are in need.

Men, women, children and infants were able to receive clothing, encouragement and prayer.

Thank you, to our staff: Earlean Smith, Elbert Massey, Joseph Thomas and Vanessa Scott for their level of excellence in preparing to serve others.

If you would like to donate to the Community Closet, we are available Tuesday through Thursday to accept donations from 10AM-3PM,

MIDWAY STAFFING

The Partnership Continues

Our partnership with MIDWAY STAFFING continues to produce record numbers. This year we were able to place over 250 people. In this new year, we are excited that the partnership will continue.

Because the formerly incarcerated and those in need of a second chance are our primary demographic, it was imperative that we partnered with an agency that is sensitive to that, MIDWAY STAFFING has not disappointed.

They were pleased to join with us this year for Angel Tree, where we were able to purchase toys for eight families of children with incarcerated parents.

If you or someone you know is need of employment, please send them to Legacy, 2835 Belvidere Rd. Ste 309 Waukegan,IL on Tuesday and Wednesday between 10AM-2PM.

Karen, from Midway Staffing presenting a check to Legacy for Angel Tree.

DO YOU NEED
COMMUNITY SERVICE HOURS?

**WE GOT

Please contact our office and we can get you set up with our CS Manager to get you started.

"When I first started my Community Service Hours, I was angry and didn't have any direction for my life. When I came to Legacy, everything changed. I'm glad I came and that my life was impacted. They really care." Q.T

Great job Nick!

Factory 847...Is all the way live. These change agents and creatives are shaking things up. They are having authentic conversations about topics that affect everyone. From mental health to youth violence, they have something to say. What can be said about FAC 847, they aren't afraid to get in the trenches and get a little gritty, tackling touchy topics in a way that the younger generation can not only understand but relate to. You can find them once a month on COMCAST 17, @ 5:30 PM. They've also made guest appearances on Radical Radio, LaDena Chisum's radio program.

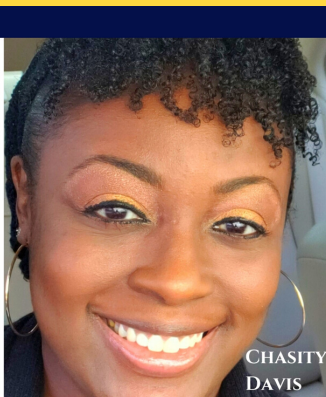

Look for them!

Teen Success
Mixer 2019
was a huge success and a
night of sharing knowledge
and experience, building
relationships and networking.

Legacy Entrepreneur and Development and Youth Entrepreneur

Here are some pictures from our trip to D.C. with some of the YE staff and fellow YE Educators.

Legacy and Youth Entrepreneurs - What a partnership! We knew that Entrepreneurship was going to be a strong part of Legacy.

We sought long and prayed for the right partnership, in comes our Director of Entrepreneurship, Mark O'Brien who recommended Youth Entrepreneurs. The moment we met Jason Filie, we knew it was the right connection. We have been full speed ahead, with a trip to D.C. to get acclimated with the YE program and we are excited to bring YE to Lake County in 2020. It is going to impact this region. We may be partial, but we know we have an all star team. DraZ Asbury, Ranelle Griffin-Sanders, Jalen Malone, Chasity Davis and LaDena Chisum.

Back to the Future

There was so much greatness in the room this night. We honored some unsung and sung movers and shakers in our community who are doing big things to impact the lives of young people. They are still doing what they do best...serve the community. They do it without hesitation and in no way need any type of honor, but it is for that reason that we must continue to encourage them as they walk out their purpose.

REENTRY UNCUT

Thank you, for your continued support of Reentry Uncut. It is an amazing platform to talk about relevant issues that are affecting our nation and communities. Communication is the key to breaking down individual barriers and changing the narrative. There are many conversations that need to be had and we commit to doing our part to ensure they continue.
