Prices subject to change without notice. The FDA advises consuming raw or undercooked meats, poultry, seafood or eggs increases your risk of foodborne illness.

We started in NY in 1962 and have served Yonkers since 1964. Our recipes have been passed down from generation to generation, and our sauce and dough are the same recipes that our ancestors used in their kitchens. We make all of our food from scratch, and all of our pasta dishes are made to order. Come on in, and give us a try!
