Section 3
Benefit Options and Method of Funding

3.1 Benefits Offered

Each Employee may elect to participate in one or more of the following Benefits:

- **Premium Only Plan (POP)** as described in Schedule A.
- **Health Flexible Spending Account (Health FSA)** as described in Schedule B.
- **Dependent Care Assistance Plan (DCAP)** as described in Schedule C.

Benefits under the Plan shall not be provided in the form of deferred Compensation.

3.2 Employer and Participant Contributions

- **Employer Contributions.** The Employer may, but is not required to, contribute to any of the Benefit Options. There are no Employer Contributions for the **POP** under this Plan; however, if the Participant elects the **POP** as described in Schedule A, the Employer may contribute toward the Health Plan as provided in the respective plan or policy of the Employer.
- **Participant Contributions.** The Employer shall withhold from a Participant's Compensation by Salary Reduction on a pre-tax basis, or with after-tax deductions, an amount equal to the Contributions required for the Benefits elected by the Participant under the Salary Reduction Agreement. The maximum amount of Salary Reductions shall not exceed the aggregate cost of the Benefits elected.

3.3 Computing Salary Reduction Contributions

- **Salary Reductions per Pay Period.** The Participant's Salary Reduction is an amount equal to:
 - The annual election for such Benefits payable on a semi-monthly basis in the Period of Coverage;
 - An amount otherwise agreed upon between the Employer and the Participant; or
 - An amount deemed appropriate by the Plan Administrator. (Example: in the event of a shortage of reducible Compensation, amounts withheld and the Benefits to which Salary Reductions are applied may fluctuate.)
- **Salary Reductions Following a Change of Elections.** If the Participant changes his or her election under the **POP**, **Health FSA**, or **DCAP**, as permitted under the Plan, the Salary Reductions will be calculated as follows:
 - An amount equal to:
 - The new annual amount elected pursuant to the Method of Timing and Elections section below;

- Less the aggregate Contributions, if any, for the period prior to such election change;
 - Payable over the remaining term of the Period of Coverage commencing with the election change;
- An amount otherwise agreed upon between the Employer and the Participant; or
- An amount deemed appropriate by the Plan Administrator. (Example: in the event of a shortage of reducible Compensation, amounts withheld and the Benefits to which Salary Reductions are applied may fluctuate.)
- **Salary Reductions Considered Employer Contributions for Certain Purposes.** Salary Reductions to pay for the Participant's share of the Contributions for Benefit Options elected for purposes of this Plan and the Code are considered Employer Contributions.
- **Salary Reduction Balance Upon Termination of Coverage.** If, as of the date that coverage under this Plan terminates, a Participant's year-to-date Salary Reductions are equal to the required Contributions necessary for Benefit Options elected up to the date of termination, the Employer will either return the excess to the Participant as additional taxable wages or recoup the amount due through Salary Reduction amounts from any remaining Compensation.
- **After-Tax Contributions for POP.** After-tax Contributions for the Health Plan will be paid outside of this Plan.

3.4 Funding This Plan

- **Benefits Paid from General Assets.** All of the amounts payable under this Plan shall be paid from the general assets of the Employer. Nothing herein will be construed to require the Employer nor the Plan Administrator to maintain any fund or to segregate any amount for the Participant's benefit. Neither the Participant, nor any other person, shall have any claim against, right to, or security or other interest in any fund, account or asset of the Employer from which any payment under this Plan may be made. While the Employer has complete responsibility for the payment of Benefits out of its general assets, it may hire a third party administrator to perform some of its administrative duties such as claims payments and enrollment.
- **Participant Bookkeeping Account.** While all Benefits are to be paid from the general assets of the Employer, the Employer will keep a bookkeeping account in the name of each Participant. The bookkeeping account is used to track allocation and payment of Plan Benefits. The Plan Administrator will establish and maintain under each Participant's bookkeeping account a subaccount for each Benefit Option elected by each Participant.
- **Maximum Contributions.** The maximum Contributions that may be made under this Plan for the Participant are the total of the maximums that may be elected for the **POP** as described in Schedule A, **Health FSA** as described in Schedule B, **DCAP** as described in Schedule C.

Section 4
Eligibility and Participation

4.1 Eligibility to Participate

An individual is eligible to participate in this Plan if such individual meets the definition of Employee as set forth in the Glossary.

Eligibility requirements to participate in the individual Benefit Options may vary from the eligibility requirements to participate in this Plan.

4.2 Required Salary Reduction Agreement

To participate in the Plan, an Employee must complete a Salary Reduction Agreement by the methods set forth in Section 5. If an Employee fails to return a Salary Reduction Agreement, the Employee is deemed to have elected cash and will not be allowed to change such election until the next Open Enrollment unless the Employee experiences an event permitting an election change mid-year.

The Employee may begin participation on the 1st of the month coincident with or next following the date on which the Employee has met the Plan's eligibility requirements or in accordance with the Enrollment requirements each year.

4.3 Termination of Participation

A Participant will terminate participation in this Plan upon the earlier of:

- The expiration of the Period of Coverage for which the Employee has elected to participate unless during the Open Enrollment Period for the next Plan Year the Employee elects to continue participating;
- The termination of this Plan; or
- The date on which the Employee ceases to be an Employee because of retirement, termination of employment, layoff, reduction in hours, or any other reason. Eligibility may continue beyond such date for purposes of COBRA coverage, where applicable as set forth in the respective Schedule attached hereto, as may be permitted by the Plan Administrator on a uniform and consistent basis, but not beyond the end of the current Plan Year.

False or Fraudulent Claims. The Plan Administrator has the authority to terminate participation in the Plan if it has been determined that a Participant has filed a false or fraudulent claim for Benefits.

Termination of participation in this Plan will automatically revoke the Participant's participation in the elected Benefit Options, according to the terms thereof.

4.4 Rehired Employees

If a Participant terminates employment with the Employer for any reason, including, but not limited to, disability, retirement, layoff, leave of absence without pay, or voluntary resignation, and then is rehired

within the same Plan Year and within 30 days or less of the date of termination of employment, the Employee will be reinstated with the same elections that the Participant had prior to termination. If the Employer rehires a former Participant within the same Plan Year but more than 30 days following termination of employment and the Participant is otherwise eligible to participate in the Plan, then the individual may make new elections as a new hire.

4.5 FMLA Leaves Of Absence

Health Benefits. Notwithstanding any provision to the contrary in this Plan, if a Participant goes on a qualifying leave under FMLA then to the extent required by FMLA, the Participant will be entitled to continue the Benefits that provide health coverage on the same terms and conditions as if the Participant were still an active Employee. For example, the Employer will continue to pay its share of the Contribution to the extent the Participant opts to continue coverage. In the event of unpaid FMLA leave, a Participant may elect to continue such Benefits.

If the Participant elects to continue coverage while on FMLA leave, then the Participant may pay his or her share of the Contribution:

- With after-tax dollars, by sending monthly payments to the Employer by the due date established by the Employer;
- With pre-tax dollars, by having such amounts withheld from the Participant's ongoing Compensation, including unused sick days and vacation days; or
- By pre-paying all or a portion of the Contribution for the expected duration of the leave on a pre-tax Salary Reduction basis out of pre-leave Compensation.

To pre-pay the Contribution, the Participant must make a special election to that effect prior to the date that such Compensation would normally be made available. Pre-tax dollars may not be used to fund coverage during the next Plan Year.

Coverage will terminate if Contributions are not received by the due date established by the Employer. If a Participant's coverage ceases while on FMLA leave for any reason, including for non-payment of Contributions, the Participant will be entitled to re-enter upon return from such leave on the same basis as the Participant was participating in the Plan prior to the leave, or as otherwise required by the FMLA.

A Participant whose coverage ceased under any of the aforementioned plans will be entitled to elect whether to be reinstated in such plans at the same coverage level as in effect before the FMLA leave with increased Contributions for the remaining Period of Coverage, or at a coverage level that is reduced pro-rata for the period of FMLA leave during which the Participant did not pay Contributions. If a Participant elects a coverage level that is reduced pro-rata for the period of FMLA leave, the amount withheld from a Participant's Compensation on a payroll-by-payroll basis for the purpose of paying for his or her Contributions will be equal to the amount withheld prior to the period of FMLA leave.

Non-Health Benefits. If a Participant goes on a qualifying leave under the FMLA, then entitlement to non-health benefits (such as **DCAP** Benefits) is to be determined by the Employer's policy for providing such Benefits when the Participant is on leave not qualified as an FMLA leave of absence, as described below. If such policy permits a Participant to discontinue Contributions while on leave, then the Participant will, upon returning from leave, be required to repay the Contributions not paid by the

Participant during the leave. Payment shall be withheld from the Participant's Compensation either on a pre-tax or after-tax basis, as may be agreed upon by the Plan Administrator and the Participant or as the Plan Administrator otherwise deems appropriate.

4.6 **Non-FMLA Leaves of Absence**

If a Participant goes on an unpaid leave of absence that does not affect eligibility, then the Participant will continue to participate and the Contributions due for the Participant will be paid by pre-payment before going on leave, by after-tax Contributions while on leave or with catch-up Contributions after the leave ends, as may be determined by the Plan Administrator.

If a Participant goes on an unpaid leave that affects eligibility, the election change rules set forth by this Plan will apply. To the extent COBRA applies, the Participant may continue coverage under COBRA.

4.7 **Death**

A Participant's beneficiaries or representative of the Participant's estate, may submit claims for expenses that the Participant incurred through the end of the month in which the Participant ceases to be eligible for the Plan due to death. A Participant may designate a specific beneficiary for this purpose. If no beneficiary is specified, the Plan Administrator or its designee may designate the Participant's Spouse, another Dependent, or representative of the estate. Claims incurred by the Participant's covered Spouse or any other of the Participant's covered Dependents prior to the end of the month in which the Participant dies may also be submitted for reimbursement.

4.8 **COBRA**

Under the COBRA rules, as discussed in the attached Schedules B and C, where applicable, the Participant's Spouse and Dependents may be able to continue to participate under the **Health FSA** through the end of the Period of Coverage in which the Participant dies. The Participant's Spouse and Dependents may be required to continue making contributions to continue their participation.

4.9 **USERRA**

Notwithstanding any provision to the contrary in this Plan, if a Participant goes on a qualifying leave under USERRA, then to the extent required by USERRA, the Employer will continue the Benefits that provide health coverage on the same terms and conditions as if the Participant were still an active Employee. In the event of unpaid USERRA leave, a Participant may elect to continue such Benefits during the leave.

If the Participant elects to continue coverage while on USERRA leave, then the Participant may pay his or her share of the Contribution with:

- After-tax dollars, by sending monthly payments to the Employer by the due date established by the Employer; or
- Pre-tax dollars, by having such amounts withheld from the Participant's ongoing Compensation, if any, including unused sick days and vacation days.

Coverage will terminate if Contributions are not received by the due date established by the Employer. If a Participant's coverage ceases while on USERRA leave for any reason, including for non-payment of Contributions, the Participant will be entitled to re-enter such Benefit upon return from such leave on the date of such resumption of employment and will have the same opportunities to make elections under this Plan as persons returning from non-USERRA leaves. Regardless of anything to the contrary in this Plan, an Employee returning from USERRA leave has no greater right to Benefits for the remainder of the Plan Year than an Employee who has been continuously working during the Plan Year.

Section 5
Method of Timing and Elections

5.1 Initial Election

Completing a Salary Reduction Election. An Employee must complete a Salary Reduction Agreement within the election period set forth therein, to enroll in the Benefit Options. An election is deemed complete only upon the following:

- The Employee completes, signs and returns a Salary Reduction Agreement; or
- If provided by the Employer, the Employee uses the electronic system to make elections. Use of an electronic system will be deemed a completed Salary Reduction Agreement.

Unless otherwise specified by the Employer, an Employee who first becomes eligible to participate in the Plan mid-year will commence participation on the 1st day of the month coinciding with or after the date the Employee completes a Salary Reduction Agreement.

Eligibility for Benefits shall be subject to the additional requirements, if any, specified in the applicable Benefit Option. The provisions of this Plan are not intended to override any exclusions, eligibility requirements or waiting periods specified in the applicable Benefit Options.

5.2 Open Enrollment

During each Open Enrollment Period, the Plan Administrator shall provide a Salary Reduction Agreement to each Employee who is eligible to participate in the Plan. The Salary Reduction shall enable the Employee to elect to participate in the Benefit Options for the next Plan Year, and to authorize the necessary Salary Reductions to pay for the Benefits elected. The Employee must complete a Salary Reduction Agreement provided by the Employer to the Plan Administrator on or before the last day of the Open Enrollment Period.

If an Employee makes an election to participate during an Open Enrollment Period, then the Employee will become a Participant on the first day of the next Plan Year.

5.3 Failure To Elect

If an Employee fails to complete a Salary Reduction Agreement within the time described in the Elections paragraphs as discussed immediately above, then the Employee will be deemed to have elected to receive his or her entire Compensation in cash. Where the Employer provides for an automatic election for the **POP**, the Employee will have also agreed to a Salary Reduction for such Employee's Contribution to the **POP**.

Such Employee may not enroll in the Plan:

- Until the next Open Enrollment Period; or
- Until an event occurs that would justify a mid-year election change as described in the Irrevocability of Election and Exceptions section below.

Section 6
Irrevocability of Elections and Exceptions

6.1 Irrevocability of Elections

A Participant's election under the Plan is irrevocable for the duration of the Period of Coverage to which it relates, except as described in this Section.

Guidance. The rules regarding irrevocability of elections and exceptions are quite complex. The Plan Administrator will interpret these rules in accordance with prevailing IRS guidance. Any factual determinations by the Plan Administrator will be made in its sole discretion, and in a uniform and consistent basis.

6.2 Procedure for Making New Election If Exception to Irrevocability Applies

- **Timing for Making New Election if Exception to Irrevocability Applies.** A Participant may make a new election within 30 days of the occurrence of an event described in Section 6.4 below, if the election under the new Salary Reduction Agreement is made on account of and corresponds to the event. A Change in Status, as defined below, that automatically results in ineligibility in the Health Plan shall automatically result in a corresponding election change, whether or not requested.
- **Effective Date of New Election.** Elections made pursuant to this Section shall be effective on the 1st of the month following or coinciding with the Plan Administrator's receipt and approval of the election request for the balance of the Period of Coverage following the change of election unless a subsequent event allows for a further election change. Except as provided in "Certain Judgments, Decrees and Orders" or for HIPAA special enrollment rights in the event of birth, adoption, or placement for adoption, all election changes shall be effective on a prospective basis only.
- **Changes.** For subsequent Plan Years, the maximum and minimum dollar limit may be changed by the Plan Administrator and shall be communicated to Employees through the Salary Reduction Agreement or other document.
- **Effect on Maximum Benefits.** Any change in an election affecting annual Contributions to the **Health FSA** or **DCAP** also will change the maximum reimbursement Benefits for the balance of the Period of Coverage commencing with the election change. Such maximum reimbursement Benefits for the balance of the Period of Coverage shall be calculated by adding:
 - Any Contributions made by the Participant as of the end of the portion of the Period of Coverage immediately preceding the change in election; to
 - The total Contributions scheduled to be made by the Participant during the remainder of such Period of Coverage to the Benefit Option; reduced by
 - All reimbursements made during the entire Period of Coverage.

6.3 Change in Status Defined

A Participant may make a new election that corresponds to a gain or loss of eligibility and coverage under this Plan or under any other plan maintained by the Employer or a plan of the Spouse's or Dependent's employer that was caused by the occurrence of a Change in Status. A Change in Status is any of the events described below, as well as any other events included under subsequent changes to Code §125 or regulations issued thereunder, which the Plan Administrator, in its sole discretion and on a uniform and consistent basis, determines are permitted under prevailing IRS guidance and under this Plan:

- **Legal Marital Status.** A change in a Participant's legal marital status including marriage, death of a Spouse, divorce, legal separation or annulment;
- **Number of Dependents.** Events that change a Participant's number of Dependents, including birth, death, adoption, and placement for adoption. In the case of the **DCAP**, a change in the number of Qualifying Individuals as defined in Code §21(b)(1);
- **Employment Status.** Any of the following events that change the employment status of the Participant, Spouse or Dependents:
 - A termination or commencement of employment;
 - A strike or lockout;
 - A commencement of or return from an unpaid leave of absence;
 - A change in worksite; or
 - A change in an individual's status with the consequence that the individual becomes, or ceases to be, eligible under this Plan or another employee benefit plan;
- **Dependent Eligibility Requirements.** An event that causes a Dependent to satisfy or cease to satisfy the Dependent eligibility requirements for a particular Benefit; and
- **Change in Residence.** A change in the place of residence of the Participant, Spouse or Dependent(s). For the Dependent Care FSA plan only.

6.4 Events Permitting Exception to Irrevocability Rule

A Participant may change an election as described below upon the occurrence of the stated events for the applicable Benefit Option.

The following rules shall apply to all Benefit Options except where expressly limited below.

- **Open Enrollment Period.** A Participant may change an election during the Open Enrollment Period.
- **Termination of Employment.** A Participant's election will terminate upon termination of employment as described in the Eligibility and Participation section above.
- **Leave of Absence.** A Participant may change an election upon a leave of absence as described in the Eligibility and Participation section above.
- **Change in Status.** *(Applies to the POP, Health FSA as limited below, and DCAP as limited below.)* A Participant may change the actual or deemed election under the Plan upon the occurrence of a Change in Status, but only if such election change corresponds with a gain or loss of eligibility and coverage under a plan of the Employer or a plan of the Spouse's or Dependent's employer. This rule is referred to as the general consistency requirement.

A Change in Status that affects eligibility for coverage also includes a Change in Status that results in an increase or decrease in the number of an Employee's family members who may benefit from the coverage.

The Plan Administrator, on a uniform and consistent basis, shall determine whether a requested change satisfies the general consistency requirement. Assuming that the general consistency requirement is satisfied, a requested election change must also satisfy the following specific consistency requirements in order for a Participant to be able to alter elections based on the specified Change in Status:

- **Loss of Spouse or Dependent Eligibility.** For a Change in Status involving a Participant's divorce, annulment or legal separation, the death of a Spouse or a Dependent, or a Dependent's ceasing to satisfy the eligibility requirements for coverage, a Participant may only elect to cancel accident or health coverage for:
 - The Spouse involved in the divorce, annulment, or legal separation;
 - The deceased Spouse or Dependent; or
 - The Dependent that ceased to satisfy the eligibility requirements.

Canceling coverage for any other individual under these circumstances fails to correspond with that Change in Status.

Notwithstanding the foregoing, if the Participant or his or her Spouse or Dependent becomes eligible for COBRA or similar health plan continuation coverage under the

Employer's plan, then the Participant may increase his or her election to pay for such coverage. This rule does not apply to a Participant's Spouse who becomes eligible for COBRA or similar coverage as a result of divorce, annulment, or legal separation.

- **Gain of Coverage Eligibility Under Another Employer's Plan.** When a Participant, Spouse or Dependent gains eligibility for coverage under a cafeteria plan or qualified benefit plan of the employer of that Participant's Spouse or Dependent, a Participant may elect to terminate or decrease coverage for that individual only if coverage for that individual becomes effective or is increased under the Spouse's or Dependent's employer's plan. The Plan Administrator may rely on a Participant's certification that the Participant has obtained or will obtain coverage under the Spouse's or Dependent's employer's plan, unless the Plan Administrator has reason to believe that the Participant's certification is incorrect.
- **Special Consistency Rule for DCAP Benefits.** With respect to the **DCAP**, the Participant may change or terminate the Participant's election upon a Change in Status if:
 - Such change or termination is made on account of and corresponds with a Change in Status that affects eligibility for coverage under an Employer's plan; or
 - The election change is on account of and corresponds with a Change in Status that affects eligibility of Dependent Care Expenses for the tax exclusion under Code §129.
- **HIPAA Special Enrollment Rights** (*Applies to the POP only*). If the Participant, the Participant's Spouse or Dependent is entitled to HIPAA special enrollment rights under a group health plan, then the Participant may revoke a prior election for group health plan coverage and make a new election provided that the election change corresponds with such HIPAA special enrollment right. As more specifically defined by HIPAA, a special enrollment right will arise in the following circumstances:
 - The Participant, Spouse or Dependent declined to enroll in group health plan coverage because the Participant, the Participant's Spouse or Dependent had coverage, and eligibility for such coverage is subsequently lost because the coverage was provided under COBRA and the COBRA coverage was exhausted; or the coverage was non-COBRA coverage and the coverage terminated due to loss of eligibility for coverage or the employer contributions for the coverage were terminated;
 - The Participant acquired a new Dependent as a result of marriage, birth, adoption or placement for adoption; or
 - The Employee or Dependents who are eligible, but did not enroll for coverage when initially eligible and:
 - The Employee or Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage terminated as a result of loss of eligibility and the Employee requests coverage under the Plan within 60 days after the termination; or
 - The Employee or Dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP, and the employee requests coverage under the Plan within 60 days after eligibility is determined.

An election to add previously eligible Dependents as a result of the acquisition of a new Spouse or Dependent child shall be considered to be consistent with the special enrollment right. An election change due to birth, adoption, or placement for adoption of a new Dependent child may, subject to the group health plan, be effective retroactively for up to 30 days.

- **Certain Judgments, Decrees and Orders.** *(Applies to the POP, Health FSA but does not apply to the DCAP).* If a judgment, decree, or order resulting from a divorce, legal separation, annulment or change in legal custody, including a Qualified Medical Child Support Order (QMCSO) requires accident or health coverage, including an election for **Health FSA** Benefits for a Participant's Dependent child, a Participant may:
 - Change an election to provide coverage for the Dependent child provided that the order requires the Participant to provide coverage; or
 - Change an election to revoke coverage for the Dependent child if the order requires that another individual provide coverage under that individual's plan and such coverage is actually provided.
- **Medicare and Medicaid.** *(Applies to the POP & Health FSA as limited below, but does not apply to the DCAP).* If a Participant, Spouse or Dependent is enrolled in a Benefit and becomes entitled to Medicare or Medicaid (other than coverage consisting solely of benefits under Section 1928 of the Social Security Act providing for pediatric vaccines), the Participant may prospectively reduce or cancel the Health Plan covering the person, and the **Health FSA** coverage may be cancelled but not reduced. However, such cancellation will not be effective to the extent that it would reduce future contributions to the **Health FSA** to a point where the total contributions for the Plan Year are less than the amount already reimbursed for the Plan Year. Further, if a Participant, Spouse, or Dependent who has been entitled to Medicare or Medicaid loses eligibility for such coverage, the Participant may prospectively elect to commence or increase the **Health FSA** coverage.
- **Change in Cost.** *(Applies to the POP and DCAP as limited below, but does not apply to the Health FSA).* For purposes of this Section, "similar coverage" means coverage for the same category of Benefits for the same individuals.
 - **Insignificant Cost Changes.** The Participant is required to increase his or her elective Contributions to reflect insignificant increases in the required Contribution for the Benefit Options, and to decrease the elective Contributions to reflect insignificant decreases in the required Contribution. The Plan Administrator, in its sole discretion and on a uniform and consistent basis, will determine whether an increase or decrease is insignificant based upon all the surrounding facts and circumstances, including but not limited to the dollar amount or percentage of the cost change. The Plan Administrator, on a reasonable and consistent basis, will automatically make this increase or decrease in affected Participants' elective Contributions on a prospective basis.
 - **Significant Cost Increases.** If the Plan Administrator determines that the cost charged to an Employee for a Benefit significantly increases during a Period of Coverage, the Participant may:

- Make a corresponding prospective increase to elective Contributions by increasing Salary Reductions;
- Revoke the election for that coverage, and in lieu thereof, receive on a prospective basis coverage under another Benefit Option that provides similar coverage; or
- Terminate coverage going forward if there is no other Benefit Option available that provides similar coverage.

The Plan Administrator will decide whether a cost increase is significant.

- **Significant Cost Decreases.** If the Plan Administrator determines that the cost of any Benefit (such as the premium for the Health Plan) significantly decreases during a Period of Coverage, then the Plan Administrator may permit the following election changes:
 - Participants enrolled in that Benefit Option may make a corresponding prospective decrease in their elective contributions by decreasing Salary Reductions;
 - Participants who are enrolled in another benefit package option may change their election on a prospective basis to elect the Benefit Option that has decreased in cost; or
 - Employees who are otherwise eligible may elect the Benefit Option that has decreased in cost on a prospective basis, subject to the terms and limitations of the Benefit Option. The Plan Administrator will decide whether a cost decrease is significant.
- **Limitation on Change in Cost Provisions for DCAP Benefits.** The above “Change in Cost” provisions apply to **DCAP** Benefits only if the cost change is imposed by a dependent care provider who is not a relative of the Employee.
- **Change in Coverage.** (*Applies to the **POP** and **DCAP**, but not to the **Health FSA***). The definition of “similar coverage” applied in the Change of Cost provision above also applies here.
 - **Significant Curtailment.** Coverage under a Plan is deemed to be “significantly curtailed” only if there is an overall reduction in coverage provided under the Plan to constitute reduced coverage generally. If coverage is “significantly curtailed,” Participants may elect coverage under a Benefit Option that provides similar coverage. In addition, if the coverage curtailment results in a “Loss of Coverage” as defined below, Participants may drop coverage if no similar coverage is offered by the Employer. The Plan Administrator will decide whether a curtailment is “significant,” and whether a Loss of Coverage has occurred in accordance with prevailing IRS guidance.
 - **Significant Curtailment Without Loss of Coverage.** If the Plan Administrator determines that a Participant’s coverage under a Benefit Option (or the Participant’s, Spouse’s or Dependent’s coverage under the respective employer’s plan) is significantly curtailed without a Loss of Coverage during a Period of Coverage, the Participant may revoke an election for the affected coverage and prospectively elect coverage under another Benefit Option, if offered, that provides similar coverage.

- A foreign government group health plan, subject to the terms and limitations of the applicable Benefit Option.
- **Change in Coverage Under Another Employer Plan.** A Participant may make a prospective election change that is on account of and corresponds with a change made under an employer plan, including a plan of the Employer or a plan of the Spouse's or Dependent's employer, so long as:
 - The other cafeteria plan or qualified benefits plan permits its participants to make an election change that would be permitted under prevailing IRS guidance; or
 - The Plan permits Participants to make an election for a Period of Coverage that is different from the plan year under the other cafeteria plan or qualified benefits plan.

The Plan Administrator will decide whether a requested change is because of, and corresponds with, a change made under the other employer plan.

- **Change in Dependent Care Service Provider.** A Participant may make a prospective election change that corresponds with a change in the dependent care service provider. For example:
 - If the Participant terminates one dependent care service provider and hires a new dependent care service provider, the Participant may change coverage to reflect the cost of the new service provider; and
 - If the Participant terminates a dependent care service provider because a relative or other person becomes available to take care of the child at no charge, the Participant may cancel coverage.

A Participant entitled to change an election as described in this Section must do so in accordance with the procedures described in this Section.

6.5 Election Modifications Required by Plan Administrator

The Plan Administrator may require, at any time, any Participant or class of Participants to amend their Salary Reductions for a Period of Coverage if the Plan Administrator determines that such action is necessary or advisable in order to:

- Satisfy any of the Code's nondiscrimination requirements applicable to this Plan or another cafeteria plan;
- Prevent any Employee or class of Employees from having to recognize more income for federal income tax purposes from the receipt of Benefits hereunder than would otherwise be recognized;
- Maintain the qualified status of Benefits received under this Plan; or
- Satisfy any of the Code's nondiscrimination requirements or other limitations applicable to the Employer's qualified Plans.

In the event that Contributions need to be reduced for a class of Participants, the Plan Administrator will reduce the Salary Reduction amounts for each affected Participant, beginning with the Participant in the class who had elected the highest Salary Reduction amount, and continuing with the Participant in the class who had elected the next-highest Salary Reduction amount, and so forth, until the defect is corrected.

Section 7
Appeals

7.1 Claims Under the Plan

If a claim for reimbursement under the Plan is wholly or partially denied, or if the Claimant is denied a Benefit under the Plan regarding the Claimant's coverage under the Plan, then the appeals procedure described below will apply.

7.2 Notice from Select125

If a claim is denied in whole or in part, Select125 will notify the Claimant in writing within 30 days of the date that Select125 received the claim. This time may be extended for an additional 15 days for matters beyond the control of Select125, including cases where a claim is incomplete. Select125 will provide written notice of any extension, including the reason(s) for the extension and the date a decision by Select125 is expected to be made. When a claim is incomplete, the extension notice will also specifically describe the required information, and will allow the Claimant at least 45 days from receipt of the notice to provide the specified information, and will have the effect of suspending the time for a decision on the claim until the specified information is provided. Notification of a denied claim will include:

- The specific reasons for the denial;
- The specific Plan provisions on which the denial is based;
- A description of any additional material or information necessary to validate the claim and an explanation of why such material or information is necessary; and
- Appropriate information on the steps to take to appeal Select125's adverse benefits determination, including the right to submit written comments and have them considered, and the right to review, upon request and at no charge, relevant documents and other information, and the right to file suit under ERISA, where applicable, with respect to any adverse benefits determination after the final appeal of the claim.

7.3 First Level Appeal to Select125

If a claim is denied in whole or in part, the Claimant, or the Claimant's authorized representative, may request a review of the adverse benefits determination upon written application to Select125. The Claimant, or the Claimant's authorized representative, may request access to all relevant documents in order to evaluate whether to request review of an adverse benefits determination and, if review is requested, to prepare for such review.

An appeal of an adverse benefits determination must be made in writing within 180 days upon receipt of the notice that the claim was denied. If an appeal is not made within the above referenced timeframe all rights to appeal the adverse benefits determination and to file suit in court will be forfeited. A written appeal should include: additional documents, written comments, and any other information in support of the appeal. The review of the adverse benefits determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

7.4 Select125 Action on Appeal

Select125, within a reasonable time, but no later than 60 days after receipt of the request for review, will decide the appeal. Select125 may, in its discretion, hold a hearing on the denied claim. Any medical expert consulted in connection with the appeal will be different from and not subordinate to any expert consulted in connection with the initial claim denial. The identity of any medical expert consulted in connection with the appeal will be provided. If the decision on review affirms the initial denial of the claim, a notice will be provided which sets forth:

- The specific reasons for the decision on review;
- The specific Plan provisions on which the decision is based;
- A statement regarding the right to review, upon request and at no charge, relevant documents and other information. If an internal rule, guideline, protocol, or other similar criterion is relied on in making the decision on review, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge upon request; and
- Appropriate information on the steps to take to appeal Select125's adverse benefits determination, including the right to submit written comments and have them considered, and the right to review, upon request and at no charge, relevant documents and other information, and the right to file suit under ERISA, where applicable, with respect to any adverse benefits determination after the final appeal of the claim.

7.5 Second and Final Level Appeal to the Plan Administrator

If the decision on review affirms Select125's initial denial, the Claimant may request a review of the adverse appeal determination upon written application to the Plan Administrator.

The Claimant, or the Claimant's authorized representative, may request access to all relevant documents in order to evaluate whether to request review of an adverse benefits determination and, if review is requested, to prepare for such review.

An appeal of an adverse appeal determination must be made in writing within 180 days after receipt of the notice that the first level appeal was denied. If an appeal is not made within the above referenced timeframe all rights to appeal the adverse benefits determination and to file suit in court will be forfeited. A written appeal should include: additional documents, written comments, and any other information in support of the appeal. The review of the adverse benefits determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

7.6 Plan Administrator Action on Appeal

The Plan Administrator, within a reasonable time, but no later than 60 days after receipt of the request for review, will decide the appeal. The Plan Administrator may, in its discretion, hold a hearing on the denied claim. Any medical expert consulted in connection with the appeal will be different from and not subordinate to any expert consulted in connection with the initial claim denial. The identity of any

medical expert consulted in connection with the appeal will be provided. If the decision on review affirms the initial denial of the claim, a notice will be provided which sets forth:

- The specific reason(s) for the decision on review;
- The specific Plan provision(s) on which the decision is based;
- A statement regarding the right to review, upon request and at no charge, relevant documents and other information. If an internal rule, guideline, protocol, or other similar criterion is relied on in making the decision on review, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge upon request; and
- A statement regarding the right to bring suit under ERISA §502(a), where applicable.

7.7 Appeal Procedure for Eligibility or Salary Reduction Issues

If the Claimant is denied a Benefit under the Plan due to questions regarding the Claimant's eligibility or entitlement for coverage under the Plan or regarding the amount the Claimant owes, the Claimant may request a review upon written application to the Plan Administrator.

The Claimant, or the Claimant's authorized representative, may request access to all relevant documents in order to evaluate whether to request review of an adverse benefits determination and if review is requested, to prepare for such review.

An appeal of an adverse benefits determination must be made in writing within 180 days upon receipt of the notice that the claim was denied. If an appeal is not made within the above referenced timeframe all rights to appeal the adverse benefits determination and to file suit in court will be forfeited. A written appeal should include: additional documents, written comments, and any other information in support of the appeal. The review of the adverse benefits determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The Plan Administrator, within a reasonable time, but no later than 60 days after receipt of the request for review, will decide the appeal. The Plan Administrator may, in its discretion, hold a hearing on the denied claim. Any medical expert consulted in connection with the appeal will be different from and not subordinate to any expert consulted in connection with the initial claim denial. The identity of any medical expert consulted in connection with the appeal will be provided. If the decision on review affirms the initial denial of the claim, a notice will be provided which sets forth:

- The specific reasons for the decision on review;
- The specific Plan provisions on which the decision is based;
- A statement regarding the right to review, upon request and at no charge, relevant documents and other information. If an internal rule, guideline, protocol, or other similar criterion is relied on in making the decision on review, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar

criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge upon request; and

- Appropriate information on the steps to take to appeal the Plan Administrator's adverse benefits determination, including the right to submit written comments and have them considered, and the right to review, upon request and at no charge, relevant documents and other information, and the right to file suit under ERISA, where applicable, with respect to any adverse benefits determination after the final appeal of the claim.

Section 8
Plan Administration

8.1 Plan Administrator

The administration of this Plan shall be under the supervision of the Plan Administrator. It is the principal duty of the Plan Administrator to see that this Plan is carried out in accordance with the terms of the Plan document and for the exclusive benefit of persons entitled to participate in this Plan and without discrimination among them.

8.2 Powers of the Plan Administrator

The Plan Administrator shall have such powers and duties as may be necessary or appropriate to discharge its functions hereunder. The Plan Administrator shall have final discretionary authority to make such decisions and all such determinations shall be final, conclusive and binding. The Plan Administrator shall have the exclusive right to interpret the Plan and to decide all matters hereunder. The Plan Administrator shall have the following discretionary authority:

- To construe and interpret this Plan, including all possible ambiguities, inconsistencies and omissions in the Plan and related documents, and to decide all questions of fact, questions relating to eligibility and participation, and questions of Benefits under this Plan;
- To prescribe procedures to be followed and the forms to be used by Employees and Participants to make elections pursuant to this Plan;
- To prepare and distribute information explaining this Plan and the Benefits under this Plan in such manner as the Plan Administrator determines to be appropriate;
- To request and receive from all Employees and Participants such information as the Plan Administrator shall from time to time determine to be necessary for the proper administration of this Plan;
- To furnish each Employee and Participant with such reports in relation to the administration of this Plan as the Plan Administrator determines to be reasonable and appropriate, including appropriate statements setting forth the amounts by which a Participant's Compensation has been reduced in order to provide Benefits under this Plan;
- To receive, review and keep on file such reports and information concerning the Benefits covered by this Plan as the Plan Administrator determines from time to time to be necessary and proper;
- To appoint and employ such individuals or entities to assist in the administration of this Plan as it determines to be necessary or advisable, including legal counsel and Benefit consultants;
- To sign documents for the purposes of administering this Plan, or to designate an individual or individuals to sign documents for the purposes of administering this Plan;
- To secure independent medical or other advice and require such evidence as deemed necessary to decide any claim or appeal; and

- To maintain the books of accounts, records, and other data in the manner necessary for proper administration of this Plan and to meet any applicable disclosure and reporting requirements.

8.3 Reliance on Participant, Tables, etc.

The Plan Administrator may rely upon the Participant's direction, information or election as being proper under the Plan and shall not be responsible for any act or failure to act because of a direction or lack of direction by the Participant. The Plan Administrator will also be entitled, to the extent permitted by law, to rely conclusively on all tables, valuations, certificates, opinions and reports that are furnished by accountants, attorneys, or other experts employed or engaged by the Plan Administrator.

8.4 Outside Assistance

The Plan Administrator may employ such counsel, accountants, claims administrators, consultants, actuaries and other person or persons as the Plan Administrator shall deem advisable. The Plan shall pay the compensation of such counsel, accountants, and other person or persons and any other reasonable expenses incurred by the Plan Administrator in the administration of the Plan. Unless otherwise provided in the service agreement, obligations under this Plan shall remain the obligations of the Employer and the Plan Administrator.

8.5 Insurance Contracts

The Employer shall have the right to enter into a contract with one or more insurance companies for the purposes of providing any Benefits under the Plan; and to replace any of such insurance companies or contracts. Any dividends, retroactive rate adjustments or other refunds of any type that may become payable under any such insurance contract shall not be assets of the Plan but shall be the property of, and be retained by, the Employer, to the extent that such amounts are less than aggregate Employer Contributions toward such insurance.

8.6 Fiduciary Liability

To the extent permitted by law, the Plan Administrator shall not incur any liability for any acts or for failure to act except for its own gross negligence, misconduct or willful breach of this Plan.

8.7 Compensation of Plan Administrator

Unless otherwise determined by the Employer and permitted by law, any Plan Administrator that is also an employee of the Employer shall serve without compensation for services rendered in such capacity, but all reasonable expenses incurred in the performance of their duties shall be paid by the Employer.

8.8 Bonding

The Plan Administrator shall be bonded to the extent required by ERISA.

8.9 Inability to Locate Payee

If the Plan Administrator is unable to make payment to the Participant or another person to whom a payment is due under the Plan because it cannot ascertain the identity or whereabouts of the Participant or such other person after reasonable efforts have been made to identify or locate such

person, then such payment and all subsequent payments otherwise due to the Participant or such other person shall be forfeited one year after the date any such payment first became due.

8.10 Effect of Mistake

In the event of a mistake as to the eligibility or participation of an Employee, or the allocations made to the Participant's account, or the amount of Benefits paid or to be paid to the Participant or another person, the Plan Administrator shall, to the extent administratively possible and otherwise permissible under Code §125 or prevailing IRS guidance, correct by making the appropriate adjustments of such amounts as necessary to credit the Participant's account or such other person's account or withhold any amount due to the Plan or the Employer from Compensation paid by the Employer.

Section 9
Amendment or Termination of the Plan

9.1 Permanency

While the Employer fully expects that this Plan will continue indefinitely, due to unforeseen, future business contingencies, permanency of the Plan will be subject to the Employer's right to amend or terminate the Plan, as provided in the paragraphs below.

9.2 Right to Amend

The Employer reserves the right to merge or consolidate the Plan and to make any amendment or restatement to the Plan from time-to-time, including those which are retroactive in effect. Such amendments may be applicable to any Participant.

Any amendment or restatement shall be deemed to be duly executed by the Employer when signed by its President or a Vice President, and attested by its Secretary or Assistant Secretary.

9.3 Right to Terminate

The Employer reserves the right to discontinue or terminate the Plan in whole or in part at any time without prejudice. This Plan may be terminated by the Employer. This Plan also shall terminate automatically if the Employer is legally dissolved, makes a general assignment for the benefit of its creditors, files for liquidation under the Bankruptcy Code, merges or consolidates with any other entity and it is not the surviving entity, or if it sells or transfers substantially all of its assets, or goes out of business, unless the Employer's successor in interest agrees to assume the liabilities under this Plan.

Section 10
General Provisions

10.1 Expenses

All reasonable expenses incurred in administering the Plan are currently paid by forfeitures to the extent provided in Schedules A, B, and C and then by the Employer.

10.2 No Contract of Employment

Nothing contained in the Plan shall be construed as a contract of employment with the Employer or as a right of any Employee to be continued in the employment of the Employer, or as a limitation of the right of the Employer to discharge any Employee, with or without cause.

10.3 Compliance with Federal Mandates

To the extent applicable for each Benefit Option, the Plan will provide Benefits in accordance with the requirements of all federal mandates, including USERRA, COBRA, and HIPAA. In the event of any conflict between any part, clause or provision of this Plan and the Code or ERISA, where applicable, the provisions of the Code and ERISA shall be deemed controlling, and any conflicting part, clause or provision of this Plan shall be deemed superseded to the extent of the conflict.

10.4 Verification

The Plan Administrator shall be entitled to require reasonable information to verify any claim or the status of any person as an Employee or Dependent. If the Participant does not supply the requested information within the applicable time limits or provide a release for such information, the Participant will not be entitled to Benefits under the Plan.

10.5 Limitation of Rights

Nothing appearing in or done pursuant to the Plan shall be held or construed:

- To give any person any legal or equitable right against the Employer, any of its employees, or persons connected therewith, except as provided by law; or
- To give any person any legal or equitable right to any assets of the Plan or any related trust, except as expressly provide herein or as provided by law.

10.6 Non-Assignability of Rights

The right of any Participant to receive any reimbursement under this Plan shall not be alienable by the Participant by assignment or any other method and shall not be subject to claims by the Participant's creditors by any process whatsoever. Any attempt to cause such right to be so subjected will not be recognized, except to the extent required by law.

10.7 Governing Law

This Plan is intended to be construed, and all rights and duties hereunder are governed, in accordance with the laws of the State or Commonwealth of Colorado, except to the extent such laws are preempted by ERISA or other federal law.

10.8 Severability

If any provision of the Plan is held invalid or unenforceable, its validity or unenforceability shall not affect any other provision of the Plan, and the Plan shall be construed and enforced as if such provision had not been included herein.

10.9 Captions

The captions contained herein are inserted only as a matter of convenience and for reference and in no way define, limit, enlarge or describe the scope or intent of the Plan nor in any way shall affect the Plan or the construction of any provision thereof.

10.10 Federal Tax Disclaimer

To ensure compliance with requirements imposed by the IRS, to the extent this Plan Document or any Schedule contains advice relating to a federal tax issue, it is not intended or written to be used, and it may not be used, for the purpose of avoiding any penalties that may be imposed on the Participant or any other person or entity under the Internal Revenue Code or promoting, marketing or recommending to another party any transaction or matter addressed herein.

10.11 No Guarantee of Tax Consequences

Neither the Plan Administrator nor the Employer make any commitment or guarantee that any amounts paid to the Participant or for the Participant's benefit under this Plan will be excludable from the Participant's gross income for federal, state or local income tax purposes. It shall be the Participant's obligation to determine whether each payment under this Plan is excludable from the Participant's gross income for federal, state and local income tax purposes, and to notify the Plan Administrator if the Participant has any reason to believe that such payment is not so excludable.

10.12 Indemnification of Employer

If the Participant receives one or more payments or reimbursements under this Plan on a pre-tax Salary Reduction basis, and such payments do not qualify for such treatment under the Code, the Participant shall indemnify and reimburse the Employer for any liability the Employer may incur for failure to withhold federal income taxes, Social Security taxes, or other taxes from such payments or reimbursements.

Section 11
HIPAA Privacy and Security

11.1 Provision of Protected Health Information to Employer

For purposes of this Section, Protected Health Information (PHI) shall have the meaning as defined in HIPAA. PHI means information that is created or received by the Plan and relates to the past, present, or future physical or mental health or condition of a Participant; the provision of health care to a Participant; or the past, present, or future payment for the provision of health care to a Participant; and that identifies the Participant or for which there is a reasonable basis to believe the information can be used to identify the Participant. PHI includes information of persons living or deceased.

Members of the Employer's workforce have access to the individually identifiable health information of Plan Participants for administrative functions of the **Health FSA** plus any other Benefit Option which might be subject to the privacy and security provisions of HIPAA (hereinafter referred to collectively as the Plan). When this health information is provided to the Employer, it is PHI. HIPAA and its implementing regulations restrict the Employer's ability to use and disclose PHI. The Employer shall have access to PHI from the Plan only as permitted under this Section or as otherwise required or permitted by HIPAA.

11.2 Permitted Disclosure of Enrollment/Disenrollment Information

The Plan may disclose to the Employer information on whether the individual is participating in the Plan.

11.3 Permitted Uses and Disclosure of Summary Health Information

The Plan may disclose Summary Health Information to the Employer, provided that the Employer requests the Summary Health Information for the purpose of modifying, amending, or terminating the Plan.

Summary Health Information means information:

- That summarizes the claims history, claims expenses, or type of claims experienced by individuals for whom Employer had provided health benefits under a health plan; and
- From which the required information has been deleted, except that the geographic information need only be aggregated to the level of a five-digit ZIP code.

11.4 Permitted and Required Uses and Disclosure of PHI for Plan Administration Purposes

Unless otherwise permitted by law, and subject to the conditions of disclosure and obtaining written certification described below, the Plan may disclose PHI to the Employer, provided that the Employer uses or discloses such PHI only for Plan Administration Purposes.

Plan Administration Purposes means administration functions performed by the Employer on behalf of the Plan, such as quality assurance, claims processing, auditing, and monitoring. Plan Administration functions do not include functions performed by the Employer in connection with any other benefit or benefit plan of the Employer, and they do not include any employment-related functions.

Notwithstanding the provisions of this Plan to the contrary, in no event shall the Employer be permitted to use or disclose PHI in a manner that is inconsistent with 45 CFR § 164.504(f).

11.5 Conditions of Disclosure for Plan Administration Purposes

Employer agrees that with respect to any PHI (other than enrollment/disenrollment information and Summary Health Information, which are not subject to these restrictions) disclosed to it, the Employer shall:

- Not use or further disclose PHI other than as permitted or required by the Plan or as required by law;
- Ensure that any agent, including a subcontractor, to whom it provides PHI received from the Plan agrees to the same restrictions and conditions that apply to the Employer with respect to PHI;
- Not use or disclose the PHI for employment-related actions and decisions or in connection with any other for employee benefit plan of the Employer;
- Report to the Plan any use or disclosure of the information that is inconsistent with the uses or disclosures provided for of which it becomes aware;
- Make available PHI to comply with HIPAA's right to access in accordance with 45 CFR §164.524;
- Make available PHI for amendment and incorporate any amendments to PHI in accordance with 45 CFR §164.526;
- Make available the information required to provide an accounting of disclosures in accordance with 45 CFR §164.528;
- Make its internal practices, books, and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of Health and Human Services for purposes of determining compliance with HIPAA's privacy and security requirements;
- If feasible, return or destroy all PHI received from the Plan that the Employer still maintains in any form and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and
- Ensure that the adequate separation between the Plan and the Employer (i.e., the "firewall"), required in 45 CFR §504(f)(2)(iii), is satisfied.

The Employer further agrees that if it creates, receives, maintains, or transmits any electronic PHI (other than enrollment/disenrollment information and Summary Health Information, which are not subject to these restrictions) on behalf of the Plan, it will implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic PHI, and it will ensure that any agents, including subcontractors, to whom it provides such

electronic PHI agrees to implement reasonable and appropriate security measures to protect the information. The Employer will report to the Plan any security incident of which it becomes aware.

11.6 Adequate Separation Between Plan and Employer

The Employer shall designate such employees of the Employer who need access to PHI in order to perform Plan administration functions that the Employer performs for the Plan such as quality assurance, claims processing, auditing, monitoring, payroll, and appeals. No other persons shall have access to PHI. These specified employees, or classes of employees, shall only have access to and use of PHI to the extent necessary to perform the plan administration functions that the Employer performs for the Plan.

In the event that any of these designated employees do not comply with the provisions of this Section, that employee shall be subject to disciplinary action by the Employer for non-compliance pursuant to the Employer's employee discipline and termination procedures.

The Employer will ensure that the provisions of this Section are supported by reasonable and appropriate security measures to the extent that the designees have access to electronic PHI.

11.7 Certification of Plan Sponsor

The Plan shall disclose PHI to the Employer only upon the receipt of a certification by the Employer that the Plan has been amended to incorporate the provisions of 45 CFR §164.504(f)(2)(ii), and that the Employer agrees to the conditions of disclosure set forth in Section 10.5.

11.8 Organized Health Care Arrangement

The Plan Administrator intends the Plan to form part of an Organized Health Care Arrangement along with any other Benefit Option and Health Plan under 45 CFR §160.103 provided by Employer.

Section 12
Statement of ERISA Rights

Note: This Statement of ERISA Rights applies only to the Health FSA, which is a Benefit subject to ERISA.

12.1 Participant's Rights

Each Participant in the Plan is entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Participants shall be entitled to the following rights:

12.2 Receive Information About the Plan and Benefits

The Participant may examine without charge at Employer's principal office and at other specified locations, such as worksites, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series), if any, filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

The Participant may obtain, upon written request to Human Resources, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated Plan Document and Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.

The Participant may receive a summary annual report, if any is required by ERISA to be prepared.

12.3 COBRA and HIPAA

The Participant may continue health care coverage for the Participant, Spouse, or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. The Participant, Spouse, or Dependents may have to pay for such coverage.

12.4 Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of the Participant and other Plan participants and beneficiaries. No one, including the Employer or any other person, may fire the Participant or otherwise discriminate against the Participant in any way to prevent the Participant from obtaining a Benefit or exercising the Participant's rights under ERISA.

12.5 Enforce the Participant's Rights

If the Participant's claim is denied or ignored, in whole or in part, the Participant has the right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps that the Participant can take to enforce the above rights. For instance, if the Participant requests a copy of Plan documents or the

latest annual report (Form 5500), if any, from the Plan and does not receive them within 30 days, the Participant may file suit in a federal court. In such a case, the court may require the Employer, as Plan Administrator, to provide the materials and pay Participant up to \$110 per day until the Participant receives the materials unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If the Participant has a claim for benefits, which is denied or ignored in whole or in part, and if the Participant has exhausted the claims procedures available to Participant under the Plan, the Participant may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if the Participant is discriminated against for asserting Participant's rights, Participant may seek assistance from the U.S. Department of Labor, or the Participant may file suit in a federal court. The court will decide who should pay court costs and legal fees. If the Participant is successful, the court may order the person the Participant has sued to pay these costs and fees. If the Participant loses, the court may order the Participant to pay these costs and fees, for example, if the court finds the claim is frivolous.

12.6 Assistance with Questions

If the Participant has any questions about the Plan, the Participant should contact the Employer's Human Resource Department. If the Participant has any questions about this statement or about the Participant's rights under ERISA, or if the Participant needs assistance in obtaining documents from the Plan Administrator, the Participant should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor (listed in Participant's telephone directory) or contact the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. The Participant may also obtain certain publications about his or her rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Appendix A

The Plan Document contains the general rules governing what expenses are reimbursable under the **Health FSA**. This Appendix A, as referenced in the Plan Document, specifies certain expenses that are excluded under this Plan with respect to reimbursement from the **Health FSA** that is, expenses that are *not* reimbursable, even if such expenses meet the definition of “medical care” under Code §213(d) and may otherwise be reimbursable under the regulations governing health flexible spending accounts:

- Effective January 1, 2011, over-the-counter medications or drugs, unless the medicine or drug meets the requirements outlined in Appendix B.

- Long-term care services.
- Cosmetic surgery or other similar procedures, unless the surgery or procedure is necessary to ameliorate a deformity arising from, or directly related to, a congenital abnormality, a personal injury resulting from an accident or trauma, or a disfiguring disease. “Cosmetic surgery” means any procedure that is directed at improving the patient’s appearance and does not meaningfully promote the proper function of the body or prevent or treat illness or disease.

Refer to Appendix B for rules governing the payment or reimbursement of over-the-counter medicine and drugs.

Appendix B
Over-the-Counter Medicine or Drugs and Debit Cards

This Appendix B applies only to the **Health FSA**.

Over-the-Counter Medicine or Drug Requirements for Reimbursement. Effective January 1, 2011, expenses incurred for medicines or drugs may be paid or reimbursed only if the medicine or drug:

- Requires a prescription;
- Is available without a prescription and the individual obtains a prescription; or
- Is insulin.

Prescription means a written or electronic order for a medicine or drug that meets the legal requirements of a prescription in the state in which the medical expense is incurred and that is issued by an individual who is legally authorized to issue a prescription in that state.

The rules do not apply to items that are not medicines or drugs, including equipment such as crutches, supplies such as bandages, and diagnostic devices such as blood sugar test kits. Such items may qualify as medical care if they otherwise meet the definition of medical care in Section 213(d)(1), which includes expenses for the diagnosis, cure, mitigation, treatment, or prevention of disease, or for the purpose of affecting any structure or function of the body.

Monthly Limits on Reimbursing OTC Drugs. Only reasonable quantities of OTC medicines or drugs of the same kind may be reimbursed in a single calendar month (even assuming that the drug otherwise meets the requirements of this Section, including that it has been prescribed (unless it is insulin) and is for medical care under Code §213(d)). Stockpiling is not permitted.

Debit Cards. Health FSA debit cards may not be used to purchase OTC medicines or drugs on or after January 1, 2011 except as provided below:

- For all purchases made on or after January 16, 2011 of OTC medicine or drug purchases at all providers and merchants must be substantiated before reimbursement may be made. Substantiation is accomplished by submitting the prescription (or a copy of the prescription or other documentation that a prescription has been issued) for the over-the counter medicine or drug.

- **Health FSA** debit cards may be used at a pharmacy that does not have a SIGIS Inventory Information Approval System (IIAS) if 90 percent of the store's gross receipts during the prior taxable year consist of items, which qualify as expenses for medical care under Section 213(d). Debit cards may be used at a pharmacy that satisfies the 90-percent test to purchase OTC medicines or drugs that have been prescribed, provided that substantiation is properly submitted.

With the Approval of E Light Electric, Inc.

No Related Employers have adopted this Plan. E Light Electric, Inc. is the only employer participating in this Plan.

**Schedule A
Premium Only Plan**

Unless otherwise specified, terms capitalized in this Schedule A shall have the same meaning as the defined terms in the Plan Document to which this Schedule is attached.

A.1 Benefits

If the Employee is an enrolled participant in the Health Plan and timely submits an executed Salary Reduction Agreement, the Employee can either:

- Option A: Elect Benefits under the **POP** by electing to contribute his or her share for the Health Plan on a pre-tax basis; or
- Option B: Elect no Benefits under the **POP** and to contribute his or her share, if any, for the Health Plan with after-tax deductions outside of this Plan.

If the Employee is an enrolled participant in the Health Plan and does not timely submit an executed Salary Reduction Agreement, the Employee will be deemed to have elected Option A.

Benefits elected under Option A will be funded by the Participant's Contributions as provided in the Eligibility and Participation section in the Plan Document.

To determine when a Salary Reduction Agreement will be considered timely submitted, see the Method and Timing of Elections section in the Plan Document.

Unless an exception applies, as described in the Irrevocability of Elections and Exceptions section in the Plan Document, such election is irrevocable for the duration of the Period of Coverage to which it relates.

A.2 Benefit Contributions

The annual Contribution for the **POP** is equal to the amount as set by the Employer, which may or may not be the same amount charged under the Health Plan.

A.3 Medical Benefits Provided Under the Health Plan

Medical benefits will be provided by the Health Plan, not this Plan. The types and amounts of medical benefits, the requirements for participation, and other terms and conditions of coverage and benefits of the Health Plan are set forth in the documents relating to that plan. No changes can be made under this Plan with respect to such Health Plan if such changes are not permitted under the applicable Health Plan.

All claims to receive benefits under the Health Plan shall be subject to and governed by the terms and conditions of the Health Plan and the rules, regulations, policies and procedures adopted in accordance therewith, as may be amended from time to time.

A.4 COBRA

To the extent required by COBRA, the Participant, Spouse and Dependent, as applicable, whose coverage terminates under the Health Plan because of a COBRA qualifying event and who is a qualified beneficiary as defined under COBRA, shall be given the opportunity to continue the same coverage that the Participant, Spouse or Dependent had under the Health Plan the day before the qualifying event for the periods prescribed by COBRA, on a self-pay basis. Such continuation coverage shall be subject to all conditions and limitations under COBRA.

Schedule B Health Flexible Spending Account
--

Unless otherwise specified, terms capitalized in this Schedule B shall have the same meaning as the defined terms in the Plan Document to which this Schedule is attached.

B.1 Benefits

An Employee can elect to participate in the **Health FSA** by electing to receive Benefits in the form of reimbursements for Health Care Expenses. If elected, the Benefit Option will be funded by Participant Contributions on a pre-tax Salary Reduction basis as provided in the Employer and Participant Contributions section in the Plan Document.

Unless an exception applies as described in the Irrevocability of Elections and Exceptions section, such election is irrevocable for the duration of the Period of Coverage to which it relates.

B.2 Benefit Contributions

The annual Contribution for a Participant's **Health FSA** is equal to the annual Benefit amount elected by the Participant.

B.3 Eligible Health Care Expenses

Under the **Health FSA**, a Participant may receive reimbursement for Health Care Expenses incurred during the Period of Coverage for which an election is in force.

- **Incurred.** A Health Care Expense is incurred at the time the medical care or service giving rise to the expense is provided, and not when the Participant is formally billed for, is charged for, or pays for the medical care.
- **Health Care Expenses.** Health Care Expenses means expenses incurred by a Participant, or the Participant's Spouse or Dependent(s) covered under the **Health FSA** for medical care, as defined in Code §213(d), other than expenses that are excluded by this Plan, but only to the extent that the Participant or other person incurring the expense is not reimbursed through any other accident or health plan.
- **Expenses That Are Not Reimbursable.** Insurance premiums are not reimbursable from the **Health FSA**. Other expenses that are not reimbursable are listed in Appendix A to the Plan Document.
- **Change in Health FSA Benefits for Children Under Age 27.** As a result of a change to the Internal Revenue Code that was part of federal health care reform, a Participant in the **Health FSA** can now be reimbursed for otherwise-eligible Health Care Expenses incurred by a child through December 31 of the calendar year in which the child turns age 26, regardless of the child's residency, employment, financial dependence, student status, marital status, or status as a tax dependent. The change applies to expenses that are incurred on or after March 30, 2010 by a child as defined under the Dependent definition in the Glossary section of this document. Otherwise-reimbursable Health Care Expenses incurred by a child before that date will also

qualify for reimbursement if the child was the Participant's tax dependent for health coverage purposes when the expenses were incurred.

- **Change in Medical Insurance Benefits for Children Under Age 27.** As a result of the change to the Code discussed above, if the Participant has a child who is under age 27 as of the end of the calendar year and is currently receiving health coverage, income will not be imputed for the coverage beginning March 30, 2010.

If you have questions, please contact the Plan Administrator at E Light Electric, Inc..

B.4 Maximum and Minimum Benefits

- **Maximum Reimbursement Available; Uniform Coverage Rule.** The maximum dollar amount elected by the Participant for reimbursement of Health Care Expenses incurred during a Period of Coverage, reduced by prior reimbursements during the Period of Coverage, shall be available at all times during the Period of Coverage, regardless of the actual amounts credited to the Participant's **Health FSA**. Notwithstanding the foregoing, no reimbursements will be available for Health Care Expenses incurred after coverage under this Plan has terminated, unless the Participant has elected COBRA as provided below, or is entitled to submit expenses incurred during a Grace Period as provided below.

Payment shall be made to the Participant in cash as reimbursement for Health Care Expenses incurred during the Period of Coverage for which the Participant's election is effective, or during a Grace Period as provided below, provided that the other requirements of this Section have been satisfied.

- **Maximum and Minimum Dollar Limits.** The maximum annual benefit amount that a Participant may elect to receive under this Plan in the form of reimbursements for Health Care Expenses incurred in any Period of Coverage shall be \$2500. Reimbursements due for Health Care Expenses incurred by the Participant's Spouse or Dependent(s) shall be charged against the Participant's **Health FSA**. No minimum coverage for the plan.
- **Changes.** For subsequent Plan Years, the maximum and minimum dollar limit may be changed by the Plan Administrator and shall be communicated to Employees through the Salary Reduction Agreement or another document.
- **No Proration.** If a Participant enters the Plan mid-year or wishes to increase his or her election mid-year as permitted under this Plan, then the Participant may elect coverage or increase coverage respectively, up to the maximum annual benefit amount stated above. The maximum annual benefit amount will not be prorated.
- **Effect on Maximum Benefits If Election Change Permitted.** Any change in an election affecting annual Contributions to the **Health FSA** will also change the maximum reimbursement benefits for the balance of the Period of Coverage commencing on the election change effective date. Such maximum reimbursement benefits for the balance of the Period of Coverage shall be calculated by adding:
 - The aggregate Contribution for the period prior to such election change; to

- The total Contribution for the remainder of such Period of Coverage to the **Health FSA**; reduced by
- All reimbursements made during the entire Period of Coverage.
- **FMLA Leave.** Any change in an election for FMLA leave will change the maximum reimbursement benefits in accordance with FMLA or the regulations governing cafeteria plans.

B.5 Establishment of Account

The Plan Administrator will establish and maintain a **Health FSA** with respect to each Participant who has elected to participate in the **Health FSA**, but will not create a separate fund or otherwise segregate assets for this purpose. The account established hereto will merely be a record keeping account with the purpose of keeping track of Contributions and determining forfeitures.

- **Crediting of Accounts.** A Participant's **Health FSA** will be credited following each Salary Reduction actually made during each Period of Coverage with an amount equal to the Salary Reduction actually made.
- **Debiting of Accounts.** A Participant's **Health FSA** will be debited during each Period of Coverage for any reimbursement of Health Care Expenses incurred during the Period of Coverage, or during a Grace Period described below.
- **Available Amount Not Based on Credited Amount.** The amount available for reimbursement of Health Care Expenses is the amount as calculated according to the "Maximum Reimbursement Available" paragraph of this Section above. It is not based on the amount credited to the **Health FSA** at a particular point in time.

B.6 Use It or Lose It Rule; Forfeiture Of Account Balance

- **Use It or Lose It Rule.** Except for expenses incurred during an applicable Grace Period, if any balance remains in the Participant's **Health FSA** for a Period of Coverage after all reimbursements have been made for the Period of Coverage, then such balance shall not be carried over to reimburse the Participant for Health Care Expenses incurred during a subsequent Plan Year. The Participant shall forfeit all rights with respect to such balance.
- **Use of Forfeitures.** All forfeitures under this Plan shall be used as follows:
 - First, to offset any losses experienced by Employer during the Plan Year as a result of making reimbursements with respect to any Participant in excess of the Contributions paid by such Participant through Salary Reductions;
 - Second, to reduce the cost of administering the **Health FSA** during the Plan Year or the subsequent Plan Year; and
 - Third, to provide increased Benefits or compensation to all Participants in subsequent years in any weighted or uniform fashion that the Plan Administrator deems appropriate, consistent with prevailing IRS guidance.

- **Unclaimed Benefits.** Benefit payments that remain unclaimed by the close of the Plan Year following the Period of Coverage in which the Health Care Expense was incurred shall be forfeited and applied as described above.

B.7 Grace Period

If the Employer has checked this box, the Employer has opted to allow a Grace Period subject to the provisions below.

- **Special Rules for Claims Incurred During a Grace Period.** The Employer has the discretion to establish a grace period following the end of the Plan Year, as follows:
 - The Grace Period shall begin immediately following the end of the Plan Year and terminate on the 15th day of the third calendar month after the end of the Plan Year.
 - An individual may be reimbursed for Health Care Expenses incurred during a Grace Period from amounts remaining in his or her **Health FSA** Account at the end of the Plan Year to which that Grace Period relates (“Prior Plan Year **Health FSA** Amounts”) if the individual is either:
 - A Participant with **Health FSA** coverage that is in effect on the last day of that Plan Year; or
 - A qualified beneficiary as defined under COBRA who has COBRA coverage under the **Health FSA** Benefit Option on the last day of that Plan Year.
 - Prior Plan Year **Health FSA** Amounts may not be cashed out or converted to any other taxable or non-taxable Benefit Option. For example, Prior Plan Year **Health FSA** Amounts may not be used to reimburse Dependent Care Expenses.
 - Health Care Expenses incurred during a Grace Period and approved for reimbursement will be reimbursed first from any available Prior Plan Year **Health FSA** Amounts and then from any amounts that are available to reimburse expenses that are incurred during the current Plan Year. If the **Health FSA** is accessible by an electronic payment card (e.g., debit card, credit card, or similar arrangement), Health Care Expenses incurred during the Grace Period may need to be submitted manually in order to be reimbursed from Prior Plan Year **Health FSA** Amounts if the card is unavailable for such reimbursement. An individual’s Prior Plan Year **Health FSA** Amounts will be debited for any reimbursement of Health Care Expenses incurred during the Grace Period that is made from such Prior Plan Year **Health FSA** Amounts.
 - Claims for reimbursement of Health Care Expenses incurred during a Grace Period must be submitted no later than 4 months following the close of the Plan Year to which the Grace Period relates in order to be reimbursed from Prior Plan Year **Health FSA** Amounts. Any Prior Plan Year **Health FSA** Amounts that remain after all reimbursements have been made for the Plan Year and its related Grace Period shall not be carried over to reimburse the Participant for expenses incurred in any subsequent period. The Participant will forfeit all rights with respect to these amounts, which will be subject to the Plan's provisions regarding forfeitures.

- If the **Health FSA** includes a grace period provision, the cost of OTC medicines and drugs purchased without a prescription during the grace period in 2011 will not be eligible to be reimbursed by a **Health FSA**.

Refer to Appendix B for rules governing the payment or reimbursement of OTC medicine and drugs.

B.8 Reimbursement Procedure

- **Timing.** Within 30 days after receipt of a reimbursement claim from a Participant, the Employer will reimburse the Participant for the Participant's Health Care Expenses, or Select125 will notify the Participant that a claim has been denied. This time period may be extended for an additional 15 days for matters beyond the control of Select125, including in cases where a reimbursement claim is incomplete. Select125 will provide written notice of any extension, including the reasons for the extension, and will allow the Participant 45 days from receipt of the written notice in which to complete an incomplete reimbursement claim.
- **Claims Substantiation.** A Participant who has elected to receive Health Care Reimbursement Benefits for a Period of Coverage may apply for reimbursement by submitting a claim to Select125 within 90 days of the Period of Coverage, setting forth:
 - The person or persons on whose behalf Health Care Expenses have been incurred;
 - The nature and date of the expenses incurred;
 - The amount of the requested reimbursement;
 - The name of the person, organization or entity to whom the Expense was or is to be paid;
 - A statement that such expenses have not otherwise been reimbursed and the Participant will not seek reimbursement through any other source; and
 - Other such details about the expenses that may be requested by Select125 in the reimbursement request form or otherwise.

The application shall be accompanied by bills, invoices, or other statements from an independent third party showing that the Health Care Expenses have been incurred and the amounts of such expenses, together with any additional documentation that Select125 may request. If the **Health FSA** is accessible by an electronic payment card (e.g., debit card, credit card, or similar arrangement), the Participant will be required to comply with substantiation procedures established by Select125 in accordance with the prevailing IRS guidance.

- **Claims Denied.** For appeal of claims that are denied, see the Appeals Procedure in the Plan Document.
- **Claims Ordering; No Reprocessing.** All claims for reimbursement will be paid in the order in which they are approved. Once paid, a claim will not be reprocessed or otherwise recharacterized solely for the purpose of paying it from amounts attributable to a different Plan Year or Period of Coverage.

B.9 Reimbursements After Termination; Limited COBRA Continuation

The Participant will not be able to receive reimbursements for Health Care Expenses incurred after participation terminates. However, except for expenses incurred during an appropriate Grace Period, such Participant, or the Participant's estate, may claim reimbursement for any Health Care Expenses incurred during the Period of Coverage prior to termination, provided that the Participant, or the Participant's estate, files a claim within 90 days of the Period of Coverage.

Health FSA expenses are reimbursed up to the full amount of the Participant's annual coverage. If the Participant terminates employment and has been reimbursed for more than the amount the Participant contributed to the **Health FSA**, the Participant does not need to repay the overspent amount.

Notwithstanding any provision to the contrary in this Plan, to the extent required by COBRA, a Participant and such Participant's Spouse and Dependent(s), whose coverage terminates under the **Health FSA** because of a COBRA qualifying event, shall be given the opportunity to continue the same coverage that the Participant had under the **Health FSA** the day before the qualifying event, subject to all conditions and limitations under COBRA. The Contributions for such continuation coverage will be equal to the cost of providing the same coverage to an active employee taking into account all costs incurred by the Employee and the Employer plus a 2% administration fee. Specifically, an individual will be eligible for COBRA continuation coverage only if the Participant's remaining available amount is greater than the Participant's remaining Contribution payments at the time of the qualifying event, taking into account all claims submitted before the date of the qualifying event. Such individual will be notified if the individual is eligible for COBRA continuation coverage.

If COBRA is elected, COBRA coverage will be subject to the most current COBRA rules. COBRA will be available only for the remainder of the Plan Year in which the qualifying event occurs. Such COBRA coverage for the **Health FSA** will cease at the end of the Plan Year, except for expenses incurred during an appropriate Grace Period, and cannot be continued for the next Plan Year. Coverage may terminate sooner if the Contributions for a Period of Coverage are not received by the due date established by the Plan Administrator for that Period of Coverage. Continuation coverage is only granted after the Plan Administrator has received the Contributions for that period of coverage.

Contributions for coverage for **Health FSA** Benefits may be paid on a pre-tax basis for current Employees receiving taxable compensation but may not be prepaid from Contributions in one Plan Year to provide coverage that extends into a subsequent Plan Year, where COBRA coverage arises either:

- Because the Employee ceases to be eligible because of a reduction of hours; or
- Because the Employee's Dependent ceases to satisfy the eligibility requirements for coverage.

For all other individuals, Contributions for COBRA coverage for **Health FSA** Benefits shall be paid on an after-tax basis, unless permitted otherwise by the Plan Administrator, but may not be prepaid from Contributions in one Plan Year to provide coverage that extends into a subsequent Plan Year.

B.10 Qualified Reservist Distribution

If a Participant meets all of the following conditions, the Participant may elect to receive a qualified reservist distribution from the **Health FSA**:

- The Participant's Contributions to the **Health FSA** for the Plan Year as of the date the qualified reservist distribution is requested exceeds the reimbursements the Participant has received from the **Health FSA** for the Plan Year as of that date.
- The Participant is ordered or called to active military duty for a period of at least 180 days or for an indefinite period by reason of being a member of the Army National Guard of the United States, the Army Reserve, the Navy Reserve, the Marine Corps Reserve, the Air National Guard of the United States, the Air Force Reserve, the Coast Guard Reserve, or the Reserve Corps of the Public Health Service.
- The Participant has provided the Plan Administrator with a copy of the order or call to active duty. An order or call to active duty of less than 180 days' duration must be supplemented by subsequent calls or orders to reach a total of 180 or more days.
- The Participant is ordered or called to active military duty on or after April 1, 2009, or the Participant's period of active duty begins before April 1, 2009 and continues on or after the date.
- During the period beginning on the date of the Participant's order or call to active duty and ending on the last day of the Plan Year during which the order or call occurred, the Participant submits a qualified reservist distribution election form to the Plan Administrator.

Amount of Qualified Reservist Distribution. If the above conditions are met, the Participant will receive a distribution from the **Health FSA** equal to the Participant's Contributions to the **Health FSA** for the Plan Year as of the date of the distribution request, minus any reimbursements received for the Plan Year as of that date.

No Reimbursement for Expenses Incurred After Distribution Request. Once a Participant requests a qualified reservist distribution, the Participant forfeits the right to receive reimbursements for Health Care Expenses incurred during the period that begins on the date of the distribution request and ends on the last day of the Plan Year. The Participant may, however, continue to submit claims for Health Care Expenses that were incurred before the date of the distribution request (even if the claims are submitted after the date of the qualified reservist distribution), so long as the total dollar amount of the claims does not exceed the amount of the **Health FSA** election for the Plan Year, minus the sum of the qualified reservist distribution and the prior **Health FSA** reimbursements for the Plan Year.

Tax Treatment of a Qualified Reservist Distribution. If the Participant receives a qualified reservist distribution, it will be included in the Participant's gross income and will be reported as wages on the Participant's Form W-2 for the year in which it is paid.

B.11 Named Fiduciary

The Plan Administrator is the Named Fiduciary for the **Health FSA** for the purposes of ERISA §402(a).

B.12 Coordination of Benefits

Health FSAs are intended to pay Benefits solely for Health Care Expenses not previously reimbursed or reimbursable elsewhere. Accordingly, the **Health FSA** shall not be considered a group health plan for

coordination of benefits purposes, and the **Health FSA** shall not be taken into account when determining benefits payable under any other plan.

Schedule C
Dependent Care Assistance Plan

Unless otherwise specified, terms capitalized in this Schedule E shall have the same meaning as the defined terms in the Plan Document to which this Schedule is attached.

C.1 Benefits

An Employee can elect to participate in the **DCAP** to receive Benefits in the form of reimbursements for Dependent Care Expenses. If elected, the Benefit Option will be funded by the Participant on a pre-tax Salary Reduction basis. Unless an exception applies, as described in the Irrevocability of Elections and Exceptions section above, such election is irrevocable for the duration of the Period of Coverage to which it relates.

C.2 Benefit Contributions

The annual Contribution for a Participant's **DCAP** Benefits is equal to the annual Benefit amount elected by the Participant, subject to the Maximum Benefits paragraph below.

C.3 Eligible Dependent Care Expenses

Under the **DCAP**, a Participant may receive reimbursement for Dependent Care Expenses incurred during the Period of Coverage or Grace Period for which an election is in force.

- **Incurred.** A Dependent Care Expense is "incurred" at the time the Qualifying Dependent Care Service giving rise to the expense is provided, and not when the Participant is formally billed for, is charged for, or pays for the Qualifying Dependent Care Services.
- **Dependent Care Expenses.** Dependent Care Expenses means expenses that are considered to be:
 - Employment-related expenses under Code §21(b)(2) relating to expenses for the care of a Qualifying Individual necessary for gainful employment of the Employee and Spouse; and
 - Expenses for incidental household services, if incurred by the Employee to obtain Qualifying Dependent Care Services, but only to the extent that the Participant or other person incurring the expense is not reimbursed for the expense through any other Plan.

If only a portion of a Dependent Care Expense has been reimbursed elsewhere, the **DCAP** can reimburse the remaining portion of such Expense if it otherwise meets the requirements of this Schedule.

- **Qualifying Individual.** A Qualifying Individual is:
 - A tax dependent of the Participant as defined in Code §152 who is under the age of 13 and who is the Participant's qualifying child as defined in Code §152(a)(1);

- A tax dependent of the Participant as defined in Code §152, who is physically or mentally incapable of self-care and who has the same principal place of abode as the Participant for more than half of the year; or
- A Participant's Spouse, as defined in Code §152, who is physically or mentally incapable of self-care, and who has the same principal place of abode as the Participant for more than half of the year.

In the case of divorced or separated parents, a child shall be treated as a Qualifying Individual of the custodial parent within the meaning of Code §152(e).

- **Qualifying Dependent Care Services.** Qualifying Dependent Care Services means services that both:

- Relate to the care of a Qualifying Individual that enable the Participant and Spouse to remain gainfully employed after the date of participation in the **DCAP** and during the Period of Coverage; and
- Are performed:
 - In the Participant's home; or
 - Outside the Participant's home for:
 - The care of a Participant's Dependent who is under age 13; or
 - The care of any other Qualifying Individual who regularly spends at least 8 hours per day in the Participant's household.

In addition, if the expenses are incurred for services provided by a facility that provides care for more than 6 individuals not residing at the facility and that receives a fee, payment or grant for such services, then the facility must comply with all applicable state and local laws and regulations.

- **Exclusions.** Dependent Care Expenses do not include amounts paid to or for:

- An individual with respect to whom a personal exemption is allowable under Code §151(c) to a Participant or Participant's Spouse;
- A Participant's Spouse;
- A Participant's child, as defined in Code §152(f)(1), who is under 19 years of age at the end of the year in which the expenses were incurred; and
- A Participant's Spouse's child, as defined in Code §152(a)(i), who is under 19 years of age at the end of the year in which the expenses were incurred.

C.4 Maximum And Minimum Benefits

- **Maximum Reimbursement Available and Statutory Limits.** The maximum dollar amount elected by the Participant for reimbursement of Dependent Care Expenses incurred during a Period of Coverage shall only be available during the Period of Coverage to the extent of the actual amounts credited to the Participant's **DCAP**, less amounts debited to the Participant's **DCAP** pursuant to the Maximum Contribution paragraph below.

Payment shall be made to the Participant as reimbursement for Dependent Care Expenses incurred during the Period of Coverage for which the Participant's election is effective, provided that the other requirements of this Section have been satisfied.

No reimbursement otherwise due to a Participant hereunder shall be made to the extent that such reimbursement, when combined with the total amount of reimbursements made to date for the Plan Year, would exceed the year to date amount of Participant Contributions to the **DCAP** for the Period of Coverage or applicable statutory limit.

- **Maximum Dollar Limits.** The maximum dollar limit for a Participant is the smallest of the following amounts:
 - The Participant's Earned Income for the calendar year;
 - The Earned Income for the calendar year of the Participant's Spouse who:
 - Is not employed during a month in which the Participant incurs a Dependent Care Expense; and
 - Is either physically or mentally incapable of self-care or a Student shall be deemed to have Earned Income in the amount of \$250 per month per Qualifying Individual for whom the Participant incurs Dependent Care Expenses, up to a maximum amount of \$500 per month); or
 - \$5,000 for the calendar year, if:
 - The Participant is married and files a joint federal income tax return; or
 - The Participant is married, files a separate federal income tax return, and meets the following conditions:
 - The Participant maintains as his or her home a household that constitutes, for more than half of the taxable year, the principal abode of a Qualifying Individual;
 - The Participant furnishes over half of the cost of maintaining such household during the taxable year; and
 - During the last six months of the taxable year, the Participant's Spouse is not a member of such household; or
 - The Participant is single or is the head of the household for federal income tax purposes.

- \$2,500 for the calendar year if the Participant is married and resides with the Spouse, but files a separate federal income tax return.
- **Minimum Dollar Limits.** The minimum annual Benefit amount that a Participant may elect to receive under this Plan in the form of reimbursements for Dependent Care Expenses incurred in any Period of Coverage shall be \$0.
- **Changes.** For subsequent Plan Years, the maximum and minimum dollar limit may be changed by the Plan Administrator and shall be communicated to Employees through the Salary Reduction Agreement or another document.
- **No Proration.** If a Participant enters the Plan mid-year or wishes to increase his or her election mid-year as permitted under this Plan, then the Participant may elect coverage or increase coverage respectively, up to the maximum annual benefit amount stated above. The maximum annual benefit amount will not be prorated.
- **Effect on Maximum Benefits If Election Change Permitted.** Any change in an election affecting annual Contributions to the **DCAP** component will also change the maximum reimbursement Benefits for the balance of the Period of Coverage commencing with the election change effective date. Such maximum reimbursement Benefits for the balance of the Period of Coverage shall be calculated by adding:
 - The aggregate Contribution for the period prior to such election change; to
 - The total Contribution for the remainder of such Period of Coverage to the **DCAP**; reduced by
 - All reimbursements made during the entire Period of Coverage.

C.5 Establishment of Account

The Plan Administrator will establish and maintain a **DCAP** with respect to each Participant who has elected to participate in the **DCAP**, but will not create a separate fund or otherwise segregate assets for this purpose. The account so established will merely be a record keeping account with the purpose of keeping track of Contributions and determining forfeitures.

- **Crediting of Accounts.** A Participant's **DCAP** will be credited following each Salary Reduction actually made during each Period of Coverage with an amount equal to the Salary Reduction actually made.
- **Debiting of Accounts.** A Participant's **DCAP** will be debited during each Period of Coverage for any reimbursement of Dependent Care Expenses incurred during the Period of Coverage.
- **Available Amount is Based on Credited Amount.** The amount available for reimbursement of Dependent Care Expenses may not exceed the year-to-date amount credited to the Participant's **DCAP**, less any prior reimbursements. A Participant's **DCAP** may not have a negative balance during a Period of Coverage.

C.6 Unused Year End Balance

- Unused funds in a Participant's **DCAP** may not be used to reimburse another Benefit Option the Participant may have elected. For example, prior Plan Year DCAP amounts may not be used to reimburse health care expenses. The Grace Period shall begin immediately following the end of the Plan Year
- **Use It or Lose It Rule.** Except for expenses incurred in an applicable Grace Period, if any balance remains in the Participant's **DCAP** after all reimbursements have been made for the Period of Coverage, it shall not be carried over to reimburse the Participant for Dependent Care Expenses incurred during the subsequent Plan Year. The Participant shall forfeit all rights with respect to such balance.
- **Use of Forfeiture.** All forfeitures shall be used by the Plan in the following ways:
 - First, to offset any losses experienced by the Employer during the Plan Year as a result of making reimbursements with respect to all Participants in excess of the Contributions paid by such Participant through Salary Reduction;
 - Second, to reduce the cost of administering the **DCAP** during the Plan Year or the subsequent Plan Year (all such administrative costs shall be documented by the Plan Administrator); and
 - Third, to provide increased Benefits or Compensation to Participants in subsequent years in any weighted or uniform fashion the Plan Administrator deems appropriate, and consistent with prevailing IRS guidance.
- **Unclaimed Benefits.** Any **DCAP** Benefit payments that are unclaimed by the close of the Plan Year following the Period of Coverage or Grace Period in which the Dependent Care Expense was incurred shall be applied as described above.

C.7 Reimbursement Procedure

- **Timing.** Within 30 days after receipt by the Plan Administrator of a reimbursement claim from a Participant, the Employer will reimburse the Participant for the Participant's Dependent Care Expenses or the Plan Administrator will notify the Participant that a claim has been denied. This time period may be extended an additional 15 days for matters beyond the control of the Plan Administrator, including in cases where a reimbursement claim is incomplete. The Plan Administrator will provide written notice of any extension, including the reasons for the extension, and will allow the Participant 45 days from receipt of the written notice in which to complete an incomplete reimbursement claim.

- **Claims Substantiation.** A Participant who has elected to receive **DCAP** Benefits for a Period of Coverage may apply for reimbursement by completing, signing, and returning an application to the Plan Administrator by no later than the date set by the Plan Administrator each year, setting forth:
 - The person or persons on whose behalf Dependent Care Expenses have been incurred;
 - The nature and date of the expenses incurred;
 - The amount of the requested reimbursement;
 - The name of the person, organization or entity to whom the expense was or is to be paid;
 - A statement that such expenses have not otherwise been reimbursed and the Participant will not seek reimbursement through any other source;
 - The Participant's certification that he or she has no reason to believe that the reimbursement refunded, added to other reimbursements to date will exceed the limit herein; and
 - Other such details about the expenses that may be requested by the Plan Administrator.

The Participant shall include bills, invoices, or other statements from an independent third party showing that the Dependent Care Expenses have been incurred and the amounts of such expenses, together with any additional documentation that the Plan Administrator may request.

Claims Denied. For appeals of claims that are denied, see the Appeals Procedure in the Plan Document.

C.8 Reimbursements After Termination

If a Participant's employment terminates, the Participant may submit for reimbursement Dependent Care Expenses incurred after the date of termination up to the amount of the Participant's remaining DCAP Benefits. Participants have 90 days from the end of the plan year to submit claims for reimbursement and expense service dates need to be prior to the date of termination.

C.9 DCAP Participant vs. Claiming the Dependent Care Tax Credit

Employees often have the choice between participating in their employer's **DCAP** on a Salary Reduction basis or taking a Dependent Care Tax Credit under Code §21. Employees cannot take advantage of both tax benefit options. Employees with questions regarding which option is best should consult with an accountant.
