Vol MMXVXI No. 10 Bordentown Council 570, Knights of Columbus, Bordentown, April, 2018

Grand Knights Message:

Brothers, I wanted to wish everyone a Happy Easter. I hope that you get to spend some time with family and friends.

April begins our busiest time of the year. Here are the current projects that we are working on:

- **Mass for Deceased Brothers** – We will have our annual mass to remember the brothers who have been called home at the 9:30am mass on Sunday, April 15th at Sr. Mary's Church. Hope to see many of you there.
- **District Free Throw Competition** – We hosted our District competition on Sunday, March 4th. We had 11 of our kids move onto the Regional Competition, which is scheduled for Saturday, March 31st. Bob Sherrier will provide us an update at our next meeting.
- **College Scholarship Contest** – Jim Morgan will once again be chairing this event. The applications and information can be found on our Facebook page, the St. Mary's website and in the Rectory. The deadline for the application is Friday, May 4th. Jim and his group of volunteers will be evaluating the essays after that before announcing winners in mid-June.
- **Breakfast with the Easter Bunny** – The breakfast with the Easter Bunny was the past Sunday, March 25th. Rob Pecht reported that the breakfast went well. I wanted to thank all brothers who were able to assist Rob this weekend.
- **Tootsie Roll Drive for Individuals with Disabilities** – Peter Darata is once again chairing this event, which is scheduled for April 20th to 22nd. Invitation were sent out via Signup Genius last month. If you did not receive an email and would like to help, please reach out to Pete directly at petedarata@gmail.com.
- **Annual Larry Hastings Memorial Golf Outing** – As the weather starts to heat up the vision of hitting the golf links appear. The date of this event is Friday, April 27th at Fountain Green golf course at Ft. Dix. As per usual, Greg White is chairing this event and is looking for help from non-golfing brothers to help with contests at the course that day. If you can help please reach out directly to Greg at pmagreg1@gmail.com.
- **Stick on Roses** – Bob Sherrier will be coordinating this event. He will be looking for volunteers to assist after all masses. More information will be discussed at our next meeting.
- For any brother who ordered a Knights of Columbus golf shirt. The golf shirts have been in for a while now. If you have not picked up your golf shirt yet, please

reach out to me via email rondo66w@gmail.com and we can coordinate a time that works.

We hosted the Bishop Ahr Assembly (4th degree) on Wednesday, March 14th. We had a few 4th degree brothers attend the meeting.

Finally, to continue to build on our traditions of Charity, Unity, Fraternity and Patriotism please keep speaking about the Knights with your friends and neighbors about joining. The more good men we have to continue to build our council the better.

Vivat Jesus,
Ron.

Only Having Insurance "Through Work" Doesn't Work

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It's very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there's a possibility that you (or your spouse) could change employers, or even lose your job.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having "through work" insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family's actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and provide a no-cost needs analysis, so you'll know exactly where you stand.
