### Key Advantages

- Lightweight
- Fire resistant
- Multi-levels of protection
- Corrosion-resistant
- Variable geometry
- Multiple applications
- Re-usable
- Easy to transport
- Very durable

### Applications

**Military Base Camp Protection**
- Rapidly deployable modular systems
- Tents, stand alone walls, containers
- Checkpoints

**Building Security**
- Government buildings
- Embassies, consulates
- Hotels, hospitals

**Infrastructure Security**
- Industrial parks
- Oil field refineries
- Utility lines
