Acknowledgements:

The following people have worked tirelessly to pull this resource together. In particular Sophie Seljan who compiled this document and Wendy McCarry who coordinated the work with the endless support of the staff and volunteers of the Bluestack Special Needs Foundation CLG.

Huge thanks also to Anne Timony Meehan, from the Children and Young Persons Services Committee for her dedication, insight and commitment to supporting this project and lastly to each of the contributors.

As promised, the second edition has been enhanced by the inclusion of a range of additional information pieces and the inclusion of new organisations/services. Thus this edition can show an increase in the range quality of supports offered to people living with additional needs and their families. We intend to continue to update this resource electronically on a six monthly basis with the written version reprinted, subject to funding, annually.

This document is available on the websites of associated organisations within CYPSC Donegal and on the Bluestack Special Needs Foundation Website. If you would like to be included in follow up editions of this booklet please contact info@bluestackfoundation.com or call 0749740828 for information.

We hope people with disabilities, parents, guardians, carers and professionals will find this document useful.

I would like to recognize and thank my fellow Directors, Staff, Volunteers and Members of the Bluestack Special Needs Foundation for their work, dedication and inspiration for this document.

Siobhan Taylor
Chairperson, Bluestack Special Needs Foundation CLG
Foreword

The *Directory of Disability Services in County Donegal* was launched by Dr. Brona Byrne, Queens University Belfast at the Donegal CYPSC Seminar ‘Re-imagining Disability, from accepting Diversity to True Inclusion’, October 2018.

This 2nd enhanced Edition is more comprehensive as more organisations have contributed and the content has been updated. This Directory was compiled by the Bluestack Special Needs Foundation in collaboration with Donegal CYPSC, in response to a need identified during community consultations held to inform the Donegal Children & Young People’s Plan 2018-2020. The need to support children & young people with physical, sensory and or intellectual disability and their families, was highlighted by statutory and community & voluntary organisations across County Donegal. This Directory aims to improve access to and awareness of the supports and services available.

Donegal CYPSC encourages local statutory, community and voluntary organisations to think creatively to improve access to their services and supports for this cohort of children & young people. We hope this Directory will make it a little easier for Children & Young people with disabilities and their families to find and engage with available services and supports in their area.

**Gerry Hone**
Area Manager Tusla
Chairperson Donegal Children and Young People's Services Committee
The Department of Children and Youth Affairs established the Children and Young People’s Services Committees in 2007 as a key structure by Government to plan and co-ordinate services for children and young people, aged 0 – 24 years, in every county in Ireland.

CYPSC bring together a diverse group of agencies across the statutory, community and voluntary sectors in local county areas to engage in joint planning of services for children and young people. All major organisations and agencies working locally on behalf of children and young people are represented. These committees work to improve the lives of children, young people and families at local and community level through integrated planning and improved service delivery. Better Outcomes, Brighter Futures: the National Policy Framework for Children and Young People 2014 – 2020 underscores the necessity of interagency working and tasks Children and Young People’s Services Committees with a key role in this regard.

All CYPSCs work towards the five National Outcomes for children and young people in Ireland, which are that children & young people:

- Are active & healthy, with positive physical and mental wellbeing
- Are achieving full potential in all areas of learning and development
- Are safe and protected from harm
- Have economic security and opportunity
- Are connected, respected and contributing to their world.
Donegal Children and Young People’s Services Committee

The central purpose of the Donegal Children and Young People’s Services Committee (CYPSC) is to provide strategic direction and leadership to ensure effective interagency co-ordination and collaboration to achieve the best outcomes for all children and young people in County Donegal. Donegal CYPSC acts as the structure whereby services can work together in a systematic manner to achieve shared goals and which bridge national policy with local provision. Donegal CYPSC is the key vehicle for interagency working for children and young people in the age range 0-24 year (inclusive), reflecting the different developmental phases and associated needs and challenges of each stage of childhood, youth and extending into early adulthood.

A focus on re-generation of Donegal CYPSC since 2017 has had success and there are over 100 individuals representing 50 local organisations, agencies and Community and Voluntary groups actively participating in Donegal CYPSC. Donegal CYPSC has sought to support overarching initiatives which impact on how services work with children, young people and their families. As a key interagency structure, Donegal CYPSC provided the foundation on which innovative projects like the ‘Jigsaw’ model of community based youth mental health support have been successfully established in the County. Donegal CYPSC also provided the collaborative interagency approach to advance the rollout of the Local Area Pathways and Meitheal model to support children, young people and their families. Donegal CYPSC representatives were also actively involved in the development of the Local Community Development Committee (LCDC) led, Local Economic and Community Plan (LECP) to ensure that Donegal CYPSC priorities were included.

Consultation with children and young people is fundamental to Donegal CYPSC and an integral part of the development of the Children and Young
People’s Plan (CYPP). This is manifested through co-operative work with Donegal Youth Council and additional activities undertaken by Donegal CYPSC and its members for example Youth Surveys and Consultation activities, the Youth Advisory Panels incorporated in Jigsaw Donegal and Donegal Youth Services and Foroige projects.

CYPSC Donegal promotes inclusion for children and young people with a disability and their parents and engages in awareness raising activities across CYPSC. Addressing health inequalities and ensuring that programmes delivered in partnership with CYPSC organisations consider the impact of the programme on the health inequality gap is also a key focus for CYPSC Donegal.
The **Bluestack Special Needs Foundation CLG** is a registered charity and a Company Limited by Guarantee which was set up in 2006 by the Bluestack Challenge Walk Committee.

The Bluestack Challenge Walk had originated when a local family had a child with special needs, they quickly realised how hard it is to fight for access to services and supports. They decided in 2002 that for the dad’s 40th birthday they would do a fundraiser for people with special needs rather than have a party. They decided they would try to get 40 friends to walk 40 Kilometres and raise €40,000 for people with special needs. Thus the Bluestack Challenge was born.

The Bluestack Challenge committee originally dispersed all funds received to other groups working with children with special needs, to date over €600,000 has been allocated to groups around County Donegal to help with Comfort Funds, Equipment, and Access to Private Services etc. However, despite this, access to services in a timely manner, particularly early intervention services continues to be difficult for many families.

In 2006 the Bluestack Special Needs Foundation was established to provide direct supports to people themselves and direct supports to their families and carers.

The Bluestack Special Needs Foundation receives minimal core funding from governmental sources. They are reliant on the generous donations of the local community and indeed the general public who kindly take it upon themselves to fundraise on their behalf.

The Bluestack Special Needs Foundation has as its core aim to “Enhance the Lives of People with Additional Needs”. Working with families who may struggle with inclusion in to mainstream activities, supports and services. They fundamentally offer practical advice, emotional support
and a range of programmes for all children and young people of all abilities.

The Foundation building in The Glebe, Donegal Town, (opposite the Abbey Vocational School) has an open door policy, a warm welcome where the kettle is always on. This is a community facility. We openly welcome anyone who would like to call in for a chat, find out what goes on in here or just sit and have a cup of coffee while looking out at the beautiful Donegal Bay.

“The Bluestack Special Needs Foundation recognises that the supports we offer are only a drop in the ocean relative to the supports so desperately needed by families. But those supports have a ripple effect and they are working.

With your support we can continue to influence the general discourse on inclusion, empower people living with a disability to self-advocate and express their needs and most importantly continue to be that beacon of hope offering relevant, timely and practical responses to the expressed needs of our members.” Wendy McCarry, Manager.

Access and Inclusion Model (AIM) in Early Childhood Care and Education (ECCE)

AIM supports a child-centred model, involving seven levels of progressive support, moving from universal to the targeted, based on the needs of the child and the pre-school provider. Additional targeted supports could take the form of expert early childhood care and educational advice and mentoring (level 4), specialised equipment, appliances and minor alterations (level 5), therapeutic supports (level 6) or additional capitation to fund extra assistance in the ECCE pre-school room (level 7).

How to apply:
Where it is considered that your child needs additional support, your pre-school service provider can apply, in partnership with you, for targeted supports under AIM.

Special needs education

Mainstream classes: Many children with disabilities or special needs are in mainstream classes in mainstream schools. They may get help from learning support and resource teachers and care support from special needs assistants (SNAs).

Special classes in mainstream schools: Some children attend special classes in mainstream schools. These classes generally have low pupil/teacher ratios.

Special schools: There are over 140 special schools catering for particular types of disability and special needs. Among them are: special schools for students who have a general learning disability at a mild or moderate level;
schools for visually impaired and hearing impaired students; a few schools for students with physical disabilities etc.

How to apply:
Through the Special Educational Needs Organisers. **SENOs** are the point of contact for parents/guardians and schools.

**Special Transport Arrangements**

Special transport arrangements including escorts and safety harnesses are available for children with disabilities attending school.

How to apply:
You should apply to the school principal who will contact the school’s Special Educational Needs Organiser (SENO) in relation to applying for special transport. If the SENO is satisfied that your child is enrolled in the nearest suitable school, and that school transport is required, a recommendation will be sent to the School Transport Section of the Department of Education and Skills.

**Visiting Teachers Service**

Visiting teachers aim to be a support to both the parents or guardian and the child. The support service can begin shortly following the birth of the child and continue through primary and post-primary education where appropriate. In addition, the teachers provide a teaching service for the pre-school child in the home if considered necessary.

How to apply:
By referrals of the:
- Parents/guardians-Schools
- The Health Service Executive audiological and ophthalmology services
- National Council for Special Education

**Additional Supports in primary school**

This may include supports for hearing impairment, speech and language disorder, visual impairment, moderate general learning disabilities and autistic spectrum disorders.
How to apply:
If your child has special educational needs you should talk to the school principal about the type of education that would suit your child's needs. You can also discuss with your local Special Educational Needs Organiser what learning supports or additional resources may be available.

**Post-Primary School**

Post-primary students with special educational needs may attend a mainstream post-primary school. They may be in mainstream classes with the support of a learning support/resource teacher and/or the care support of a special needs assistant or may be in a special class. Post-primary school supports include grants for assistive technology.

How to apply:
If your child has special educational needs you should talk to the school principal about what learning supports are available in the school. If you need advice about a post-primary school which could meet your child's needs you should contact your local Special Educational Needs Organiser.

**Disability Access Route to Education (DARE)**

This programme is for people who wish to engage in third level education but can provide evidence that their disability has affected their educational performance significantly while in second level.

You can find details of the places available through DARE on the websites of the participating third-level colleges.

How to apply:
You apply for DARE through the Central Applications Office (CAO) A reduced point place means that you may get a place on a third-level course with fewer than the full CAO points. However, you must meet the college matriculation requirements and any specific course entry requirements. You may also then qualify for extra college based access supports depending on which college you apply to.
Educational Supports for Students with Disabilities at third level

The Association for Higher Education Access and Disability (AHEAD) is a voluntary organisation that promotes the participation of students with disabilities in third-level education.

*How to apply:* Through AHEAD website

EMPLOYMENT SUPPORTS FOR PEOPLE WITH DISABILITIES

Rehabilitative training

This training is not linked to the labour force. Responsibility for the delivery of these services rests with the Health Service Executive (HSE). Rehabilitative training focuses on the development of life skills, social skills and basic work skills with the objective of enhancing the trainee's quality of life and general work capacity.

*How to apply:*
The HSE has appointed Directors of Disability Services who are responsible, among other things, for the delivery of rehabilitative training services. The HSE has teams of guidance counsellors who offer information, advice and guidance on HSE training and sheltered work services. Refer to the HSE website for further information.

Sheltered work

Sheltered work gives people with disabilities the opportunity to take part in daily work in a sheltered setting where they receive personal support services. Trainees may produce goods that have a commercial value.

*How to apply:*
Rehabilitative training and sheltered work is provided largely in accredited training centres that are run by the HSE or by service providers contracted by the HSE and in designated sheltered workshops.
HEALTH SERVICES

Assessment of need for people with disabilities

The assessment of need is carried out or arranged by Assessment Officers who are independent officers of the Health Service Executive (HSE). After the assessment, a Service Statement is drawn up by a Liaison Officer (sometimes referred to as a Case Manager).

How to apply:
You must apply to the HSE in writing using the Application Form for Assessment of Need under Disability Act 2005 (pdf). The HSE must acknowledge your application within 14 days. This acknowledgement must tell you the date on which the assessment will start.

Medical card

A medical card entitles you to a range of health services free of charge, including GP services and public hospital services. Medical Cards are given to people who are eligible because of their income or personal circumstances. If Domiciliary Care Allowance is being paid for a child, they can get a medical card without an income test.

How to apply:
You can apply online for a medical card on medicalcard.ie. Alternatively, you can download a medical card application form www.hse.ie. You can also get the application form and a list of participating GPs from your Local Health Centre or Local Health Office for your area.

Community care services

Community care services can include public health nursing, home help, physiotherapy, occupational therapy, chiropody, day care and respite care.

How to apply:
To find out more about what is available locally by asking your Local Health Office, Citizens information Centre or GP for your area.
Home help services

Home helps may be employed either by the HSE or by voluntary organisations. They usually help with normal household tasks although they may also help with personal care. If you get a home help, you may have to make a contribution towards the cost, but this practice varies greatly from area to area.

*How to apply:*
To find out more about what is available locally by asking your Local Health Office, Citizens information Centre or GP for your area.

Respite care

Respite care or temporary care may be based in the community or in an institution. In practice, respite care is provided to a varying degree at a number of locations around the country – in some cases by HSE and in others by voluntary organisations.

*How to apply:*
To find out more about what is available locally by asking your Local Health Office, Citizens information Centre or GP for your area.

Day centres

Day centres include centres that provide day activities such as recreational, sport and leisure facilities and specialised clinic facilities that provide a combination of medical and vocational rehabilitation services. Day centres are provided on a variable basis throughout the country, some being funded by the HSE and others funded by voluntary organisations. Day centres providing medical care are less widely available and are funded by the HSE.

*How to apply:*
Access to day centres is by referral and the eligibility conditions vary from area to area with means tests applying in some cases.
**Occupational therapist**

Occupational therapy services are designed to help people who have a disability (physical, psychological or social) to achieve the maximum degree of independence in ordinary living.

*How to apply:*
You may apply directly to your Local Health Office for the services of an occupational therapist, but it is more usual for you to be referred by a public health nurse, family doctor (GP) or hospital. To find a private occupational therapist contact the Association of Occupational Therapists of Ireland or consult the database on its website.

**DISABILITY RELATED PAYMENTS**

**Domiciliary Care Allowance**

DCA is a monthly payment for a child aged under 16 with a severe disability, who requires ongoing care and attention, substantially over and above the care and attention usually required by a child of the same age. It is not means tested.

*How to apply:*
To apply, fill in a Domiciliary Care Allowance form (www.welfare.ie). You can also get an application form by texting “FORM DCA” followed by your name and address to 51909 (standard text rates apply) or by dropping into your Intreo Centre or Social Welfare Branch Office or local Citizens Information Service.

**Invalidity pension**

Invalidity pension is a weekly payment to people who cannot work because of a long-term illness or disability and are covered by social insurance (PRSI)

*How to apply:*
To apply fill in an Invalidity Pension application form (INV1). You can also get a form from your Intreo Centre or Social Welfare Branch Office. You may qualify for Supplementary Welfare Allowance while you are waiting for your claim to be processed.
**Disability Allowance**

Disability Allowance is a weekly allowance paid to people with a disability. You can get Disability Allowance from 16 years of age. If you are in education when you turn 16, you can continue to attend school.

If you qualify for Disability Allowance you may also get extra social welfare benefits with your payment and other supplementary welfare payments.

**How to apply:**
You can get an application form for Disability Allowance from the Disability Allowance Section (pdf). You can also get an application form in your Intreo Centre or Social Welfare Branch Office.

**Blind Welfare Allowance**

You may qualify for Blind Welfare Allowance if you are getting Blind Pension from the Department of Employment Affairs and Social Protection, or are getting an income maintenance payment from the Department of Employment Affairs and Social Protection, or an equivalent type social security payment from another country, and have a certificate of visual impairment from an ophthalmologist, or have an income below the combined Blind Pension rate and Blind Welfare Allowance rate and have a certificate of visual impairment from an ophthalmic surgeon.

**How to apply:**
To qualify for Blind Welfare Allowance, your vision must have "best vision equal to or less than 6/60 in the better eye or if the field of vision is limited, the widest diameter of vision subtending an angle of not greater than 20 degrees".

Apply to your Local Health Office for the Blind Welfare Allowance.

**Carer’s Allowance**

Carer's Allowance is a payment to people on low incomes who are looking after a person who needs support because of age, disability or illness (including mental illness).
If you qualify for Carer's Allowance you may also qualify for free household benefits (if you are living with the person you are caring for) and a Free Travel Pass. Carer's Allowance is not taken into account in the assessment for a medical card.

**How to apply:**
You should apply for Carer's Allowance as soon as possible. To apply, fill in an application form for Carer's Allowance (CR1) which is available from your Intreo Centre, Social Welfare Branch Office or Citizens Information Centre. The form includes a medical report which must be signed by the person you are caring for and by their doctor. A Checklist is also included in the form which you should use to review your application before sending it in.

### Carer's Benefit

Carer's Benefit is a payment made to insured people who leave the workforce to care for a person(s) in need of full-time care and attention. You can get Carer's Benefit for a total period of 104 weeks for each person being cared for.

**How to apply:**
To apply fill in an application form for Carer's Benefit. This form (CARB1) is also available from your local Intreo Centre or Social Welfare Branch Office or from the Carer's Benefit Section.

### Carer's Support Grant (former Respite Care)

Respite care may involve providing alternative family or institutional care for a person with a disability in order to enable the carer to take a short break, a holiday or a rest. It can cover very short-term respite, for example, a carer for an evening, or a much longer arrangement for a holiday. Schemes of respite care are sometimes called 'Breakaway' or 'Friendship' schemes.

**How to apply:**
If you are getting Carer's Allowance, Carer's Benefit or Domiciliary Care Allowance, you do not need to apply for the Carer's Support Grant. It will be automatically paid to you in June. If you are not getting one of the above payments, you should fill in an application form CSG 1 in respect of each person you are caring for.
**Employability Service**

If you have a disability and wish to take up paid employment or you require assistance in finding a job, the EmployAbility Service (formerly the Supported Employment Service) may be able to help you. It provides people with disabilities with supports to help them access employment. The supports are provided by sponsor organisations on behalf of the Department of Employment Affairs and Social Protection – see ‘Sponsor organisations’ below.

*How to apply:*
Contact your local Intreo Centre or Social Welfare Branch Office. You can also contact your local EmployAbility Service directly.

**Employment grants and supports**

The Department of Employment Affairs and Social Protection funds a range of employment supports aimed at helping employees with a disability to gain and retain employment. Under the Reasonable Accommodation Fund there is the
- Job Interview Interpreter Grant,
- Personal Reader Grant,
- Employee Retention Grant Scheme
- Workplace Equipment/Adaptation Grant.
Other supports for employers include the Wage Subsidy Scheme and the Disability Awareness Training Support Scheme.

*How to apply:*
You should register with your local Intreo centre or Social Welfare Branch Office and apply for the EmployAbility Service and express your interest in the Service. You can read more information in our document’s ‘Working with a disability’ section. For Donegal please see Page 61, under Employment Response North West

**HOUSING**

**Housing Adaptation Grant for People with a Disability**

The grant can help you to make changes and adaptations to your home, for example, making it wheelchair-accessible, extending it to create more space,
adding a ground-floor bathroom or toilet or a stair-lift. In some cases, the provision of heating can be included, but only under certain conditions.

**How to apply:**
Download an application form from your local authority’s website or ask for one to be posted to you. The form contains detailed information on the scheme’s conditions and a checklist of documents that you must include.

**TRAVEL**

**Free Travel Card**

Everyone aged 66 and over, legally resident and living permanently in the State, is entitled to the Free Travel Scheme. People with disabilities aged under 66 may also qualify.

**How to apply:**
If you are under age 66 and have confirmed your identity through the SAFE registration process, you will get a Free Travel Card automatically when you are awarded an Invalidity Pension, a Blind Pension, Disability Allowance or Carer’s Allowance. If you have not SAFE registered, you will be requested to do so before your Free Travel Card issues to you.

**Mobility training for people with visual impairments**

Mobility training helps to develop skills required to move around safely in the environment. Some people with vision impairments have enough residual vision to move around independently. Other people may require a mobility aid such as a long cane which will help the person to find a safe way in front of them. Training may involve advising a person with low vision on how to use their residual vision to move around more safely. It may also involve more in-depth training in how to use a mobility aid such as a white cane or a guide dog.

**How to apply:**
If you ring the head office of the NCBI they will give you contact details for your local community resource worker. The community resource worker will then refer you to your local mobility specialist. The local mobility specialist will call out to consult on types of training and routes you would like to learn.
You can apply to Irish Guide Dogs for the Blind yourself or through your family doctor or GP. The Irish Guide Dogs for the Blind will supply you with an information pack and an application form. The application form needs to be returned to the Irish Guide Dogs for the Blind along with a medical report from your doctor confirming your vision impairment. A qualified instructor will then visit your home to discuss the types of training available.

**Tax relief for drivers and passengers with disabilities**

Scheme provides a range of tax reliefs linked to the purchase and use of specially constructed or adapted vehicles by drivers and passengers with a disability.

*How to apply:*
You can find further information on the tax relief scheme on the Revenue Commissioners' website.

**Disabled Person's Parking Card**

Disabled Person's Parking Permits or Cards are available to people living in Ireland with certain disabilities and those who are registered blind, whether they are drivers or passengers. It can be used by a disabled person in any vehicle in which he or she is travelling. This means that a disabled person who is being driven at different times by different people can bring the parking card with himself or herself and display it in the appropriate vehicle. The parking card is valid for 2 years from date of issue.

*How to apply:*
You can request an application form online from the Disabled Drivers Association or write to the Irish Wheelchair Association, enclosing a stamped self-addressed envelope. In your letter you should give details about your disability and how it affects your mobility. The application form must be completed and certified by your doctor and must be countersigned by a Garda.

**Motorised Transport Grant**

This is a means-tested HSE payment for people with disabilities who need to buy a car in order to retain employment. This payment is also for people with disabilities who need to have a car or other vehicle adapted in order to enable them to drive and, as a result, earn a living.
**How to apply:**
In 2013, the Department of Health announced that the Motorised Transport Grant scheme was closed to new applicants. An alternative scheme is being devised to replace it. This alternative scheme will be called the Transport Support Scheme. However you may get help and advice on car adaptations from: Irish Wheelchair Association or from the Disabled Drivers Association.

**Disabled Drivers and Disabled Passengers**

If you qualify for tax relief under the Disabled Drivers and Disabled Passengers scheme you are also eligible for a fuel grant, exemption from toll road fees, or you can apply for remission of VRT.

**How to apply:**
To apply, download and complete Form DD1 from www.revenue.ie. This application form is also available from the Central Repayments Office.

**Tax relief on new vehicles**

Whether you are a driver or a passenger with disabilities, you can claim tax relief on
- a new vehicle
- a used vehicle that has not been previously registered in the state.

**How to apply:**
To apply, download and complete Form DD1 from www.revenue.ie. This application form is also available from the Central Repayments Office.

**INCOME TAX CREDITS AND RELIEF**

**Incapacitated Child Tax Credit**

Parents/guardians of a permanently incapacitated child may be able to claim the Incapacitated Child Tax Credit. For details please see www.revenue.ie. Complete forms ICC1/ICC2 and have certified by child’s doctor. You can claim online via Revenue’s myAccount service.
**Tax reliefs for people with a visual impairment**

If you have certain visual impairments, you may claim a reduction in the amount of tax that you are required to pay. To apply, fill in a claim form for the Blind Person’s Tax Credit and Guide Dog Allowance.

**Dependent Relative Tax Credit**

A tax credit that parents/guardians and people caring for dependent relatives may qualify for. For details please see www.revenue.ie

**Home Carer Tax Credit**

Married couples or civil partners may be entitled to claim this credit if one spouse or civil partner works in the home caring for a dependent person. Applications for the Home Carer Tax Credit should be made to Revenue.

Donegal Intellectual Disability Services seek to enable each individual with an intellectual disability / autism to achieve his / her full potential and maximize independence including living as independently as possible. The services are needs-led, person-centred and underpinned by the principle of equity.

A key element of these services is the promotion of independence, citizenship and inclusion for people with disabilities. Services are needs-led, and delivered using a person-centred approach and underpinned by the principle of equity.

Services are staffed by qualified nursing and care staff supported by other professionals i.e. General Practitioners, Consultant Psychiatrist, Psychologist, Occupational Therapist, Speech & Language Therapist and Community Dietician.

*Services provided:*
- Specialist Preschool, Ballaghderg, Letterkenny
- Preschool Inclusion Team, South Donegal
- Designated respite Services in Inisowen, Letterkenny, Stranorlar & Mountcharles
- Residential & Community group Homes throughout Co. Donegal
- Adult Day Services throughout Donegal
- ASD Therapist
- ASD Home support for children 6 – 18 years
- Home Support Packages
How to refer into the organisation?
Referrals made to the Donegal intellectual Referral Committee which meet bi-monthly. Referral forms are available from all service locations.

Opening Hours:
ID Office Letterkenny: Monday - Friday 09:00 – 17:00
Website: www.hse.ie
Telephone: 0749104691
Email: jacintat.lyons@hse.ie

Child and Adolescent Mental Health Service

The Child and Adolescent Mental Health Service provides specialist child and adolescent mental health assessment and treatment to children and young people up to the age of 18 and their families who are experiencing a range of moderate to severe mental health problems. It consists of two Consultant-led multi-disciplinary teams.

A range of therapeutic assessments and interventions are provided including behavioural modification, dialectical behaviour therapy, cognitive behaviour therapy, play therapy, EMDR, family therapy, medication, school interventions among others, hospital liaison, liaison and consultation with other services.

How to refer into the organisation?
The service only accepts referrals from GPs and other HSE professionals.

Address:
Letterkenny Office - 1st Floor, Park House, Rossan College Complex, Ballyraine,
Donegal Town office - HSE Ardeskin House, Old Laghey Road, Donegal Town and Ard Nua, Donegal District Hospital Campus,

Opening Hours: 9am -5pm Monday to Friday
Website: www.hse.ie
Telephone: Letterkenny office - 074 9120340
            Donegal Town office - 074 9724200
Counselling in Primary Care (CIPC)

The provision of short term counselling in primary care settings to medical card holders aged 18 years and over by professionally qualified and accredited Counsellor/Therapists who work under the supervision of the HSE National Counselling Service

*Services provided:*
Each individual referral will be assessed for appropriateness for CIPC Service

*How to refer into the organisation?*
A written referral using the standard referral form can be made by GP or other members of the Primary Care Team with the GP’s knowledge

*Other important information:*
The person must be aged 18 years or over, on the GMS list and wants help with problems that are appropriate for time limited counselling at a Primary Care Level.

CIPC is not a crisis intervention service and such individuals should be referred to other appropriate services

*Opening Hours:* 9:00am till 5:00pm
*Website:* https://www.hse.ie/eng/services/list/4/mental-health-services/counsellingpc/
*Telephone:* 074 9167250
Physical and Sensory Disability

The aim of the organisation is to provide support for children with Physical & Sensory disability via Children’s Keyworker post.

Services provided:
The Children’s Keyworker provides support to children with Physical & Sensory disability both in terms of support to the child accessing services to allow them to overcome the barriers of their disability so that they are included in their family, community and educational setting.

Donegal Mental Health and addiction Services

The aim of the organisation is to provide a comprehensive Tier 3 treatment service to people affected by substance misuse and their families.

Services provided:
If people who present with an addiction related disorder have additional needs they will be offered the same service, however our service may need to acquire the support of a sign language facilitator or any additional resources to support treatment.

How to refer into the organisation? By GP or Consultant Psychiatrist
Opening Hours: 9am-5pm
Telephone: 074 91 28769
Donegal Early Intervention Team

Our Mission Statement
The Early Intervention Team (EIT) aims to provide a high quality interdisciplinary service tailored to the individual needs of the child with complex developmental needs under 6 years. We aim to work in partnership with the child's family/guardians on their journey through assessment, diagnosis and intervention to enable each child to reach their potential.

The Team
Donegal Early Intervention Team consists of a Community Facilitator, an Occupational Therapist, a Physiotherapist, a Speech and Language Therapist, a Psychologist, a Social Worker, a Social Care worker, Administrative support and a Team Manager. We work closely with other services to best support each child's development and address their needs - Consultant Paediatricians, Autism Therapist, Public Health Nurse & Specialist Preschools etc.

What we do
We are interdisciplinary teams of therapy professionals within the wider community services. We provide assessment and therapy services for children under 6 years with complex developmental delay and special needs and who are resident in Co. Donegal. We aim to work with the child and family in a flexible, integrated, co-ordinated manner. By working with you in partnership, we aim to help your child develop to the best of their ability.

Who can be referred to the Donegal Early Intervention Team?
We see children up to their sixth birthday, who are resident in Donegal and whose needs (or potential needs) require three or more of the four core Donegal Early Intervention Team therapies on an on-going basis.(i.e. Occupational Therapist, a Physiotherapist, a Clinical Psychologist, a Speech and Language Therapist) . Any health professional can refer a child to Early Intervention Services. All referrals must have parent / guardian consent.

Referral forms are available by contacting any of the Early Intervention Teams in your area:
EIT Letterkenny & East Donegal
Tel: 0749197127
Address: Level 1 Scally’s Place, Justice Walsh Road, Letterkenny Co. Donegal.
EIT South Donegal
Tel: 0749722997
Address: Cruagorm House, Water Street, Donegal Town, Co. Donegal
Community Facilitator for Disability 6-18yrs
HSE West

The C.F.D. provide ongoing support to families/carers of children who present with Physical, Sensory or Intellectual Disability from 6-18yrs or until they leave school. The service is home based and aims to assist and support parents/carers with the developmental needs of their child.

Services offered:
Practical and emotional support to parents/carers
Liaisons with other relevant professionals
Offering support and guidance at transitional periods, i.e. moving from primary to secondary school and on to Adult Services.

How to refer into the organisation?
Referrals can come directly from parents by calling the contact number below. All health or educational professionals can also refer with parental consent.

Opening Hours: Tuesday –Thursdays 9.30-5.30pm

Telephone: 074 93 63326  Mobile: 086 4122618
Email: ruth.vance@hse.ie
Pre-schools and Schools for Children with Special Needs

Information can be found on the Citizens Information Service website, www.citizensinformation.ie, regarding pre-school childcare. It gives details of the Access and Inclusion Model (AIM) which was introduced in June 2016. There is an AIM website, www.aim.gov.ie, which gives information for parents and frequently asked questions on supports available to them.

The Donegal County Childcare Committee, will also be able to give information and guidance in relation to AIM. On their website, www.donegalchildcare.com, can be found DCCC How Can We Help You? Interactive Parents Poster, launched August 2018. This is a useful aid to help answer questions and get the necessary information required.

The Primary and Post Primary schools listed below all cater for Autism/Autistic Spectrum Disorders with some providing other special classes. These classes would cover:

- Severe/Profound Learning Disabilities
- Moderate General Learning Disabilities
- ASD Early Intervention
- Specific Speech & Language Difficulties

**SuperValu**

At SuperValu our ambition is to build more inclusive communities across Ireland. Our work with AsIAm and Middletown Centre for Autism has opened our eyes to what we can do to ensure we use our unique position in the heart of Irish towns to make positive changes across the entire community.

**Services we provide:**
- Silent hour/Autism friendly hour
  The shops providing dimmed lights, cut the music, and turn off any loudspeaker announcements during autism-friendly shopping times.
- The ALF trolley
  (autism life-skill friend) trolley was designed by Tony and Teresa O'Donovan from Togher. The aim of the trolley is to help make shopping as stress-free as possible for autistic children and their parents.
  The PEC sheet is a laminated A4 sheet that comes with your trolley, the PEC’s are images of various groceries that have a Velcro backing so the items can be attached to the A4 sheet. Once all PEC’s are off, the shopping is completed and gives a sense of achievement for the customer living with autism.

The Bluestack Special Needs Foundation has as its core aim to “Enhance the Lives of People with Additional Needs”. Working with families who have dependants with physical, sensory and intellectual, and mental health disabilities, regardless of whether the disability results in profound, moderate or mild additional needs. We also work with families who are pre-diagnosis but engaged in the assessment of needs process.

The following are some of the services we offer:
- Listening Ear: a place where people can go, have a cup of coffee, offload their concerns and just be heard. A space where people are safe, are not judged, and are supported through the various life challenges that present when living with, or caring for someone living with, a disability.
- Low cost counselling
- Behaviour Therapy
- Play Therapy
- Outreach Respite service
- Information on disability relevant issues, provision of appropriate and relevant training for you, your family and associated carers
- Provision of accessible leisure activities including access to a range of social events and programmes
- Our events and activities include Teen Club, Bluestack Foundation Choir, Summer Camp, Trips, Saturday Club, After-School club, Jiving lessons etc.

Donegal ETB has responsibility for a range of statutory functions related to education, training, and youth work throughout the county of Donegal. The organisation embraces a holistic approach to learning, facilitating learners in realising their full potential through the provision of a comprehensive range of education and training services.

Donegal ETB programmes are provided through the fifteen post-primary schools and colleges, the Further Education and Training (FET) service, Gartan Outdoor Education and Training Centre, the Youth Service and the Music Partnership. Information on courses and programmes of study are available from Donegal ETB’s website. Specialised Training Programmes are also provided by its FET Service to address the identified training needs of people with disabilities and who may be experiencing exclusion and labour market disadvantage. These programmes aim to provide learner-focused training and related services to assist learners to achieve a nationally recognised qualification, in order to aid progression to further training and/or education and employment. Information on these programmes is also available on the Donegal ETB website.

Donegal Travellers Project

The overall aim of this project is to achieve full equality and social, political, economic and human rights for Travelers and Roma as distinct ethnic minority groups in Ireland.

Donegal Travellers Project works in many specific areas including community development, health including positive mental health, Roma work, early years and adult education, youth work, information and advocacy, accommodation and anti-racism and Intercultural work.

Within this work, Donegal Travellers Project Primary Health Care (PHC) team funded by the HSE provides a service in Co. Donegal for members of the Traveller Community (including Children, Youth people and adults) with additional physical, sensory, intellectual and mental health needs.

At DTP and under the PHCT we provide individual one-to-one support on a weekly basis through walk and talks, positive mental health initiatives and
events including delivering of programmes for isolated vulnerable adults and young people.

The project creates the conditions to improve mental health outcomes for Travellers by working and referring on to relevant statutory agencies and services including the HSE, Tulsa, GP’s, Public Health Nurse for Travellers, counselling services and other community services including the women’s centre and Involve.

Donegal Youth Service

Donegal Youth Service aims to offer young people opportunities to learn and develop through youth work processes in a safe and enjoyable way.

All young people are encouraged and supported to realise their potential and play a part as valued members of society. Young Carers Groups are running in Buncrana, Letterkenny and Donegal Town. For more information please see www.youngcarers.ie. for more information (Find relevant info on pg.65)

As an integrated and inclusive youth service all our projects can provide a service for people with additional physical, sensory, intellectual or mental health needs. Our website will give a comprehensive overview of everything we have on offer. For example, we facilitate a range of summer programme activities which a number of young people with additional physical, sensory, intellectual or mental health needs have participated in. Furthermore, staff are willing to build bespoke programmes on a needs led basis or provide one to one supports.

*How to refer into the organisation?*

We have a formal referral process for organisations. Parents and young people can also self-refer. For details contact any member of staff.

Grow In Ireland
(North West Region)

Grow’s mission is to nurture mental health, personal growth, prevention and full recovery from all kinds of mental illness.

Grow is a national community based organisation providing support and education around emotional and mental wellbeing. Our 12 Step Recovery Program provides effective peer support, motivation and empowerment to enable you to take action to change your circumstances. With over 120 community based support groups there is a group near you.

Services provided:
• Deliver, support and maintain GROW’s Program of “Recovery” (weekly group meetings)
• Group Organisers and Recorders training.
• Run residential Respite Weekends to assist those needing respite, - in particular family members, carers and those suffering with mental-illness.
• Providing training internally and externally in the promotion of better Mental Health and personal development, for GROW members
• Community outreach projects and publicity aimed at overcoming the stigma of Mental-illness, and offering information and prevention of mental-illness.
• Develop relationships and partnerships with others working in Community and Mental Health.

How to refer into the organisation?
To join Grow you do not need any introduction or referrals. Our meetings are free, open to all, anonymous and confidential.

Twitter: #inishowendevdevelopmentpartnership
Inishowen Family Action Network (IFAN) was set up in 2007 in response to research commissioned by the HSE and carried out with Families, Parents and Children and with agencies and organisations which support them in Inishowen. The feedback from that consultation resulted in a more joined up collaborative approach which was critically needed to support families in all spheres of their lives. All agreed that a mix of universal and targeted interventions were needed, with a responsive and preventative focus on offering advice and support as and when it is needed. Families are at the centre with a rights based approach. Hosted by IDP, its aim is

“To create an environment for a joined up and integrated approach to supporting parents, carers, children and young people living in Inishowen”

This network is open to support agencies/services for everyone including those with disabilities.

*How to refer into the organisation?*

Direct contact through IDP on 074 9362218 or through our webpage or social media accounts

*Opening Hours*  IDP’s opening hours are 9-5 Monday to Friday

Jigsaw Donegal

Jigsaw Donegal is a free and confidential one-to-one service for young people aged between 15 and 25 in Donegal. We support young people who experience mild-moderate mental health difficulties. We offer up to 8 sessions with one of our Jigsaw Clinicians. During the intervention a Jigsaw Clinician will support you to reflect on the challenges which may be faced by the young person but also explore their strengths. A young person set goals during their intervention based on what they would like to change to support good mental health. Depending on the young person we may support the young person to access other services which may be of help to them e.g. youth services, other mental health services. If you would like further information on what to expect please give us a call.

Jigsaw Donegal also offers training and support to communities to understand and support youth mental health through education, training and partnership working. Please contact the service for further information.

How to refer into the organisation?
You can phone, email or call into the service and a member of the team will offer you an appointment to see one of our team. We take referrals from young people, parents (for YP under 18), GPs, Schools, Youth services and other.

Address: Pearse Road, Letterkenny, Co. Donegal, F92 W654.

Lifestart Services CLG

Lifestart Services is a home based child development, and parent education programme offered universally to first time parents from pre-birth to the age of two. The programme is also adapted to offer a unique model of family support to families experiencing difficulty or with complex needs up until their child reaches 5 years of age if required.

Lifestart Services deliver support to many families of children with additional physical, sensory, intellectual or mental health needs. The overall vision of Lifestart is:

“To produce better child development outcomes by making available to parents’ evidence-based knowledge and information on how young children develop and learn”.

How to refer into the organisation?
Any service both statutory and voluntary working with parents and their children (up to 5 years of age) can refer to Lifestart Services. Also if a parent wishes to contact Lifestart Services they can make a self-referral and Lifestart Services will inform the PHN with the parent’s permission.

Opening Hours: 9:00 to 17:00 Monday to Thursday, 9:00 to 13:30 Friday

Mevagh Family Resource Centre, Downings

The Family Resource Centre was established to combat disadvantage and our goal is to have ‘an inclusive, well informed, active and participating community, where the family unit is supported and safe and secure’ at the core of its work at all times. Since our foundation in 1998 we have established the centre as the area’s natural focal point by providing services and family support.

We have a Special Needs Support Group that meet’s monthly in Mevagh Family Resource Centre. The group is parent led, with parents from similar situations who can offer support, advice and signposting to other agencies/organisations in a confidential environment. There is the opportunity to participate in training to increase awareness as well as take part in therapeutic support.
How to refer into the organisation? It is self-referral, everyone is welcome. If you require additional information you can contact the Centre on the phone.

Opening Hours: Monday to Thursday 9am to 5pm, Friday 9am to 4pm.
Website: www.mevaghlrc.org  Telephone: 0749155055
Facebook: Mevagh Frc  Email: info@mevaghlrc.com
Twitter:@Mevagh_FRC

Mindful Children

Our aim is to teach Mindfulness to children and promote positive mental health in fun and creative ways.

Mindfulness for children is suitable for children aged 4 to early teens and classes can be adapted to suit children/teens with additional needs. For children with additional needs, we invite parents to join the classes so they can continue to use the skills they have learnt in the home environment.

Our classes introduce children to mindfulness through breathing techniques, meditation, stories, arts and crafts and discussion. Children will learn how to understand and manage feelings, develop self-confidence and calm and relax. We offer day time and evening classes.

How to refer into the organisation?
Referrals can be made by contacting Julie Voss by telephone, by email or through our Facebook page
Phone: 087 2860657

National Educational Psychological Service (NEPS)

NEPS is a school based service provided by the Department of Education and Skills. NEPS psychologists work with the whole school community and visit primary, post primary schools, special schools and special classes. NEPS psychologists work with teachers, parents and pupils to help all children develop to their potential.

Services provided:
Each NEPS psychologist is assigned a group of schools. We work in partnership with teachers, parents and pupils in identifying educational needs. We offer a range of services aimed at meeting these needs, for example, supporting individual students (through consultation and assessment), provide general advice and support to school staff, engage in special projects and research and we help schools cope when tragedies happen.

How to refer into the organisation?
All work is prioritised through the school Principal.
If you think your child needs to be seen by a NEPS psychologist:
• You need to begin by discussing your child’s needs with the class teacher and/or principal.
• Following this the principal can request their NEPS psychologist to become involved with your child’s case who helps the school to plan the work.
• If your school does not have a NEPS psychologist please talk to your principal about local arrangements.
• If your school arranges the involvement of NEPS there is no charge for this service.

Opening Hours: 9.00am - 5.00pm
Website: www.neps.ie
Telephone: 0761 108878
Email: sandra_callaghan@education.gov.ie
NCBI is the national sight loss organisation. We provide a wide range of services to people who are blind or vision impaired in Ireland.

*Our mission:*
“To enable people who are blind and vision impaired to overcome the barriers that impede their independence and participation in society”

We work with people of all ages; babies, children, working age adults and older adults who are blind or vision impaired.

NCBI provides practical and emotional support, rehabilitation services and other training to help people with sight loss to live independently. By contacting NCBI, you will have access to a wide range of services, including;

- A low vision assessment to assess your current level of vision and look for solutions to any difficulties you might be having,
- Practical solutions to dealing with sight loss to help make everyday life easier,
- Advice on magnification devices to help with reading,
- Emotional support or counselling,
- Guidance and training in the use of a wide range of technology solutions,
- Skills to help you get out and about safely and independently.

95% of the people who use are services have some useful vision and are not totally blind.

Pastoral Centre Letterkenny

The Pastoral centre provides a counselling service for children and young people from five years upwards. We also offer counselling for adults. In September each year we run a suicide program for people who have lost a loved one to suicide. We also have a bereavement program that begins in September each year. Both programs run for approximately 8-10 weeks on a fortnightly basis and attendance at each session is essential as it brings participants through a set program. We offer a drama project for teens through the schools which deals with confidence and self-esteem building. Further information can be found on our website or by contacting the centre directly.

We cater for all clients may they be with addition if counselling is deemed helpful to them in dealing with their circumstances. The centre also offers a range of other services which are posted on our website.

*How to refer into the organisation?*
Anyone interested in any of our programs can call the centre directly on 0749121853. A referral from other services is not necessary.

Special Education & Care

Special Education & Care provides opportunities for further development of all children attending the service by supporting children’s needs and ensuring a high standard of service at all times. The service is available for children from 18 months to 16 years and uses a variety of resources, materials and activities to meet their individual needs.

My ethos is to provide a service that is designed to the needs of all the children attending. This will include children who may have physical, sensory, intellectual or mental health needs. The objective and vision of the service is to cater for the needs of all children professionally and to celebrate children’s differences and individuality and encourage equality.

How to refer into the organisation? At present parents can contact me directly but have been referred through their General Practitioner or educational setting also (i.e. Preschool, Primary or Secondary School).

The mission of the service is to provide a quality one-to-one education and care service. Where suitable I will communicate with parents and other professionals accordingly so to meet the needs of all children attending.

Opening Hours: Monday -Friday; 8:30am- 6:00pm (Late/ Weekend appointments also available when booked in advance).

‘Something Special’ Support Group

The ‘Something Special’ Support Group is a group which supports the needs of parents or guardians of a child with Autism Spectrum Disorder; delayed Communication; and Intellectual Disability, Physical Disability and/or Sensory Disability. The support group is based in Raphoe and is supported by Raphoe Family Resource Centre.

Isolation is a problem for all parents and it is never felt more keenly than when a parent feels his or her child is different. The parents, in partnership with Raphoe Family Resource Centre, have established a positive family focused group which work together to provide better support, activities and information in the pursuit of happy children and supported families.

The main aim of the group is to bring parents in similar situations together to talk, support one another, share information and build friendships. All meetings and discussions taking place are treated as highly confidential.

*Services provided:*
The support group meet on the second Tuesday of every month in Raphoe Family Resource Centre at 8pm. Although based in Raphoe, the group support parents from surrounding area which have a need within their family. At the support meetings parents get an opportunity to discuss issues they feel impact upon their child’s life and the family unit, in a confidential environment with other parents in similar situations, who understand and can offer advice, support and signposting to other statutory, voluntary and community agencies and organisations.

Throughout the year the group provide activities and programmes for children and their siblings such as a Summer Programmes (through July and August), daytrips/outings and play workshops. The parents also organise information and therapeutic sessions for their own needs and self-help.

*How to refer into the organisation?*
