

FREQUENTLY ASKED QUESTIONS

What is your Interim Financing?

Since the Town will have zero cash on Day 1 until about Mid-October when both sales tax and property tax revenue starts arriving, the Town will operate in skeleton mode for 4 months, expending minimal amounts. The projected need is \$250,000. The Town will approach some local banks who would like to be the Town banker, and get the loan from them. The loan would be repaid out of revenues before the end of the first fiscal year.
