

*Town of Denver*

## FREQUENTLY ASKED QUESTIONS

### **Can the Town control Schools?**

No, public schools are funded by the state and County, and municipalities have no say in how they're run, nor where they're located. The Town can try to reduce traffic issues. If DoT concurs, the Town could spend about \$350,000 to add a southbound turn lane and a part-time traffic light at the current charter school. DoT would manage the project with approved contractors.
