

FREQUENTLY ASKED QUESTIONS

What are the steps to incorporation?

The initial step is to submit a petition from 15% of registered voters within the proposed incorporated area. After formalizing the town charter and engaging with County Commission and Legislative representatives, a petition would be submitted to the North Carolina Joint Legislative Commission on Municipal Incorporations. Pending approval, a voter referendum would be required unless signatures greater than 50% of registered voters are obtained. If the voter referendum passes, incorporation would move to the North Carolina General Assembly for final approval.
