

FREQUENTLY ASKED QUESTIONS

Why not provide additional services that the County now provides?

The Town of Denver does not intend to try to fix what isn't broken. Generally, people are happy with the current Sheriff's department and the fire departments. If there is sufficient demand, Denver could provide additional funds to the Sheriff's Office or Fire Departments to get more deputies or fire services assigned to the area. This is routinely done in other counties. These are examples of possibly augmenting County services.
