

WBRA Sponsorship for 2018

Washington Barrel Racing Association

To Whom it may concern,

The 2018 Barrel Racing season is quickly approaching and we hope you will join us in support of Washington's largest and most competitive barrel racing association.

The WBRA is an independent non-profit organization that takes great pride in providing a fun and competitive barrel racing forum with one hundred percent of the profits going back to our members. WBRA was established in 1959 by a group of ladies striving to bring their favorite sport of barrel racing to the world of rodeo. These ladies worked with the rodeo associations and are solely responsible for introducing barrel racing to all of the professional and amateur rodeos in the state of Washington.

Since then the membership has grown to well over one hundred members. WBRA is co-approved with all of the Semi pro rodeos in the state of Washington as well as hosting some of the largest barrel races throughout the year. The WBRA season is year around and barrel races and rodeos are spread all the way across the state. Our members travel with the equine partners around the state to compete against some of the nation's top horses and riders.

Your support for the 2017 WBRA season provides amazing advertising opportunities for your business. Your business will be highly visible at WBRA events throughout the year and publicized on our website which reaches over 4,000 views weekly. Your support will help to provide year-end awards for the top competitors in the state. I have included a packet detailing different levels of advertisement opportunities available to you.

WBRA and I sincerely thank you for your consideration,

Isabelle Schwager
