

Grace Montessori School Field Day Scholarship Fundraiser

The parents of Grace Montessori School have held a fundraiser each year for the past twenty years to help the school to raise money for our scholarship fund. Since it was founded in 1992, the school has had an ongoing commitment to provide scholarships for 30 percent of our students who come from economically disadvantaged families and to improve the quality of life in downtown Allentown and the surrounding Lehigh Valley. Once a year we come together as a community in organizing this major fundraiser as a way of participating in the common mission and goals of our school and in an effort to show support for the school's purpose and values.

Diversity is an important aspect of Montessori programs that make them unique among educational experiences. The Montessori philosophy stresses respect for cultural, religious, ethnic, and racial diversity. Economic diversity too is crucial for children to experience in order for them to feel truly comfortable with others from all levels of our society.

Poverty's grip keeps children out of school, and the quality of education is as important as attending. Grace Montessori School's mission, philosophy and outstanding educational experience allow us, through our scholarship program, to make a vital difference in moving towards the accomplishment of these goals. We all have so much to be grateful for and so much to offer. Please become a sponsor of our event and join in our efforts to raise \$10,000 to help deserving children attend our school. It will impact their lives, and the life of our community, for the better.

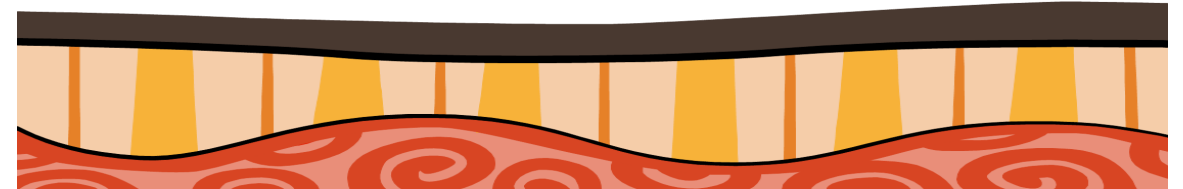

Grace Montessori School

Field Day Scholarship Fundraiser

An afternoon of Fun
and Games

*A great chance to promote
your products or services to
parents and other individuals
right here in Allentown while
making a difference in the
lives of children in our
community*
