Governance and Leadership

We have some changes in the club's governance and leadership. Please check the sidebar for a list of directors, officers, club chairs, and other members who participate in all the off-ice tasks for the organization. In order to take full advantage of freestyle sessions, please hold any club discussions off-ice. Thank you!

New Website!

WWW.SOFSC.ORG

A big shout out to Alyssa Radda, who took on the big task of bringing the website in-house. For many years, Zack Allot, Nancy Artoff's son, has been faithfully keeping up our website. We decided to give Zack a much-deserved break and take on the task ourselves. Thanks to Alyssa, on the new website you will be able to:

- View our club calendar
- Download latest forms for membership and all upcoming events
- Contact the club's email (sofscmail@gmail.com)
- Browse a list of our regular events and view photos of our fabulous skaters

US Figure Skating Compliance

USFS has instituted new rules for the protection of its members. Skaters and volunteers under 18 have no compliance tasks to complete. Adults who wish to volunteer closely with the skaters can contact Gina or Sara about requirements for compliance.

One of the results of this new USFS policy is stricter enforcement of club and locker room security.

Club Room Updated Rules: Please restrict access to the club room to members only. There is a list posted on the club room door with current members. We will be issuing a new door lock code. Please do not share this with anyone. Thank you!

Volunteer Opportunities

With all the upcoming club activities comes several opportunities to help. Here is where you are most needed:

- **Club Room:** We are always looking for everyone to pick up after themselves, but there are a few things that need to be done periodically. Sueann has posted a sheet in the club room for skaters to sign to assist with keeping this room clean and tidy.
- **Learn to Skate:** Ellen has asked us to set up a table in the lobby on Week 5 of each LTS session to answer questions about figure skating and to advertise for our club. We are looking for volunteers to help with this. Again, there is a sign-up sheet in the club room with the specified dates needed for the LTS sessions starting in September.
