

2019 Application for U S Figure Skating Tests

Please use Entryezee to register for test sessions. Go to <http://comp.entryeeze.com/Membership/Welcome.aspx?cid=125>. At the top left of the screen, click on the blue box that says "non-member" registration. (Do not set up or log into your Entryezee account, even if you have one.) Continue on to input the skater's information, test requested. Payment methods are similar to most e-commerce sites. If you use this preferred method you do not need to contact the Test Chair or send an application by mail. Notices and schedules will go out via email to the registered skater and their coach. For figure tests contact the club's test chair. Once the application deadline has passed there are **NO REFUNDS** unless the skater cannot be accommodated on a selected test session.

Skaters over 18 years old that are partnering skaters under 18 in dance or pairs must pass a USFS background check. Enter that data into Entry-eeze with your application. Some test fees have increased by \$5 to cover increased costs of running test sessions.

Most test sessions will be limited to 2 hours, except those at Sherwood Ice Arena which are typically run on Monday mornings. If there isn't adequate time to schedule all requested tests the later applicants will be bumped to the next local test session. The test chair will e-mail the applicant and coach notifying them of the change. That applicant will have scheduling priority on the later test session. They do not need to re-apply for the test. If the applicant has an issue with that test session they may request any later test session or request a refund.

Notice: USFS membership is renewed annually and runs from July 1st of each year to June 30th of the following year. To be eligible to test after June 30, 2019 you must renew your USFS membership for the 2019-2020 year.
