## Skater Code of Conduct

---

As a member of our club, all skaters must adhere to this Code of Conduct at all times.

### General Guidelines:

The Southern Oregon Figure Skating Club (SOFSC) is committed to creating a safe and positive environment for members' physical, emotional and social development and ensuring that it promotes an environment free of misconduct. This Skater Code of Conduct has been established to ensure the safety of all members using our ice to ensure quality practice time for all home club, associate, non-members and guests who purchase ice from the club and who participate in all club-related activities.

1. All skaters, regardless of whether they hold home club, associate, non-member or guest status, must follow and uphold the provisions in this Skater Code of Conduct regarding behavior on and off the ice. All club members are expected to exhibit good sportsmanship and be courteous toward their fellow skaters, coaches, parents/guardians of skaters, U.S. Figure Skating officials and guests.
2. SOFSC is committed to promoting a positive and friendly environment for all skaters. Remember 'The Golden Rule' — treat other people like you want to be treated — with respect.

### Ice Etiquette and Safety:

1. While in lesson or practice, it is the skater's responsibility to always be conscientious and aware of other skaters around them.
2. Skaters must skate with the flow of other skaters and familiarize themselves with the most commonly

used areas for jumps and spins.

3. The only time a skater has the SOLE right of way is when they are skating their program to music. When you hear another member's music, please extend that person the courtesy and move out of their path momentarily. This only takes a moment and you will enjoy the same courtesy while you are performing your program.

4. Advanced skaters are expected to exhibit patience toward beginner members of the club. Remember, you were an inexperienced skater once, and it takes time for our future generation to advance to the point where they are completely comfortable skating with all levels of skaters.

Unsafe or discourteous behavior of any kind will not be tolerated.

## **SOFSC Club Room Rules**

---

The Southern Oregon Figure Skating Club has been graciously granted use of this room at the RRINK for the following club purposes:

Board of Director's Meetings

A place to store your skates and change into them.

A place to store club records

A place to store club supplies

Various club social activities

A place to rest, relax and visit with other members, space permitting.

Our club is the only one in the state of Oregon that has exclusive use of a room at their home rink. We really appreciate the RRRink's generosity for extending this benefit to us and do not want to give them any reason to change their mind. In order to avoid abuse of this privilege, we expect our members to respect the following rules:

Access to the club room is gained by entering a numerical code, in order to keep it secure. This code is given to members only and is not to be shared with anyone that is not a member, including family and friends. We ask that you not bring anyone in with you that is a non-member, unless it is a parent/guardian of a skater under 18. There will be times that there are exceptions, only by permission of a board member. There are shelves and spaces under the chairs to store your skate bags. Please put bags back on shelves and under chairs when you are not in the room. This includes the time you are out on the ice. Our club is growing and it is hard to move around in the room when everybody leaves their things out. Clutter is a safety issue.

No food or drinks in the room. You may have a bottle of water with a safety lid on it. There will be

exceptions to this rule, during board meetings and special functions, by permission of the SOFSC Board of Directors.

Please clean up after yourself. Any loose items found will be placed in a lost and found box. Any unclaimed items will be disposed of from time to time.

There is no waste basket in the club room. Please put all trash in the rink's cans. Every club member is responsible to help keep this room clean and tidy.

Supplies, record files, and printer are to be accessed only by board members, officers, and committee members for club business only.

I have read this and agree to abide by the rules.

**56. Skater(s) or parent/guardian: I have read and agree to abide by the rules for the SOFSC club room. \***

*Check all that apply.*

I understand that checking this box signifies my agreement to the aforementioned statement and signifies my electronic signature agreeing to the statement.
