Do you still need to earn your High School Diploma? Crossroads Academy has three programs to help you achieve your High School Diploma.

- ❖ If you could not graduate with your class due to not passing the STAAR or TAKS test, we offer the Study Skills Program. Colleges DO NOT ask for test results prior to entering. The Skills Study Program is \$600.00. You may pay \$250.00 for the deposit to begin, and the remaining \$350.00 is due by May 8th. Save \$100.00 by paying in full when enrolling. This payment option is \$500.00. We accept cash, money order, cashier's check or credit/debit cards for payment.
- ❖ If you are 16 years of age, have quit school, and would like to return to earn your high school diploma; we offer the Adult Education Program. The fee for this is \$750.00 and is due in full at the time of enrollment. This does include a cap and gown for graduation. We accept cash, money order, cashier's check or credit/debit cards for payment.
- ❖ If you are 17+ years of age (NO maximum age limit) who has quit school and would like to return to earn your high school diploma; we offer the Adult Education Program. This program is \$600.00. You may pay \$250.00 for the deposit to begin, and the remaining \$350.00 is due by May 8th. Save \$100.00 by paying in full when enrolling. This payment option is \$500.00. We accept cash, money order, cashier's check or credit/debit cards for payment.
- ❖ Participation in graduation is MANDATORY for ages 16-21. This is NOT an option. There is an administration fee of \$500 for deciding not to participate in graduation. No diplomas, grades, results or transcripts will be released or transferred until all fees are paid in full, processed and funded.
