

A Christmas Carol in Live Music Radio

We are scheduled to take the student body to see a live music radio production of A Christmas Carol on December 11th. This is for all grade levels; as well as faculty. We are asking that each student dresses nicely (church or dressy attire) for this trip. They will be watching a live performance. Ms. Priscilla will be going over the story of A Christmas Carol with all of the students before this trip; to familiarize them with the play and theater etiquette. Each student will need to bring \$7 for their ticket. This money is due by December 9th. We will be taking buses to and from this trip. All student body is required to ride on the provided transportation. We will leave the school at 9:30 am and return after the performance. There are snacks for \$2 and water for \$1; the kids can purchase during intermission. We should be back on campus for lunch time.

Please note whether your student can attend this performance and return to the office –
