Jeff Marks, OTR/L, Director

November 2019

To My Colleagues:

I'm writing to let you know of some changes ahead at PlaySteps for Developing Kids. As of December 31, I will be passing along ownership of the clinic to one of our very capable and experienced therapists, Theresa Baumert, M.S., OTR/L. I will remain at the clinic myself, but in a reduced capacity, as I look forward to spending more time with my growing family. Little is changing other than the directorship, and I will continue doing the things that I love: working directly with children, assisting with assessments and consulting with the other therapists. The excellent care and treatment you have come to expect from PlaySteps will not change. Please feel free to call Theresa or me with any questions you may have about this transition. We'll plan to have a clinic open house later to foster the fruitful collaboration we've had in the past.

Sincerely yours,

Jeff Marks
Jeff Marks, OTR/L

Hello to all of our valued partners,

For those of you who don't know me, I've had the privilege of working with Jeff at Playsteps for over a year now and have worked as an Occupational Therapist for over 20 years, focusing on Pediatrics since 2007. I look forward to continuing the great tradition of care and service that Barbara Fourt first established and that Jeff has continued these many years. I hope to meet with all of you in the new year and to collaborate in our mission to support the potential of all children. We welcome your input and invite you to come see us at the clinic anytime. I can be reached at PlaySteps either by phone (650) 323-0805 or email theresa@play-steps.com.

Thank you for your continued partnership and support,

Theresa Baumert
