Check the facts, follow the truth,
The truth is perfect knowledge and Law

THE SICKNESS OF THE MIND OF DARWIN BY PROOFS AND BY FACTS

The sickness of the mind of Darwin is spreading rapidly to most of the population of this earth and it is causing major catastrophe. Because Darwin's mind was governed by foolishness he couldn't discover the truth of the origin of man, therefore he lied to himself and he lied to the world because he said that man originated from physics only. Human beings are not only physics but it is physics and knowledge together (perfect knowledge)...Knowledge and physics together make the perfect personality... Knowledge produces technology not physics. So by fact, before technology, knowledge must have existed. The very first perfect knowledge that is what we call the true God and the true Creator of mankind.

It is a fact that mans body is the highest technology in the whole world. And the second fact is in order to discover technology we need the proper wisdom. Technology cannot be recognized by foolishness. That is why Darwin's foolishness could not recognize that mans body is the highest technology.

THE SICKNESS OF DARWIN STARTED WHEN HE DENIED HISTORY...

When someone denies history he proves to be a spiritually sick person. For someone to say Moses or Alexander the Great or Ceasar of Rome or even Jesus Christ etc. never existed, for sure they prove they are sick in their mind. Today we have a much bigger surprise and a much bigger catastrophe because most of the leaders of the world, most of the professors in universities, are sick in the head and at the same time they are worshipping their sickness and their own catastrophe. Those sick leaders and professors of the world are destroying our children because they are teaching them their foolishness and the biggest lie ever concerning their life, concerning the true origin of man. **THE HISTORY OF THE WORLD SAYS BEFORE CHRIST AND AFTER CHRIST...** Can anybody with a sound mind say that Jesus Christ never existed?? Only a sick and paranoid person can say no! Only people that are locked up in insane asylums can say no. So historically Christ exists and historically Jesus Christ proved the perfect education for the mind so we can govern our mind always with a perfect knowledge, including perfect communication among the human beings, perfect peace and happiness, second he proved Gods power, healed any sickness, raised up people from the dead, and also he himself was resurrected. **"IS ANYTHING WRONG WITH THAT" ???** Jesus proved perfect and everlasting life and you don't have to pay a penny for it. **"THIS FOR SURE IS THE BIGGEST OPPORTUNITY FOR EVERYONE"**

When we say we must accept Christ as our own savior, that is what we mean... to accept what Christ offered.... that is what Christ offers to the World (and to you that read these lines) perfect education, perfect law, and perfect and everlasting life. And if anyone including yourself does not accept Christ, you prove that your mind is governed by the wrong knowledge, the unjust, which is the spiritual sickness like Darwin had. But if you are a wise person, at this moment, you could be saved for ever, living with God always. By accepting Jesus Christ as your Lord and Saviour... **"So speak and say, Jesus Christ the Saviour of the world, I accept you as my Lord and Saviour with all my heart, please forgive me of all my sins, I repent, Thank you, amen..."** (please make more copies and give it to others, thanks...)
