

About Niko

Hello there! Firstly I want to give Almighty God all the glory, for without Him we would not even have this life to live. I love His glory and cannot wait to rest in it for eternity. My name is Joseph, and I am so thankful you have chosen of all the millions of books out there to read, this one. Your time is valuable so to spend it reading this is definitely special. The author of this eBook is Niko. He is my pastor and the one who helped me come to the Lord. Of all the people I have met, I cannot say there is anyone quite like him walking this earth. I'm not kidding nor exaggerating.

I remember the first day I met him. A couple of college buddies kept bugging me to go to their Bible study. After months of them asking I finally caved and decided to go. So I pulled up to this old, beaten up house off a main road, walked through the back door and met Niko. He stuck out his hand and said, "Hi, my name is Niko! I heard you accept Jesus!" I told him, "Yes, I am Catholic." Immediately his demeanor changed and he started yelling right to my face! His preaching was tough, so it caught me off guard to say the least. But the way he spoke, the way his broken English seemed to formulate sentences, for some strange reason the words had some kind of power. The power stuck in my soul immediately. I was mesmerized. He probably evangelized me for an hour and then handed me a Bible showing me verse by verse of what Jesus says to back up his points. I couldn't believe my eyes. All these years yet I had no clue this was the real Jesus, and these were the things He spoke.

Ever since then I came to the Lord, the fire has only grown, and we have been working together to glorify the Lord together. He truly has an anointing unlike anyone I have ever met. The way the Holy Spirit gives him revelations is amazing. This truly is the first of the nine gifts of the Spirit, wisdom, operating through a servant. He truly loves the Lord with every ounce of his being. He even was sick until death in the hospital, but that did not stop him from evangelizing every doctor and nurse that tended to him. Many souls got saved in that hospital. He literally evangelized people on his death bed. I have never seen that before in my life nor heard of anyone with that much fire, literally until their last breath.

So enough about him because he would not like being respected this much. He wants the Lord glorified as do I. So the Lord's wisdom is on the next pages through revelations given by His servant. I am a witness personally. If you are hesitant, that is perfectly fine. You have every right to test the spirits. I only ask that you humbly do it genuinely asking the Holy Spirit to verify you personally, not the flesh. May these messages fill you with wisdom, encourage, inspire, and light a fire in you, in the MIGHTY NAME OF JESUS! Receive them!

Introduction

This book is written to help mankind because most of the world's population lives in a major catastrophe.

Mankind is being destroyed with the wrong knowledge!

Mankind is going in the wrong direction!

Mankind is sinking very fast to its destruction!

Mankind is falling apart and is in need of help!

In this book, you will see the proof of why mankind needs urgent help

According to the world news, violence is getting worse. More gangs are rising up, and we see many killings and other forms of violence.

Drugs are spreading rapidly throughout the world, destroying the minds and lives of millions of people.

More and more terrorists are killing people. Militias are also rising in many nations with more fighting and killing.

With each day, the death rate increases in almost every city in the world.

The percentage of families separating is rising higher.

Many wives are left with no husbands to raise the children, and they struggle to raise them alone. There has also been a high increase in rape, even the rape of little children.

More and more children are being raped and sexually abused, with many that are left to die. There has also been an increased rate in kidnappings. Suicide rates are rising among teenagers, with even children as young as 9 years of age taking their own lives.

This is the world we live in today. Are we going to just live and be oblivious to these issues, or by true wisdom eliminate them in order to live in peace?

Problems that Man Faces

-Causes and Solutions-

The reason mankind faces all of these problems is because his mind is governed by the wrong knowledge, the wrong education.

Foolishness, injustice, evil, paranoia, and hatred are types of imperfect knowledge. These are forms of spiritual sickness of the mind. All these must be replaced with perfect knowledge.

PERFECT KNOWLEDGE IS NECESSARY FOR THE SAFETY AND SURVIVAL OF MANKIND

Perfection in everything is always beneficial for all.

Perfection in everything comes by perfect knowledge.

Perfect knowledge proves perfect judgment in everything.

Perfect Judgment breeds perfect righteousness.

Perfect knowledge of everything becomes **wisdom**.

Wisdom proves everything by facts, including perfect and everlasting life.

The first perfect knowledge is the true beginning of everything and is the first true personality.

In Greek, we call Him the true, living God.

Everything without perfect knowledge equals zero. The joke is that the atheist scientists are still looking to find the true beginning as well as where the true beginning came from. They are still looking in the natural (physics) to find the first knowledge. However, knowledge is not in natural physics, but within our minds.

The problem is that the atheists scientists' minds are governed by foolishness, and foolishness cannot recognize **wisdom**. That's why scientists still try to find the true beginning in the natural (observed by our senses) where there is no true knowledge or true personality.

Now we have obtained true knowledge, which is above nature in addition to all the teachings of man. The biggest reason for worldwide calamities are schools, universities, and government leaders who do not acknowledge the Bible.

"Buy the truth, and do not sell it, also wisdom and instruction and understanding." - Proverbs 23:23

They are being wise their own eyes yet are ignorant to what is written in God's word. This kind of ignorance produces foolishness.

"Do you see a man wise in his own eyes? There is more hope for a fool than for him." - Proverbs 26:12

"Woe to those who are wise in their own eyes, and prudent in their own sight!" - Isaiah 5:21

This foolishness becomes foundational. It is a base for the next generation's knowledge and understanding. They will take a divergence from Biblical truth that was taught to them and expand it into a lifestyle of self-destructive behavior. Here is one of many examples:

Growing up, how many fathers said to their sons *"Make sure you test drive the car before you buy it"* (in regards to the son's future spouse). This led *many young men* to believe that sexual relations outside of marriage is okay, and they proceeded to become extremely promiscuous.

"My son, if you receive my words, and treasure my commands within you, so that you incline your ear to wisdom, and apply your heart to understanding; yes, if you cry out for discernment, and lift up your voice for understanding, if you seek her as silver, and search for her as for hidden treasures; then you will understand the fear of the Lord, and find the knowledge of God."

-Proverbs 2:1-5

Those that followed the evil footsteps of their fathers were punished by God. The curse that came upon the parents was passed onto the next generation. There are many examples written in the Bible of evil kings, and their children turned out even worse than them. The time of their reign as kings was also cut down because they did evil which spread to all of the people.

"Ahaziah son of Ahab became king of Israel in Samaria in the seventeenth year of Jehoshaphat king of Judah, and he reigned over Israel two years. He did evil in the eyes of the Lord, because he followed the ways of his father and mother and of Jeroboam son of Nebat, who caused Israel to sin."

-1 Kings 22:51-52

Written Proof

There are nine fruits of the Spirit of God: Love, Joy, Peace, Long Suffering, Kindness, Goodness, Faithfulness, Gentleness, and Self Control (**Galatians 5:22-23**). We will proceed by examining each fruit and how it manifests in our everyday lives.

LOVE

The Bible talks about true love in 1 Corinthians Chapter 13, while displaying an extensive description of its characteristics. Since true love comes from God, it is perfect in nature. Therefore, it is sacrificial as well as unconditional.

Jesus showed us the ultimate example of perfect love in that He gave Himself as a sacrifice for our sins. Those who have accepted this sacrifice are referred to as the church or "His Bride."

God demonstrates His love towards us that while we were sinners, Jesus Christ came to die for us.

-Romans 5:8

"For God so loved the world, that He gave His only begotten son, that whoever will believe in Him will not perish but have eternal life." - John 3:16

God's love is perfect. He teaches us to love one another as we love ourselves.

His perfect love is apart from hate. When we always love, we will have joy and peace.

If we start hating others, we lose the love that is placed inside of us by God.

Some may say, *"Others do wrong to me, I must retaliate..."*

Fighting amongst one another is not a solution to the problem.

What is better- To retaliate, fight and kill? Or to keep the love by forgiving one another?

JOY

Joy is also another fruit of the Spirit of God. The Joy that is from the Spirit of God isn't like the temporary joy (ie. happiness) that we try to find on a daily basis.

The true Joy is only in the hearts of those who are saved from sin and are fulfilling God's perfect will in their lives. Those people experience joy knowing that they will be forever with God in His eternal kingdom when they die.

When we are living according to the Bible, we will start producing joy which is an outcome of holy living and loving one another. This joy will help us overcome all of life's problems or trials.

"Do not be grieved, for the joy of the Lord is your strength." -Nehemiah 8:10

PEACE

The word of God teaches us that we must try to live in peace with all men, as much as depends on us.

—Romans 12:18

"You will keep him in perfect peace whose mind is stayed on you, because he trusts in you."

—Isaiah 26:3

"And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." -Philippians 4:7

***To have true peace, we need to find a connection with God, and spend time meditating on His word. Also, throughout the day we must acknowledge His greatness, power, and all of the blessings to remember that He truly cares for you because He created you!

Longsuffering

An easier way of seeing this fruit in particular, is “having a long temper”. The ability to endure and to be slow to anger. The person who has this fruit is able to go through hard times without complaining. This is the work or product of the Holy Spirit in one’s life.

“May the Lord direct your hearts to the love of God and the steadfastness of Christ.”

- 2 Thessalonians 3:5

This is a fruit that is also given to us through the Spirit of God. Longsuffering is a character trait in those that are filled with God’s love, and are able to bear with people’s imperfections.

Longsuffering is a higher step of patience, yielding and being able to forgive other people for their wrongdoings.

“Love suffers long and is kind.” -1 Corinthians 13:4

KINDNESS

Kindness is also a key to having perfect relations with people, which is very pleasing to God. Being friendly and generous also describes the works of kindness. If we are filled with the Spirit of God, we will automatically be kind to others while doing acts of kindness.

God demonstrates kindness towards us by providing for our every need without ever leaving us in a dead end. He takes care of His people and delights in blessing His children.

“I have been young, and now am old, yet I have not seen the righteous forsaken or his children begging for bread.” -Psalm 37:25

GOODNESS

The word of God says, that “It is His goodness that brings us to repentance.” –Romans 2:4

Jesus also said that ***there is only One that is good, that is, God alone.*** –Mark 10:18

Goodness is a character trait that comes directly from God the Father. This trait is equal with lovingkindness and mercy. Only through God we can obtain such a character trait in our lives.

FAITHFULNESS

This is a fruit of the Holy Spirit that comes into our lives through the word of God. The word of God becomes alive inside of us and starts producing different fruits in our lives.

When the Lord entrusts us with a certain work, we will do it without complaints. We will remain true to God and people, despite of what goes on in life.

When we truly have this fruit in our lives, we will be able to give our faithfulness to others by encouraging with testimonies of what God has done. Also, we will continue to believe in God's promises even when it's difficult or seems impossible.

When we have the fruit of faithfulness, we show integrity in small things, and the Lord promotes us to greater. –Luke 16:10

God's faithfulness is much greater than the faithfulness of man, and it never fails.

“Through the Lord's mercies we are not consumed, because His compassions fail not. They are every morning; Great is thy faithfulness.” -Lamentations 3:22-23

GENTLENESS

This fruit of the Holy Spirit helps a person in the way that he reacts and speaks to people.

Gentleness is a characteristic of God that isn't strict. Here, one is willing to put up with difficult situations.

This characteristic is tied in with Humility where one is able to forgive and yield. It also gives us a supernatural wisdom how to answer people in moments of tension. It helps us to keep violence out of our minds and lives.

Gentleness helps us to answer people softly and not to hurt people with our words.

“Take my yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls.” -Matthew 11:29

SELF-CONTROL

This characteristic is very important to have, so that you can be a successful child of God. Self-control is the ability to tell your flesh 'no' and agree with what God wants to do in any situation.

Rebellion and pride are the complete opposite of self-control.

Only through the working power of the Holy Spirit in our lives, we may acquire self-control.

Many things in our lives we cannot control, especially the tongue. This is the #1 cause of all our problems in life.

"For we all stumble in many things. If anyone does not stumble in word, he is a perfect man, able also to bridle the whole body." - James 3:2

"A man without self-control is like a city broken into and left without walls." - Proverbs 25:28

Without self-control, we are just people that are making many unwise choices. Also we will many times say things that we should not, and that will always lead us into many problems.

Only the Holy Spirit can perfect our lives while cleansing us of all things that make us dirty inside.

In the Spirit of God, there is All-Perfect Knowledge of God

MANKIND NEEDS TO LIVE PERFECTLY

“Be ye therefore perfect, just as your Father in Heaven is perfect.” - Matthew 5:48

Any preacher can speak partially about the knowledge of God, but the Holy Spirit gives us the 100% truth. Jesus said that the Holy Spirit will teach us all things, nobody else. Even Apostle Paul said, “Walk by the Spirit, not by the flesh.”- Galatians 5:16

Most of mankind, including believers, do not know that the Holy Spirit is above all, especially the preachers of the world. Therefore, they are satisfied to be guided by preachers only and not by the Holy Spirit. People must personally experience and be guided by the Holy Spirit.

It so happens, that one preacher translates the Word of God differently than another, and that is why we have so many different religions and divisions. The true preachers of Christ, including His Apostles, help others to truly come to Christ and to the Holy Spirit. This is a must for our assurance to make it into Heaven. This is why Jesus made it very clear when he spoke to Nicodemus.

Nicodemus was a well-known teacher but did not have the true experience of knowing God (John 3:3-13).

In John 3:5, Jesus answered, “Truly, truly I say to you, unless one is born water and the Spirit he cannot enter into the kingdom of God.”

Jesus spoke the truth about the Holy Spirit because the Holy Spirit teaches us the total knowledge of God. In heaven, there is impeccable life, and this perfect knowledge is only made manifest through the Holy Spirit.

Jesus is the wisest man that was made known to mankind, and this is proven by what He spoke. Jesus spoke to this teacher, Nicodemus, telling him about Heaven which is the Kingdom of God. It exists forever with unspoiled living for all.

As I stated before, God is the first perfect knowledge to have ever existed and has a perfect personality. He is the true beginning of everything together with Jesus and the Holy Spirit. He is the Creator of all.

The Spirit of God gave me the wisdom to prove to anyone by mathematic facts, that God Almighty is the true Creator of the human race.

ACCEPT THE PROOFS THAT I HAVE BY MATHEMATICAL FACTS

We also have the fact that Jesus was resurrected from the dead, and this also is proven by history along with eyewitnesses.

The power of the Holy Spirit was working through Jesus with miracles, healings, and even resurrection of the dead.

In Luke 11: 1-44, Jesus visited Mary and Martha who were mourning their dead brother Lazarus. Lazarus was dead for four days, but that did not stop Jesus...

Jesus walked up to the cave where Lazarus was buried, and despite the doubtful crowd, He raised him from the dead.

The wise men of this world, including atheist scientists and professors cannot raise those that have been dead for days. Not only that, they still cannot give facts of the origin of man. They are still sleeping in the ignorance of their minds. Their poor knowledge will take them to the grave.

Without God they are just living to die, and still trying to prove to mankind their 'wisdom.' They will never override the Biblical truths, nor be able to live eternally because their foolishness will not permit them to do so.

Proven Perfect Knowledge and Education

Jesus spoke to Martha, sister of Lazarus, after he was dead. Jesus said, "I am the resurrection and the life..." After those words, he went to the dead body of Lazarus powerfully raising him from the dead. Jesus proved to the world that He is truly the resurrection of the dead.

This is by far the biggest news to all of mankind. It is proven by history and many eyewitnesses, and is a great hope for all people. When we die, we will be resurrected by Jesus Christ because He was resurrected.

Jesus was nailed to the cross by foolish and evil men, but death could not hold him.

He was resurrected on the third day after his death (John 20:1-31).

Are you able to give life again to a body that has been dead for days? Of course not.

Due to your lack of knowledge, no atheist scientist will ever be able to help you, to raise you from the dead.

So most definitely, all of you without Christ are living to die...

If you are atheist, you will never be able to prove anything to me other than your foolishness, lies, and myths.

You expect me, as a human being to believe your foolishness? What about your poor knowledge, lies, and myths? You say that God is not the Creator of our lives, but He gave life also to those that have died. He proves perfect knowledge in everything, while you cannot.

You think that I will believe the sickness of your minds? Instead I will believe the history, witnesses, and the proven facts. These proven facts are 100% evidence that He is the Creator of all, Our Savior, teacher and perfect help. He created me for the purpose of living with Him forever.

I thank Him always giving Him glory, because He is the glory of my life, and of the whole universe!

In Jesus and the Holy Spirit, there is the perfect government to govern our minds. There is not one preacher anywhere who is able to do that. Also, there is not a preacher anywhere who is above the Spirit of God, and no one should ever try to put preachers above the Spirit of God.

LEARN TO BE GUIDED AND TO OBEY THE HOLY SPIRIT

The nine fruits of the Spirit of God are the best education, and it is mind blowing how mankind neglects them.

Applying this perfect education through the nine fruits of the Holy Spirit will indeed give us the life that we're all looking for.

So now I'm talking to all the college professors and atheist scientists all over the world:

The most important thing is not to discover where man came from, but to be able to live perfectly forever.

All you have proven to mankind is that your mind is governed by very poor knowledge, because you could not prove where man came from. Therefore, you cannot prove perfect life for anyone. You cannot prove life after death. I suggest that you take your doctorate degrees and throw them in the garbage, seeing that you have nothing to prove but foolishness and lies.

Jesus did not lie.

We have his documents that prove he is the Creator of mankind (**John 1:10**). Jesus was resurrected from death, so He is above death. This means that where there is death, Jesus can give life to that person (**See John 11:43-44 and 1 Corinthians 15:3-8**). Jesus proved this again and again. We have His story with documents and witnesses.

**Atheist professors and scientists: Can you give life to someone who has been dead for days?
Of course not.**

As I said before, your mind is governed by very poor knowledge, and it's time to admit that. To the wise, you prove that you are fools, but to the fools you try to prove that you are wise. As you read this book you wonder "Where are the sources for claims made and evidence," but these thoughts that are causing you to question such things are coming from the foolish knowledge that governs your mind.

Let me ask you again, do you know anything about mathematics? Do you understand what foolishness is? To sum it up:

Foolishness is a paranoid knowledge that is not able to prove everything by facts. Therefore, it speaks lies about the facts.

Atheist scientists and professors: I want to ask you a question on the grounds of mathematics.

Do you eat food and drink water daily? Can you live without eating and drinking? How long, maybe ten days? Forty days? After that, you die of course. *These are mathematical facts.*

In order for you to eat and drink, you must have knowledge. You also must have a mouth with teeth and a tongue. Then, you must have a stomach, heart, and everything else.

Another question that I have is, in order for the water and food to enter into your body, you must first have a stomach, correct? Before you put any food into the body, it must be a complete body. It cannot be a body that grows little by little without water and food. It cannot be a body that comes from animals, because the animals also must have a complete body.

THE HUMAN BODY IS THE GREATEST SUPER TECHNOLOGY ON THE FACE OF THE EARTH

In order for the heart to pump blood all over the body, it must first be designed, and completed. This we call a pre-design, which means someone with knowledge had to have known that blood must go throughout the whole body. This needs to happen so that the whole body functions properly. As you know, when your heart stops working, you are dead.

***Here is another fact:* when the knowledge of God created this body, after the body was complete, it was dead.**

For the body to start operating completely, it had to be connected with breathing. So here we have two proven facts. I'll say it again... We have TWO PROVEN FACTS. This is not a theory nor is it a myth.

FACT 1: Without first a complete body, including a complete mouth, nose, lungs and heart, breathing could not enter into the body for it to function properly.

FACT 2: The breathing that enters into the body must be prepared to be the right kind of breathing before the body is completed. Also for this second fact, we need to have proper knowledge.

******Now we prove a third fact. By knowledge, we created a complete body that is dead. By knowledge, we complete the breathing elements for the body, which are outside of the body.******

FACT 3: We must make the connection between the completed body and the proper breathing, and for that connection to occur, we need knowledge. We need a true personality with understanding of a super technology, before the creation of the complete body with breathing capabilities.

This true personality must apply knowledge to put the first breath through the mouth of the body, until the breath goes to the lungs and to the heart. The blood can start to circulate all the way to the brain, the eyes, the ears, and the nerves. Following that, the mind starts to produce knowledge to keep everything under control, again, using knowledge.

Once again, without knowledge, everything amounts to zero. The natural, physical, and infinite have no knowledge, therefore they cannot be the true beginning. The true beginning for everything is the true knowledge.

The first true knowledge is the first proven true personality or the first proven person.

He is the true God, the proven Creator of the human race.

Where does this knowledge come from? Does it come from physics? Does nature or physics have knowledge?

We can most certainly say no. So now my friends, we are talking about 100% mathematical evidence. Therefore, knowledge must have existed before human beings were created. This knowledge is called the Creator of the human body, and the Creator is God Almighty. He is the same God that gave us the documents of perfect knowledge of everything that gives life to all.

YOU DON'T HAVE THOSE DOCUMENTS? I'M GLAD TO GIVE THEM TO YOU ANYWHERE, ANYTIME.

No human being could ever prove the perfect and everlasting life that was intended for mankind. Only the true, living God was able to.

The true documents proving all of these facts are written in the word of God, which is the Holy Bible.

The Bible teaches us the knowledge of God by the power of the Holy Spirit.

The Holy Spirit is my teacher, therefore He prepares me, and I have the knowledge to prove to whomever, wherever, the perfection of God's knowledge. This is always the perfect knowledge in life, which is the most important of all. As for the proof of life after death, it's in the resurrection of Christ and historical events verified by numerous witnesses.

You can receive the most important of all, everlasting life. It's an absolutely free gift from God to you. If you want to accept this gift of God, He sent it to us by His Son Jesus Christ. God appointed Jesus Christ to be Lord of all mankind.

Jesus Christ always obeyed the Father perfectly. He is able to teach us perfect obedience and perfection of everything, when we truly submit to Him with all of our hearts.

(Matthew 10:37-38) Jesus said, "Come to me with all of your heart." Don't let anyone fool you, including your mind. No one came from heaven but Jesus Christ – *John 3:13*

Nobody proved perfect obedience to the Father to the death. Only Jesus did that, so no one else can save us.

The perfect knowledge of God, not of mankind, become the perfect fruits of life. This is for all people, so everyone may live perfectly and become one character.

This is the glory of God, the true Creator of mankind. His glory remains forever, and no unjust knowledge of people can ever overcome His perfect proven knowledge.

The All-Perfect knowledge of God proves we all can live perfectly and rejoice in the beautiful life that He gives freely. Anyone who comes to God through Jesus, and truly submits to His perfect knowledge, will have this beautiful life.

This perfect knowledge Jesus gave to the world is called the Gospel of Christ, which is the New Testament.

Get a Bible today, and accept Jesus as your One and Only Savior. You can even download the Bible as a free app on your phone! Start reading it daily, and ask Jesus to send the Holy Spirit to help you. With each day obey God, and then I believe we will see each other in paradise. We will rejoice forever in the everlasting glory of God our Father.

IN THE CONTINUATION OF THIS BOOK, WE ADDED IMPORTANT MESSAGES WHICH WERE PRINTED IN THE PAST AND SENT TO THE WHOLE WORLD.

DUE TO THE SIGNIFICANCE OF THE MESSAGES, WE ARE ADDING THEM TO THIS BOOK.

***** Some of the writing in those messages is repeated because they were written in different times, and sent separately to different nations through the mail and internet. *****

Message #1

SENT TO THE WORLD IN THE PAST

Many facts have proven the #1 reason mankind is being destroyed is due to the foolishness of man

FACT 1: A large percentage of the world's population is governed by foolishness. This foolishness is a spiritual sickness that produces injustice, evil, and paranoia. It also causes catastrophes in people's interpersonal relations.

FACT 2: People fail to acknowledge their own foolishness; therefore there is no hope for them.

**** Proverbs 26:12****

"Do you see a man wise in his own eyes? There is more hope for a fool than for him."

So beyond being foolish, the bigger problem we see is that people are blinded by their own foolishness, and until the understanding comes, there is no hope for those people.

FACT 3: Due to this ignorance, people are worshiping themselves in their own foolishness, creating a catastrophe for themselves. The catastrophe is that with this way of thinking, philosophical and political foundations become established. Later this creates more problems and wars spreading worldwide.

"For no man can lay a foundation other than the one which is laid, which is Jesus Christ."

(1 Corinthians 3:11)

FACT 4: With many of these beliefs and foundations, mankind continues to build based on this foolishness. Historic facts are then denied, and much of the truth becomes diluted. Myths and lies are formed as a result of this foolishness.

FACT 5: The minds of most leaders of the United Nations, school teachers, and university professors are governed by the same problem... **FOOLISHNESS!**

FACT 6: The worldwide issue previously mentioned needs to be addressed. Billions of people are truly sick in their own understanding. They need to go in for a check-up to the One and Only True Psychiatrist! They need to be healed so that mankind will not be destroyed as a whole.

FACT 7: According to history, no psychiatrist was able to save himself from foolishness or death.

Likewise, there is historical evidence that there was *One* who could—JESUS CHRIST... nobody else.

THERE ARE ALSO A SERIES OF VERY IMPORTANT QUESTIONS THAT I WANTED TO ASK:

- *Who is the proven true psychiatrist for the world?*
- *Can you prove the percentage of foolishness or wisdom that governs your mind?*
- *Can you prove to the world what the perfect education is for every mind?*
- *Can your knowledge save you from death or resurrect you from the dead?*
- *Can you prove what the biggest opportunity is for you and the world?*

Any of you Psychiatrists have the correct answers? Are you able to heal the foolishness which affects billions of people?

These are 5 major questions that you do not have answers to... This proves to me and to the rest of the world that you are not true Psychiatrists but instead are governed by foolishness.

Based on history and ancient Holy manuscripts, I will bring forth to you the living evidence.

According to historic documents, Jesus Christ, the true Psychiatrist of the world, said, *"I am the light of the world. He that follows me shall not walk in darkness, but shall have the light of life,"* John 8:12.

The light that Christ spoke of to the world was **PERFECT KNOWLEDGE** in everything and **PERFECT EDUCATION** for every mind.

I have the documents to prove it to anyone...History continues to speak...Christ also said, *"I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live,"* John 11:23.

***What Jesus spoke here, he also proved. ***

Jesus was RESURRECTED, and it is historically proven.

THERE IS A SOLUTION

If you want to be saved from the foolishness of your mind, turn to God in the name of Jesus Christ. He is the only proven Savior of the world.

Yes this includes you especially!

At this moment, you can be saved forever! Speak to Jesus, and with the sincerity of heart say,

"Jesus Christ my Savior, I am a sinner and I am in need of your salvation. Please forgive me and save me from my sins and death, and my foolish mind. I forsake and renounce all sin out of my life, and want to live according to your word!"

I accept you as my Lord and personal Savior. I promise to obey what is written in your word, and learn your perfect knowledge...Amen."

If you prayed this prayer with all of your heart, then you have accepted Jesus Christ. You are now forgiven of all your sins. Now the goal is to read the HOLY BIBLE and everyday follow what is written. Talk to Jesus each day, He is the one that will ALWAYS understand you, even when nobody else does.

*He will teach you wisdom, knowledge and how to live a pure and holy life...
(Psalm 16) (Psalm 32:8) (Proverbs 2)*

If you accepted Jesus, he will not only help you when you die, but his kingdom has already begun for you here on this earth.

SENT TO SCHOOLS AND UNIVERSITIES AROUND THE WORLD IN THE PAST

THE SICKNESS OF THE MIND OF DARWIN

By many infallible proofs and facts

The sickness of Darwin's mind has been, and is spreading rapidly to most of the earth's population, causing major catastrophes.

Because Darwin's mind was governed by foolishness, he couldn't discover the truth of man's origin. In ignorance, he lied to himself and to the world saying that man originated from physics only.

Human beings are not created through, or made up only of physics, but also knowledge.

Knowledge and Physics together make the perfect personality.

Knowledge produces technology

FACT 1:

Before the existence of technology, knowledge had to exist. The original, perfect knowledge came through God. He is the Creator of the universe and mankind.

FACT 2:

It is a proven fact that the human body is the highest form of technology in the whole world; In order for us to discover technology, we need the proper wisdom.

FACT 3:

Technology cannot be recognized by foolishness.

Darwin failed to obtain the proper wisdom, thus he was led by his own foolish mind.

Darwin's foolishness simply could not recognize that the human body is the highest form of technology.

DARWIN'S SICKNESS BEGAN WHEN HE DENIED HISTORY

When someone denies history, he makes himself out to be spiritually sick.

For someone to say that Moses or Alexander the Great, or Jesus Christ never existed, would be a very foolish statement. Not only is it a foolish statement but also a sickness of mind.

Today, we have a much greater surprise and catastrophe, both caused by honorable people.

University professors and many world leaders are sick in the head while worshiping their own sickness.

The world leaders and professors of this world are destroying our children, teaching them the foolishness that dwells within themselves. They are teaching the biggest lie--- The Origin of Man.

In history, when reading a timeline, we see a date, for example "325 B.C."

As we all know, "B.C." used to stand for "Before Christ." Now more recently, we see "B.C.E.", referring to "Before Common Era."

Why has everything all of a sudden changed from B.C. (Before Christ) to B.C.E. (Before Common Era)?

Can anyone with a sound mind truly say that Jesus Christ never existed?

Only a sick and paranoid person can deny His existence.

People that are locked up in insane asylums may perhaps say likewise...

Over the years, world leaders and certain governing parties have tried to hide, dilute, or erase parts of history. The funny thing is, what is done in secret *ALWAYS* gets revealed in the *OPEN*.

Here are a few examples:

1. During the Holocaust, the Nazis tried to cover their tracks in the millions of people that were killed in the genocide. Many concentration camps and death camps were found with remains of human genocide after World War II. Some even to this day deny the Holocaust ever happened... To their dismay, not only is there evidence, but there are survivors that are living witnesses to the evil that was done.
2. In Kiev and Ivano-Frankivsk, which are cities in Ukraine, there were many bodies that were improperly buried, disposed of as trash. Many of these deaths were not even recorded. Instead, the governing officials decided to make the inhumane gravesites into beautiful lakes with wonderful scenery.

After some time, to their shame, the human bodies started to float...

What a glorious Kodak moment for the whole family!

Today, this madness continues...

The Muslim authorities in Israel are destroying more and more artifacts of ancient Israel. This is being allowed by the government....Why are they all of a sudden destroying ancient artifacts???

More and more people today are trying to destroy evidence that Jesus ever existed. The world has grown more corrupt than ever before...

All of these actions point to one direction:

That the light has come into this world, and people chose darkness instead (JOHN 3:19)

TO END THE WORLD CORRUPTION AND DECEPTION, PEOPLE NEED TO ACCEPT JESUS CHRIST.

Since the beginning of time, mankind could not perfect his surroundings. There was never perfect peace and love because mankind is raised in a fallen world filled with sin or evil knowledge.

For thousands of years, many kingdoms and dynasties could not agree on loving one another. Man was incapable of humbling himself because of pride.

There are many other conflicts humans had as years went by, sadly only the details in history changed.

The main mentality and nature of man has not changed.

Jesus came into this imperfect and sinful world to be a living example. He was an example of the Holy, Loving, and Perfect God that created the Universe and everything. (Colossians. 1:15)

Living the life He lived on earth, he taught the Perfect way that man must live. He healed and resurrected the dead. He even built relations with people that were despised and forsaken.

*He was tested in all points of life while remaining sin-free. This is the **MOST PERFECT EXAMPLE**.*

By the old Jewish Law, a blood sacrifice had to be offered for the sins of the people. This had to be a lamb, first-born, with no spot or blemish. This form of sacrifice became very convenient for people having an abundance of cattle and goats. The law that was in their conscience was getting diminished due to their deceptive hearts.

The Almighty God understood that He had to make a change. Many people were dying and paying the penalty of eternal suffering and death for their sins.

God had to Himself come to this sinful world to teach man how to live.

Jesus Christ, born of a virgin, was God's plan for salvation of all mankind. Jesus came in the fullness of God, and also in the fullness of man.

He was God's blemish-free lamb, born of a virgin, who was conceived by the Holy Spirit.

Jesus came and paid the ultimate sacrifice for the sins of mankind.

This is the Greatest News on planet earth!

*Believe **TODAY** and accept Jesus Christ to be your Savior!! He will give you the peace that you will never find elsewhere! He will fill your life to the fullest with love and compassion, and a desire to make a difference in this world!*

*Most importantly, when you die, your soul will go to heaven and live **FOREVER** with Him in the heavenly kingdom that He has prepared for those who accepted Him.*

Without Jesus, this filthy and wicked world will continue in its foolishness, fighting wars, and corrupting the generations.

MAJOR WARNING FOR THE WHOLE WORLD SENT IN THE PAST

Important comments before the message begins:

- 1. *Anyone who passes any law against God's law, proves to be evil and satanic, who from the beginning has been destroying society.***
- 2. *No child in school should be left behind. They must be delivered from evil, gang threats, drugs, homosexuality and atheism.***
- 3. *The world faces a major catastrophe concerning our children. We must do something effectively to build up the future generation.***

Being American parents, and of other nations, we are working strenuously to educate our children to become good people and upstanding citizens. This will benefit our communities as a whole.

THERE ARE 3 MAJOR OPPONENTS FIGHTING TO DESTROY THIS GOOD CAUSE

- 1.** First and foremost, we are sending our children to public schools, which are filled with perversion. Many of the children become gang members, addicted to illegal drugs, and sex. Teachers today are teaching homosexuality as an alternative lifestyle, which demoralizes human value and family security. For this reason God destroyed Sodom and Gomorrah by fire (Genesis 19:13-25).
- 2.** The second major issue is the media. Children of all ages are receiving the wrong kind of education on television when they come home and watch TV. Television shows have gotten more perverse with each year. Violence, killing, sex, horror, and witchcraft are constantly being broadcasted. Because of the sick Hollywood producers, our children's minds and lives are being destroyed day by day. Too many parents are trusting Hollywood and the sick minds creating this filth as the babysitter of their children.
- 3.** The third is "*In the name of freedom.*" When our children's minds and lives are being destroyed, we cannot call this true freedom. This is freedom to destroy and do evil, which are acts established by Satan. When we permit the catastrophe of our children's minds and lives, this makes us immoral criminals. The ones committing these crimes, fail to accept responsibility for them while just blaming one another.

ONE NATION UNDER GOD? UNDER SATAN? UNDER ATHEISM?

The Constitution of the United States was founded as “One nation, under God”. Our country was formed on Christianity, and God tremendously blessed America. The founding fathers believed in God and His Word, and they made laws with that kind of thinking.

*Today, we see things completely contrary to what our founding fathers have established. We see a nation that has given “**freedom**” to corrupt politicians, and has sold them into spiritual slavery...*

*If The United States of America becomes a “**nation under Satan**,” how do you think our children will end up? We wouldn’t want our children to be educated in spiritual darkness and foolishness, right?*

We most definitely want our children to be well-educated, and to learn about the most important matters of their lives. Our children must learn about the perfect and everlasting life.

The teachers in public schools today, are not teaching the students about the most important things in life. The corrupted school system has taken away prayer and true moral values from the upcoming generation, which can be the ultimate variables in the destruction of our nation.

The law says, “**Do not commit murder**,” and we want everyone to live beautiful, safe lives. But this same law permits the display of killing in front of our childrens’ eyes on a daily basis. Our children then become addicted to watching this, and some even apply similar behavior in their lives.

We the parents, together with every government, want to see our children happily living without fear.

Hollywood horror films show many horrific murder scenes, and our children grow up watching these demented things.

***I AM NOW GOING TO ASK **THREE MAJOR QUESTIONS** TO THE LEADERS OF EVERY WORLD GOVERNMENT:

- Where do these horrifying acts come from?
- Who is permitting our children to be horrified?
- Are there any benefits of watching these things?

All of these horrific acts are abnormal for human beings. These acts come from a completely different source.

According to history, there has been satanic involvement all over the world, horrifying and destroying humanity. In fact, witchcraft is all over this earth, even in this day and age. There are even documented cases to prove this, and we have personally met ex-Satanists who have come out of this horror.

ATHEISTS DO NOT BELIEVE IN GOD AND DENY THE EXISTENCE OF SATAN.

The foolish knowledge of the atheist rejects historic evidence, twisting facts and believing in myths. Every government must immediately do something to stop it effectively by using their authority to verify witchcraft cases. Followers of Satanism must be exposed!

Many children worldwide end up “*missing*” but a small percentage are actually offered up as sacrifices by Satanists.

Governments worldwide, because of the ignorance to Satanism, are permitting satanic movies. In many schools, there are underground satanic movements in which children are sacrificing cats. Many governing officials know about these cat killings.

Homosexuality, pornographic films and magazines are a part of Satanism, destroying family values.

To my surprise, many governments permit the practice of Satanism to destroy our societies.

THE AMERICAN FOREFATHERS HAD KNOWLEDGE OF GOD AND KNOWLEDGE OF SATAN, AND THEY NEVER PERMITTED SATANISM.

********AMERICA WAS FOUNDED AS “ONE NATION, UNDER GOD”********

Every government must be founded and remain in God’s freedom.

God’s freedom teaches us to be good people while being good to others. God’s freedom also teaches us how to live in peace without hurting one another.

Satanic freedom teaches that it is not a problem to be an evil person. It is your choice. You can hate, horrify, and even kill people if you desire...

What choices do animals have when they are killing other animals? They obviously do not have understanding as us humans do.

Evil knowledge, when it becomes a choice, makes humans believe that murder to be the freedom.

Message #4

Warning for Mankind, American Government, & All World Leaders

This message is concerning our children all over the world, and about the destruction of their minds through atheists, evil actors, and the producers of the film industries.

THE ISSUE THAT AMERICA AND THE WORLD FACES TODAY

The world today faces violence in many forms such as demonic movies, killings of all kind, and perversion on TV. You don't see this destroying our children's minds from an early age?

The issues mentioned above are destructive for ALL of humanity. People of age can discern and make the right choices, but children are very easily influenced by the things they see and hear. The mind of a child is so delicate, it can be shaped easily.

Television shows and movies for the most part are unfruitful while corrupting the minds of our children.

So the biggest issue turns into a multitude of problems that are very hard and nearly impossible to fix.

I ask the whole world, the world that is so full of wisdom, "What is better to teach our children: The knowledge and life that produces perfection, safety, kindness, and respect...OR the knowledge of animals producing imperfection, unsafe living, horror and mass murders worldwide?"

It is a proven fact that the perfect knowledge and life of the human race is one that we must show and teach our children. Obviously this is the correct answer to the previous question!

There is a solution to end the madness that is spreading like a disease worldwide, but how will we put it in action?

- *How are we going to protect ourselves from those evil actors and producers that mess up our children's minds?*
- *Where are the World Leaders?*

- *Where are the parents of this world?*
- *Where are the wise people?*
- *What happened to minds of the people?*
- *What happened their knowledge?*

There are so many questions we can ask regarding society today, and it's very unfortunate to see that our children are perishing!

To sum it all up, it all boils down to what was mentioned in the beginning:

Our biggest issue is the media, brainwashing and transforming the minds of people. They must be stopped at any cost for the safety and benefit of our children!

IT'S TIME TO WAKE UP AND DO SOMETHING IMMEDIATELY

****** THE MORE WE DELAY, THE MORE CHILDREN'S MINDS ARE GETTING MESSED UP******

When the minds of our children are messed up, our society will become messed up.

Look back 50 or 60 years ago, when TV played movies showing more kindness, perfection, better human lifestyles...Our children then grew up better human beings, creating better families and a better society.

I'M RINGING THE BELL TO THE WHOLE WORLD, THE BELL OF LIBERTY TO DELIVER OUR CHILDREN FROM THOSE HORRIBLE ACTORS AND TV PRODUCERS WITH ANIMAL-TYPE KNOWLEDGE. THEY ARE IMPLANTING THAT EVIL GARBAGE INTO CHILDREN'S MINDS DAILY!

IT'S TIME TO TAKE A STAND AS A HUMAN RACE AND DO SOMETHING!

MESSAGE #5

Sent to the Canadian Atheist Leaders in the past

To the paranoid Leaders of Canada:

This message goes out to the ones that vote for the unjust and evil same-sex marriages. Shame on you for calling yourselves human beings, and for showing the world that your minds are desecrated, having less knowledge than animals do.

Animals prove to have more knowledge than you. Let me prove it.

When animals have sex, they do not ever mate male to male, or female to female, because they know it is wrong. Have you ever seen an animal reproduce through homosexuality? I didn't think so.

God, the proven Creator of the human race, from the beginning of creation, made man and woman. Each have a different body to produce children and to have a healthy family. This is the purpose of the God's perfect plan for the human race.

*Years later, in the cities of Sodom and Gomorrah, the people became evil: **HOMOSEXUALS**, rejected God's perfect plan while committing homosexual acts as confirmed in Jude 1:6-7.*

For all of their filthiness and evil acts, God sent fire from heaven to destroy these cities.

****Now I know that you will try and argue, having a "**scientific explanation**" to the destruction of these cities, but don't waste your time and efforts...*

FACT #1: In 1989, archeologists found the 2 cities near the Dead Sea completely in ash. This wasn't volcanic ash, as many skeptics will argue. The limestone ash is actually calcium sulfate. After sulfur finished burning the remains produce a new chemical compound. Do you know what this compound is? Calcium sulfate! That is the byproduct of burnt sulfur. This is a huge archaeological find.

FACT #2: In the destroyed cities, there was much brimstone found, having sulfur inside where the brimstone landed. This sulfur was tested and turned out to be 98% pure!

The sulfur from volcanoes was also tested and was only 40% pure...Sulfur that we usually find in nature is found in areas where there is a lot of geothermal activity. Again, this sulfur is at best, 40% pure. So for us to find 98% pure sulfur, in a land (near the Dead Sea) where there is 0 geothermal activity, is absolutely remarkable.

FACT #3: As mentioned in the bible, nothing grows there, nobody lives there, and it is a desolate place.

***** Genesis 19:24-25 *****

“Then the Lord rained on Sodom and Gomorrah brimstone and fire from the Lord out of heaven, and He Overthrew those cities, and all the valley, and all the inhabitants of the cities, and what grew on the ground.”

This is very unfortunate, because the land of Sodom and Gomorrah was a very blessed and fruitful land before its people started sinning against God.

“Lot lifted up his eyes and saw all the valley of the Jordan, that it was well watered everywhere—this was before the Lord destroyed Sodom and Gomorrah—like the garden of the Lord, like the land of Egypt as you go to Zoar. So Lot chose for himself all the valley of the Jordan, and Lot journeyed eastward. Thus they separated from each other. Abram settled in the land of Canaan, while Lot settled in the cities of the valley, and moved his tents as far as Sodom.”

- Genesis 13:10-12

There you have it, proven facts of God’s judgement on homosexuals. Do you think it’s ironic that those cities are also in the lowest part of the earth? I see that as a sign that God hates these abominable acts of wickedness and will not stand much longer to see it in the world today.

By voting and permitting same sex marriages, you went against the plan of the Almighty God. Do you not know that without God, all of us are living dust? We only exist by the wisdom of God.

Without the wisdom of God, we have no chance of existence.

Your mind produces a little bit of knowledge until one day, it takes you to the grave where worms eat your flesh completely.

How can you, the living dead, dare to fight against the Almighty God? He gave you life and the chance to be leaders of Canada so you can honor God, not your foolishness.

If you honor and obey God, He will give you eternal life in his beautiful and everlasting kingdom. By disobeying God and honoring your foolishness, God will send you to hell, and you will burn forever. Then you will say, “I wish I had never been born.”

Is this what you want? The righteousness of God is part of His perfection and glory.

Homosexuality is not in the righteousness or perfection of God. That is why God does not permit it and destroys it.

The perfect judgement of God destroyed the unjust homosexuals of Sodom and Gomorrah by fire. This perfect judgement will come upon you, unless you repent.

Come to your senses, go to your knees and ask God to forgive you, and change this evil law that you passed!

Say to those homosexuals to repent and to change their evil knowledge and lifestyle, which God never permitted.

Niko, Man of God

"I serve the highest authority that controls the universe in holiness and perfection, governing the mind perfectly without foolishness or evil."

MESSAGE #6

THE PROVEN TRUE FREEDOM

Sent directly to the world in the past

Where is the Proven True Freedom for the world?

Where does the True Freedom start?

True freedom starts in one's mind, from proper knowledge. We obtain this knowledge from the word of God, which is the Holy Bible.

The Holy Bible is our source of knowledge that sets our minds and bodies free. This is the perfect knowledge for the world. Since the beginning of time, the Bible has taught people how to live rightly by loving one another, proving itself to be a perfect knowledge of everything.

“My son, give attention to my words; incline your ear to my sayings. Do not let them depart from your eyes; keep them in the midst of your heart; For they are life to those who find them, and health to all their flesh.”

*****Proverbs 4:20-22**

“And you shall know the truth, and the truth shall make you free.”

*****John 8:32**

The whole world is looking for the True Freedom and has been searching for 6,000 years.

History proves that millions of people lost their lives in wars, fighting against one another for the sake of freedom.

Where is the True Freedom?

The majority of the world today offers education in their schools and universities. Sadly, they have not been teaching people the truth. There are more schools and universities today than we had years ago, but the world has been going downhill.

The highest professional teachers for the human race have failed society. We can make this bold statement because of the condition of the world today.

The minds of the highest professors worldwide are producing part wisdom, and part foolishness. None of them are able to prove to me what percentage of wisdom and what percentage of foolishness governs their minds. They cannot prove it, therefore they are unwise.

When someone is an unwise person, he becomes sick-minded. Therefore, those sick-minded professors continue to teach and pass their sickness to mankind.

This is why we are in a big mess. Some of you can say to me, “are you kidding us?” I assure you that I am not. In fact, I will give you more proof:

Let’s look at the history of the world. As you all know, every nation has its own recorded history, including America.

America’s history is full of exciting stories which include Columbus, George Washington, the Civil War, and many other events. As an American, I love the rich history that comes with my country. Now what kind of American would someone be who hates American history let alone disregards it?

If any man denies American History (denies certain events took place), that person proves to be paranoid and mentally sick. Of course they have diplomas, but from whom did they obtain them? They must have received them from other paranoid professors!

The biggest factor that is recorded in the history of the world, says B.C. and A.D. We also have documented proof of what Jesus Christ said and did. We have 25,000 ancient manuscripts of the New Testament that line up within 99% accuracy of one another. So we can safely say we accurately have the teachings of Jesus as well as His resurrection.

Without a shred of a doubt, Jesus was resurrected from the dead and is alive. He speaks to millions of people all over the world, including myself (He is my Teacher).

Death has no power in Jesus’ knowledge and spirit. This is historically documented and proven.

Why do all those professors reject and teach against the resurrection of Christ?

Again, as I have proven before, their minds are mentally ill. Those professors think they are talking wise and big, but in the end they all die. That's why they also prove they are poor-minded people.

History speaks saying that Jesus is the prince of peace and of a perfect freedom. Here are the documented proofs:

Jesus said to His disciples,

"Therefore if the Son makes you free, you shall be free indeed." -John 8:36

"Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your hearts be troubled, neither let it be afraid." -John 14:27

"A new commandment I give to you, that you love one another; as I have loved you, that you love one another." -John 13:34

If we all obey Jesus, and mankind loves one another, then the world would be a better place. If we care for others and respect them as we do ourselves, we wouldn't have mass killings around the world.

We will be able to live in this "True Freedom," and the world will be an amazing place for all to reside.

So it is evident that Jesus left us the perfect law to follow resulting in true freedom for the whole world.

This true freedom comes from our Lord and Savior, Jesus Christ. His spoken words become alive inside of accepting hearts.

With His word, we will not be governed by foolishness but instead God's wisdom.

By having this perfect wisdom, and continuing in it, we will remain in True Freedom. This is what the whole world should follow and to not be driven by their own sickness of mind.

MESSAGE #7

Sent to many Muslims in the past via internet

Message for all Muslims:

*I asked many Muslims to show me **proof** of Islam's truth claims so I could become a Muslim. To my surprise, none of them could help me. Now I am asking the rest of them if any can.*

I am a man of wisdom, and wisdom has the power to discover while proving everything by facts. That is why I ask for proof about Muhammad.

If Muhammad is the true Messiah, I will follow him. If Jesus Christ is the true Messiah, I will follow him.

Let's check out the facts or proofs that they both gave:

According to millions of witnesses and documents that we have, Jesus Christ came from heaven. Jesus did not come like any other human being did.

From the beginning of creation, Adam and Eve fell into temptation and disobeyed God. For their disobedience, they were cast out of the Garden of Eden. This was the most perfect place created for humans to live in and have fellowship with God.

The devil came in the form of a serpent, deceived Eve, and made her sin by eating a fruit which was forbidden by God to eat.

In the garden, God said to the devil, "And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." -Genesis 3:15

So after Adam and Eve fell into the evil knowledge of Satan, God had a plan to save mankind from all of the evil knowledge of the devil. God wanted to teach mankind how to be obedient to Him, by sending Jesus Christ.

The Spirit of God, through the Prophet Isaiah, spoke about Jesus Christ 700 years prior to His birth.

Isaiah proclaimed saying, *"Therefore the Lord Himself shall give you a sign: Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel."* -Isaiah 7:14

Then, when the fullness of time had come, God sent Gabriel, one of His angels, to a young woman named Mary.

Here is more scripture, written by Jesus' followers that were eyewitnesses:

"And in the sixth month, the angel Gabriel was sent from God unto a city of Galilee, named Nazareth, to a virgin espoused to a man whose name was Joseph, of the house of David; and the virgin's name was Mary. And the angel came into her, and said, hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women. And when she saw him, she was troubled at his saying, and cast in her mind what manner of salutation this should be. And the angel said unto her, Fear not Mary: for thou hast found favour with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name Jesus. He shall be great, and shall be called the son of the highest: And the Lord God shall give unto him the throne of his father David: And he shall reign over the house of Jacob forever; And of His kingdom there shall be no end. Then said Mary unto the Angel, how shall this be, seeing I know not a man? And the angel answered and said unto her, The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee. Therefore also that holy thing which shall be born of thee shall be called the Son of God." -Luke 1:26-35

We now bring you to the biggest evidence that Mary was a virgin:

As we know in the genealogy of the Bible, all the people are listed as if they are born of a man. For example, "and Isaac begat, and Jacob begat...etc." Society back then was paternalistic, so the Jewish culture had people known from their fathers, not the mother's side.

Prophecies we read about Jesus say that a woman will give birth to a son, with no mention of a father. One prophecy even specifically mentions Jesus being born of a virgin.

"Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel," Isaiah 7:14.

In the original Hebrew text, the word virgin appears as "**Almah**." We know that word means, 'young woman' (in her teen years).

People argue to say that it doesn't mean virgin, and they are correct. But why would the Bible mention this like it was supposed to be such a dramatic event? Isn't it normal for 'young women' to have children?

Another proof is that Mary would have been shamed if she had sexual relations before marriage. In those times, the purity of a woman meant everything. There is no way Joseph would have gone through with the marriage if she wasn't a virgin. Mary was 'betrothed' to Joseph or 'engaged,' so if anything, Joseph should have divorced her. But an angel appeared to Joseph in a dream and told him not to be afraid to marry her because the child is of The Holy Spirit.

This is solid evidence because the Jews, similarly to Muslims, would never shame their people and write a story of a promiscuous woman who gave birth, especially to one who is the Son of God.

Everyone who exists on earth has a birth certificate verifying who the parents of that person are and what city the birth took place.

This means that everyone on earth, including Muhammad had a birth certificate.

The certification of Jesus Christ says that his father is God Almighty. This was verified by God Himself, The Holy Spirit, by the angel Gabriel, and the apostles of Jesus.

How can anyone disbelieve or doubt those facts?

During His stay on earth, Jesus spoke of The Holy Spirit.

The Holy Spirit is not just a supernatural power and is not with everyone as such believe this to be.

"Howbeit when He, The Spirit of Truth, is come, he will guide you into all truth: For He shall not speak of Himself; But whatsoever He shall hear, that shall He speak: And He will shew you things to come."

(John 16:13-14)

Jesus said **HE**, meaning that The Holy Spirit is a living personality, and not just a working power. Also to back that up, Jesus said that The Holy Spirit will **SPEAK**.

When The Holy Spirit teaches us the truth, there is no other truth that we can receive from man, because He is above man. Many Muslims believe this verse is Jesus telling us of Muhammad's coming. However look carefully in this verse. Jesus says, *"The Spirit of Truth."* This same reference can be seen in John 14:17 where Jesus says:

"Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you"

Notice here Jesus says the Spirit of Truth dwells among them and shall be IN them. How could Muhammad have dwelt among them at that time? How could Muhammad be IN them if he was born about 600 years later after they were all long dead? Jesus had the Holy Spirit as He is One with Jesus. Jesus is saying the Holy Spirit will be poured out upon His true disciples after He is raised from death which happens later in the Bible. So it is clear Muhammad cannot be the Spirit of Truth but rather, the Holy Spirit.

This also means that The Holy Spirit is even above the prophets that speak His truth.

***The prophets that honor themselves are not from God because God will not share His glory with anyone.*

Also, "God resists the proud but gives grace to the humble." -James 4:6

God gives His power to those that He sees are humble to be used by Him and not let people idolize them.

Therefore, the true prophets must give all glory to God, and not themselves.

Jesus was the perfect example of humility. The Bible also continues to say that He lived to fully give Himself away. He was humble all the way to His death.

"He humbled Himself, by becoming obedient to the point of death—even to death on a cross."

-Philippians 2:8

We see that Jesus proved to be greater by having more power than any prophet in the past.

He also proved the best way to live, stayed humble, and gave all the glory to God.

The Bible also proves that Christ healed all kinds of sicknesses, raised people from the dead, and He Himself rose from the dead after dying on the cross. History proves indeed Jesus did die on the cross for

certain. Even atheist history scholars who are not deemed insane by the academic community will tell you for sure He died on the cross.

The Holy Spirit came upon the apostles and many other people, giving them the same power that Jesus had. The Holy Spirit still works today in the same power as He did in those days.

Now I ask the Muslim believers:

Did Muhammed come from heaven? Did Muhammed heal any people that were sick?

Did Muhammed resurrect anyone or himself from the dead?

No he did not, and in fact *Muhammed is buried in Al-Masjid an-Nabawi, in the city of Medina, Saudi Arabia.*

If Muhammed is still dead in his grave, how can he save you?

We have been talking about Jesus, and as we see there are numerous proofs that He is the Messiah of the world. The Quran even says in Sura 3:45 that Jesus is the Messiah. So both the Bible and Quran admit Jesus is the Messiah, the Savior of the World. So many are now asking, "What is He going to save us from? From what must we be saved?"

FACT #1

We as people are all sinners and are in need of a savior. Sin separates us from God, producing death ultimately. It also destroys the perfect and beautiful things in our lives.

"Then when lust has conceived, it gives birth to sin; and when sin is accomplished, it brings forth death." -James 1:15

"For all have sinned and fallen short of the glory of God." -Romans 3:23

"For the wages of sin is death, but the free gift of God is eternal life through Christ Jesus our Lord."

-Romans 6:23

FACT #2

We will all one day die, sorry to break the news to you...

We need to be saved from eternal death. We know that for the penalty of sin is death.

We cannot redeem ourselves from this eternal death.

We need a savior to save us from the eternal death, and give us eternal life.

Jesus said to her, "I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live," -John 11:25

*** These words were spoken to Martha, right before Jesus resurrected her brother Lazarus who was dead in the tomb for four days. *** We also have archaeological evidence of recent findings of the tomb of Lazarus, where it says on his tomb, "Jesus, friend of Lazarus, dead for four days," on the ossuary itself.

Jesus spoke these words:

"I am the way, the truth, and the life. No one comes to the Father except through Me."

-John 14:6

Here Jesus verified to the whole world that no one could go to the Father, the Almighty God, except only through Him.

When Jesus came, He did not use force to prove Himself. His doctrine was based on loving others and being compassionate to all people. He taught us to love our enemies while also praying for them.

"But I tell you, love your enemies and pray for those who persecute you." -Matthew 5:44

Jesus also traveled and had fellowship with people whom the rest of the world despised: tax collectors, fishermen, prostitutes, and those that were previously oppressed by devils.

Many people judged Him, but He wasn't bothered by their judgements or accusations. He even loved those that nailed Him to the cross!

"Father forgive them, for they do not know what they are doing." -Luke 23:34

His greatest commandment is to ***love one another as ourselves.*** -John 13:34

God did not give us life on this earth to hate, kill, and destroy one another.

Loving and helping one another and to perfectly obey God is the best thing for all people.

The devil's evil knowledge, and the foolishness of our minds, influences us to hate and disrespect one another. The evil ways that are taught to man, are destructive and not beneficial for anyone.

Those that teach evil and hateful ways to their children ought to be ashamed of themselves and repent!

To repent, means to agree to stop sinning, to also take sin out of our minds, lives, and families.

God wants us to strive for holiness, because He himself is Holy.

"Thus you are to be holy to Me, for I the Lord am holy; and I have set you apart from the peoples to be Mine." -Leviticus 20:26

We can only be holy through our repentance and an everyday commitment to being separated from sin. We can only do that through Jesus Christ, and the help of The Holy Spirit. If we do the things that Jesus wants, spend time with Him in prayer, and continue in His word, we will be able to live a holy life. We then will be able to love one another, not hate or destroy one another. We will also be able to teach our children to do the same, and the world will blossom into a beautiful place the way God intended for it to be!

We along with our families will be saved from the eternal death!

Those who accept Jesus Christ as their Lord and personal Savior, will not be condemned, but will have eternal life.

Jesus proves Himself to be a healer, The Son of God, lover of all people, and also the Savior of the World. He came with the mighty power of God, according to the documents we have.

I still cannot find any proof about Muhammed as a savior, nor if he was able to do the things that Jesus did.

I asked many Muslim followers, but to my dismay, they were not able to provide any proof of the things I was looking for.

There are many recorded eyewitnesses of the miracles that Jesus did, and even so many more that if they were recorded, there wouldn't be enough room to contain writings of them. -John 21:25

MESSAGE #8

SENT TO INDIA IN THE PAST

Recently I visited India, and I found that most of the people there have good moral character.

They live simple lives in humility and are very religious.

I also discovered that many of the religious people do not know who the One True God is.

Because of this they make different gods and worship them.

I really grew to love the people of India and want to help them by proving to them who the One True God is.

The true God is the very first personality. Before Him, no other personality ever existed.

He is All-Wise, All-Powerful, Holy, Righteous, Perfect, and Everlasting.

God is the Creator of everything living that we see and don't see. He is a living Spirit.

He is also above the universe, above death, and gave life to people who were created in His image.

-Genesis 1

God created people to have fellowship with them. His plan for man was to live forever in His presence, holy and perfect.

The Word of God, which is the Holy Bible, tells us that nobody has ever seen God.

-John 1:18

Since the beginning of time, God spoke to people that walked righteously before Him.

God could not speak to those people that did evil because He cannot tolerate evil.

The people He spoke with were called prophets. They were used to do great works on this earth.

The Almighty God had a plan of salvation for the people that He created.

In the very beginning, God created mankind to be perfect. The first two people on earth, Adam and Eve, lived wonderful lives.

They had everything they needed and spoke with God directly.

God warned them not to eat from a certain tree that was in the middle of the beautiful garden that they were living in. Time passed by and they disobeyed, eating the fruit from the tree.

God was very displeased with Adam and Eve so He made them leave the garden. He told them that now they will not have the same beautiful life but will be cursed along with the earth and will also die.

Before they disobeyed, God had a plan that they may live forever.

Adam and Eve left the garden having to work to stay alive. God also told them that the woman will bear children in pain, and Adam will work very hard to survive. In all of this, God was very sad that He had to see His beloved children living this way. They could have had a beautiful and perfect life with Him, but because of their disobedience, they had to face the consequences.

For God so loved the world, that He gave His only begotten son, that whoever believes in him should not perish, but have eternal life. –John 3:16

God's ultimate plan for the salvation of humanity was spoken of all throughout the Old Testament of the Holy Bible.

He had to send His only begotten son into this world, so that people may learn how to live like God.

The Holy Bible mentions the birth of a Messiah, or Savior, that will save people from their sins. The Holy Bible states that His kingdom will be everlasting, and that it would be for all nations of the earth.

The long-awaited time came when Jesus Christ was born into this world. He was a Holy Child, born of a virgin that was conceived by the Spirit of the Almighty God.

Jesus Christ lived a holy and blameless life and did a lot of good. He healed the sick, cast devils out of people, and even raised the dead.

The main lesson that He wanted to teach humanity was to love one another as you love yourself.

Many people despised Him and in the end killed Him by hanging Him to die on the cross.

But Him being Holy and without sin, rose from the dead on the third day, just like He said He would.

This was all part of God's plan. There needed to be some kind of sacrifice for the sin of humanity, so God sent His own Son to become the sacrifice.

Those that accept Jesus truly and sincerely with their whole heart, confessing with their mouths that He is the Savior and believing that God resurrected Him from the dead, will be saved.

Now being saved doesn't mean to just have a good life here on earth. When we are saved, we are forgiven of our sins, no matter what we did in the past. Also we become God's children, and He will accept us into His everlasting kingdom in heaven.

When Jesus was on this earth, He said, "I am the Way, the Truth, and the Life. No one can come to the father except through Me." -John 14:6

Jesus made it very clear what Almighty God desires from us. He said, **"This is My commandment, that you love one another as I have loved you."** -John 15:12

The Holy Bible makes it evident that there is only one God. There were many people mentioned in the bible that served other gods. The sad truth is that those other gods, were just man-made figures.

The other gods were never able to talk back to people, nor bring any good to them. In fact, they brought bad because God punished those people.

There are many instances in the Bible that talk about God's wrath and punishment coming upon those that rebelled or served other gods.

God Almighty (Jehovah) is a living spirit. When Jesus was on this earth He said, "God is Spirit, and those who worship Him must worship in spirit and truth." -John 4:24

God doesn't delight in worship of dead images. It is written, "Cursed is the man who makes a carved or a molded image, an abomination to the Lord, the work of the hands of the craftsman, and sets it up in secret." - Deuteronomy 27:15

God wants His children to get to know Him! He wants to have a DIRECT relationship with all people!

He is the One giving us life, good health, and food on our tables!

The Holy Bible is recognized by the whole world today. This book is 100% true and there are no lies in it. This book changes lives every second as the world turns and will change your life, GUARANTEED.

Once you begin to read it with an open mind, God will speak to you. Your world will change!

The truth will be revealed to you, and you will share it with others because you will not be able to contain it.

We also ask that you pray this prayer with us:

Dear Almighty God,

Please reveal yourself to me. I keep hearing different stories from many people about who the real God may be, but I want to know for myself. There are so many gods in this world, how can I know for certain that you are the only true God? Please do the same miracles in my life that are written in the Bible.

Change my life, give me joy and peace! I believe that you sent Jesus Christ into this world to become the sacrifice for all of my wrongdoings. I accept this sacrifice.

God please forgive me for all of my sins, and let me feel this forgiveness in my life. Please send your people to continually teach me about the Bible.

Thank you Almighty God.

If you prayed this prayer with your whole heart, expect great changes in your life.

You will see how God will send people into your life to explain the Bible to you. You will also start feeling a conviction for your wrongdoings.

We do ask you to obtain a Bible, and try to find a Christian Church nearby in your community.

GOD BLESS YOU ALL!

MESSAGE #9

7/20/2005

Message to President Bush

Dear Honorable President Bush:

Mr. President, we are in an emergency situation concerning our children, and it's only getting worse.

Even though this catastrophe began before you came into office, I believe this is your responsibility along with the Congress to stop these crazy events.

Our children are growing up in an environment that is getting corrupted with drugs, gangs, pornography and perversion. The innocent children are getting influenced at an early age and peer-pressured into doing things they don't want to do. They grow up seeing murders on TV along with many other evil acts.

The things that are broadcasted by the media are learned by the children. They grow up thinking that it's cool to have guns, smoke marijuana, and drink alcohol. The teenagers look at the hip-hop and rock stars, admiring them, and wanting to live life the same way.

Along with these problems, children are getting molested and raped. Children and teens are disappearing, and families are left to suffer in agony.

A lot of children do not know who their real father is because the mother has multiple kids from different men. This leaves many children confused, depressed, and with destroyed personalities.

Those lost and emotionally scarred teens become mentally ill as they grow up or turn to sexual immorality like homosexuality. Many of them follow the same patterns of life just like their parents did, or what they saw on the streets.

So many people grow up in these ways and cannot find help once these problems have affected their lives.

Mr. President when you are making love to your wife, do you show this to your children? Of course not! This obviously is a private act between you and your wife. It is also to produce children to raise them up in a healthy family.

There should be a law imposed for all families to follow and only between a husband and a wife.

Dear President, if you show your children what you do with your wife on your bed, do you not think that is an evil act? Is it perhaps a wrong direction of the mind and unlawful?

There are some very important questions that need be answered:

Do you not think, if we have a proven unlawful act, it is a crime when it becomes lawful?

Can we permit any unlawful act to become a true law in the name of Freedom?

Will Hollywood continually have the right to infiltrate the minds of our children?

Wouldn't it be great if the government would take a stand against this evil that is going on?

If the government allows the destruction of our children, brainwashing them with the evil that they see in the media, that is not liberty!

The things that are happening as mentioned above should be classified as serious crimes, and laws need to be imposed to prevent the destruction of our country!

"COPY SENT TO OTHER RESPONSIBLE LEADERS EVERYWHERE"

Member of Chairman Advisory Board #153975115

******I serve the highest authority that controls the universe and the everlasting, governing the mind without any evil or foolishness******

Message #10

A VERY SERIOUS WARNING

To Honorable President Barack Obama, and to all Atheist Leaders and Law Makers of America

It is a proven fact that homosexuality is an evil act and is a sick knowledge of the mind.

Homosexuality is against our Constitution because it is written, "*One Nation, Under God*"...

God is the Creator of humanity and is completely against homosexuality. Anything that is against God's perfect law is an evil act.

God completely destroyed the cities of Sodom and Gomorrah due to their homosexual acts.

Those who approve homosexuality are workers of Satan.

All of you, including the law makers permitting or creating these laws, are destroying our society and our democracy.

Anyone that is against God is an evil person, and there is nothing you can say that will justify your actions.

All of you who make, enforce, or partake in making these evil laws, should be ashamed of yourselves.

This DISEASE that you are supporting will spread to our whole country, and to the rest of the world since many nations take example from the United States of America. If they see these things approved in the United States and we call ourselves "A Nation Under God," then we are not only putting a curse on our country, but we will be held accountable before God for spreading this disease abroad.

Aside from that problem, we have another issue that should concern us.

If more people become homosexual, they cannot give birth to children.

Our nation is decreasing in population each year. The Arabic and Asian people have many children in their families and are spreading worldwide. They are also spreading their pagan beliefs and corrupting societies.

Aside from that, the American people will soon be speaking Arabic or Chinese, and the United States may become a Muslim nation under Sharia Law. Think about what you are doing, and the laws that you are allowing to pass.

The evil that you choose to live in, do not let it corrupt our children! They need to choose right from wrong on their own. It's nearly impossible if all they see on TV is sex, killings, homosexuality and other perversion.

You all ought to be very ashamed of yourselves and repent of your sins before God punishes the United States of America!

God gave America for it to be a Christian country. From the very beginning, God blessed this country because of it. God did not give this country to allow the spread of atheism and pagan religions.

Our forefathers were Christian people. God gave them wisdom in the making of the U.S. Constitution.

The U.S. Constitution was made on the foundation of the Holy Bible. There is a reason why we say "God Bless America" and in the Pledge of Allegiance, "One Nation under God." But you atheist lawmakers have corrupted the law, which is now poisoning our society. You pass evil laws against the Word of God, destroying the blessings that were given to this country while also destroying the new generation.

By passing many laws against the Almighty God, you are bringing judgement upon yourselves. Not only that, but what you are doing is inhumane. Therefore, you are all acting like animals!

Animals do not mate with the same sex. You are proving yourselves to be lower than brainless creatures.

Aside from the facts of your stupidity, which is spreading and corrupting the whole world, you have a greater problem to worry about:

The Almighty God is coming soon to judge the earth. He will not stop or be stopped by anything in His way. Those that choose to deny Him while following what seemed right to them, will be destroyed with fire just like He destroyed Sodom and Gomorrah.

Repent because time is running out. Yes all of you, repent! Do not justify yourselves or point the finger at the next person.

Repent and accept Jesus Christ because only through Him is the forgiveness of sins. Only through Him can we have eternal life.

“For God so loved the world, that He gave His only begotten Son, that whoever believes in Him, will not perish but have eternal life.” *-John 3:16*

Message #11

IMPORTANT MESSAGE TO CATHOLIC AND ORTHODOX BELIEVERS

The Catholic and Orthodox creed is a true creed.

This true creed states that we believe in one Holy Catholic and Apostolic Church. The true meaning of that means every member belonging to the Catholic and Orthodox Church must be holy.

Jesus is the Head of the church, and He is Holy. Therefore His church must be holy.

Every true believer is a member of the true Body of Christ, and the Body of Christ is holy.

Holiness is perfection.

God always lived a Holy and perfect life.

God's kingdom is always holy and perfect, and He teaches us His knowledge through His word.

His word teaches us about Holiness and Perfection, and this is how we transform into the similitude of God.

God always reigns with Holiness and Perfection, always prioritizing these two characteristics.

Jesus was the perfect example of the Holiness and Perfection all the way to the cross.

Sin is the knowledge of Satan. Sin is an unjust knowledge, which produces foolishness, evil, death, and destruction. This is why God does not permit sin because if permitted, God's kingdom would be destroyed.

Apostle Paul writes, "For the wages of sin is death..." - Romans 6:23

The whole world is in big trouble today because of sin.

This is why the first lesson Jesus taught was about sin.

Here is what Jesus said:

“The time is fulfilled, and the Kingdom of God is at hand; Repent and believe in the Gospel.”

-Mark 1:15

Jesus taught about true repentance. To repent and to continue sinning is not true repentance. True repentance overcomes sin. Jesus continued to say “Believe in the Gospel.” Through it we learn to live while being holy.

The Gospel of Jesus Christ NEVER permits sin.

To read and to do what the Gospel of Jesus tells us to do is extremely important and is a personal responsibility for every believer.

It is a command of our Lord, our Savior, our Leader, Jesus Christ.

Hear what Jesus spoke to the believers from the beginning, “Then said Jesus to those Jews which believed on Him. *‘If you continue in My Word, then you are my disciples indeed. And you shall know the truth, and the truth shall make you free.’*” *-John 8:31-32*

“Most assuredly, I say to you, whoever commits sin is a slave to sin...” –John 8:34

“Therefore if the Son makes you free, you shall be free indeed.” –John 8:36

Jesus says that we must continue in the word of God while growing to understand what is written. Then we need to follow up with full obedience just like Jesus did, all the days of His life.

We as followers of Christ, must follow Him firstly. This means Jesus is our leader, not man.

Jesus wants us to seek a personal relationship with Him, a personal experience...

If we want to become a doctor, we must experience it personally. If we do not experience the joy that it brings, we will never be a true doctor.

I know a woman that really loved her career as a doctor, and her whole life was consumed with her career. She said that she woke up thinking about her job, went to sleep thinking about her job, and was even counting medication in her sleep!

This is a very good example of someone that had a personal experience and was driven by love.

The same goes for those that are believers of Jesus Christ. To be true Christians, driven by love for God, we need to experience Christ personally.

This is the #1 reason that people are saying that God does not exist.

The truth is God does exist, but people are not seeking to find Him personally in their lives.

After experiencing Jesus personally, we must remain faithful to Him, doing what He calls us to do. We must prove our love towards Him, for He says, **"If you love me, keep my commandments."** – John 14:15

The Apostles of Jesus Christ proved their love towards Him. They had a personal relationship with Jesus and experienced Him, even after His death. Also the Apostles obeyed the gospel and lived holy lives. This should be the lifestyle of every Christian person.

The Apostles of Jesus belonged to the True Catholic Church because they were living holy lives and striving for perfection.

Jesus's Apostles were also True Orthodox, meaning they obeyed Jesus. They belonged to the Orthodox Church of Jesus Christ, which was completely against sin.

Jesus is the True and Holy leader to the Catholics and Orthodox, those that desire to live a Holy life.

This is exactly what the Catholic and Orthodox Creed states: "We believe in one holy Catholic, Apostolic Church.

It is a proven fact that holiness comes from God and that sin comes from the devil.

Jesus said, "You cannot serve two masters." -Matthew 6:24

He also said, ***"Not everyone who says to Me, 'Lord, Lord' will enter the Kingdom of Heaven, but he who does the will of My Father who is in heaven." -Matthew 7:21***

The Apostles of our Lord Jesus were truly Catholic and Orthodox because they obeyed the Lord with all of their hearts, living holy lives. They were also driven by the power of the Holy Spirit.

You call yourself a Catholic or an Orthodox, but Jesus wants for you to be holy. Here are some questions for you:

Are you holy?

We are an Apostolic Church meaning we must imitate the Apostles of Jesus while being holy.

"Pursue peace with all people, and holiness, without which no one will see the Lord." -Hebrews 12:14

Do you follow religious leaders or Jesus?

Jesus said, "do not call anyone father or leader, but everyone is to be equal as a brother" -Matthew 23:8

Jesus also said, "I am the way, the truth and the life. No one can come to the father except through me," -John 14:6.

Do you have the power of the Holy Spirit?

The Apostles of Jesus Christ had the power of the Holy Spirit.

Jesus said, "And you will receive power when the Holy Spirit comes upon you, and you will be My witnesses..." – Acts 1:8

Holy Spirit is the third personality of the Godhead as you already should know... Now when He comes and fills our lives, everything starts to change!

The Holy Spirit begins to teach us things that we never would have seen before in the Word of God. Also the Holy Spirit convicts us of sin and comforts us in our afflictions.

He comes and counsels us, guiding us to all truth. He leads our paths so that we may experience great victories while bringing many people to Jesus Christ!

The Holy Spirit comes into our lives, filling us with joy, peace, love, longsuffering and many more beautiful things. There are also 9 gifts that people may receive that are distributed as God wills, and are given according to one's calling. - 1 Corinthians 12:7-11

Every believer needs the Holy Spirit. He teaches us how to overcome all the power of the devil and the demons. The Holy Spirit convicts us of sin and gives us the right words to speak with boldness and authority. Without the Holy Spirit we will not have guidance and will be enticed by sin and false doctrine.

We must listen to Jesus, our leader, to what he says. He gave us the verification of the truth.

"The Holy Spirit will teach you all things." –John 16:13

We believe in One Holy Catholic Apostolic Church. When I say Catholic, I am not talking about the Vatican. I am talking about what it truly means to be a Catholic or Orthodox. Again, a Truly Catholic or True Orthodox church is holy, obeying all of Jesus' commands, not man's.

The Apostles were obedient to Jesus and the Holy Spirit and lived holy lives.

They lived lives of submission to God and sacrificed their lives for the sake of the gospel. This means that they belonged to the Holy Catholic and Apostolic Church, which is verified by the creed.

This is proven by the true and unaltered Gospel of Christ, which is the New Testament. It was written from the times of the Apostles and remains the same.

If you are a true Catholic and Orthodox like the Apostles, living in true holiness, guided by and obeying the Holy Spirit, then you have entered into the Kingdom of God.

If you choose to follow your own path, taking the wide road that will lead you to destruction.

–Matthew 7:13

The greatest opportunity for all mankind is to enter the gates of heaven, where we will live forever with God.

The most horrible thing that can happen to anyone is to go to hell. Anyone who goes there will suffer forever. Jesus says there will be weeping and gnashing of teeth.

There are many religions, but there is only One Savior to save the world from sin. His name is Jesus Christ. He is the Only One that can take us to heaven, and we cannot enter through our good deeds.

-Ephesians 2:8-9

Jesus said, "I am the light of the world, he that follows Me shall not walk in darkness, but shall have the light of life." – John 8:12

Message #12

Printed and distributed on 12/1/2001

Concerning the Atheist Scientists

Atheist scientists lie to humanity. They say that God does not exist and this causes the biggest catastrophe to mankind.

Our life is the most important issue for our well-being. Today, the world is divided between the theory of evolution and creation.

Where does man really come from, evolution or creation?

Both sides have presented many ideas, but where are the proven facts? If evolution is correct, can scientists give us any proofs? Can they give just ONE piece of OBSERVABLE Darwinian evolution, or a change outside of species (ie. A change of kind)?

Still to this day we wait...

If creation is proven, then can the Christians prove it?

Yes they can. We as Christians most definitely can.

We have proof that there are Physics and Nature. No one can argue against that.

Physics and Nature have no knowledge or understanding.

So then physics and knowledge are two different entities.

Physics multiplies by its own law to a proven direction of growth- to more physics. There is no knowledge into the physical growth. It's only physical to more physical without any knowledge. For example, the laws of gravity with a medium sized star verses a red giant show that the red giant, having more mass, will then have more gravity. So the physics is multiplied but the law itself, the law of gravity, still remains the same as there is nothing new to discover there (ie knowledge).

Physics and nature have existed for billions of years...

Even though these things existed for so long, they cannot be recognized by their own laws, because there is no true knowledge in their physical laws.

Therefore, all physics and nature without knowledge is equal to ZERO. Even if nature is the true beginning of physics, it is not the very true beginning. The laws of physics, or their very existence, are the effect but what then is the cause?

By facts, the very true beginning of everything is the true knowledge. Wherever the true knowledge comes from is also a true personality. To mention again, nature and physics is not a true personality, and this is evident.

The true personality has knowledge and real understanding of everything, being a perfect personality, much different from physics or nature.

Today, there are billions of personalities with true knowledge, and the question is, who gave us this knowledge?

Nature and Physics cannot give knowledge because they do not have knowledge.

Human beings not only have knowledge and understanding of everything, we also have a body which is full of technology.

Technology comes from true knowledge.

True knowledge creates something for a purpose.

For example: Our heart is meant to pump blood throughout the body, having a vital purpose to carry life throughout the whole body.

When our heart stops, we are dead because the blood cannot be circulated throughout the body. The blood must go all throughout our whole body, thus bringing life. There is life in the blood and this is a proven fact.

Physics and nature cannot create the heart or any other member of our body, having no knowledge nor understanding of any purpose...

Our brain is for a purpose.

Our eyes and ears also have a different purpose. They must be connected with the brain, once again for a purpose...

We need arms to work and feet to walk, also for a purpose...

Physics and nature do not understand any of that.

Physics and nature do not understand that man needs a heart, eyes to see, ears to hear, a mouth to eat or a tongue to speak.

The brain produces knowledge making everything work for a purpose while giving the command to each member of the body.

Every member of the human body has a purpose, and every member does a different function.

Every purpose starts in the Knowledge of the True Personality and has Understanding to do as commanded. The idea is given to fulfill the discovery. After the discovery is fulfilled, we call this technology.

When the true personality receives the idea to do something for a purpose, then we have a plan. So to have the fact before any purpose can be fulfilled by knowledge, we need to pre-plan.

The proven fact is that every member of our body is working differently and every member for its purpose. This most definitely proves that our body was pre-planned by someone with true knowledge and understanding.

Nature and physics have no knowledge, proving that our body NEVER in ANY WAY could be created, or evolved.

Also another fact is that the human body and the animal body need food to grow, only after being completed by knowledge.

This is by far one of the most important facts because food cannot enter into our body to give life, unless the body is fully complete.

Do we understand the facts clearly? Here we are giving facts, not myths! There were facts by the Physical Laws, and facts by the Laws of Knowledge.

Without a complete mouth or stomach, food cannot enter into the body to keep it alive. Nor can it allow the body to grow...

The other fact is that our body must become **completed** without food. If it is not complete before food enters, how will it digest? How will the body work properly to grow? Think about this...

This is why the atheist scientists could not prove that. At the same time, they continue to lie and brainwash people with their myths.

Thanks be to God that there are wise people in this world, and that they have wisdom to prove the by facts how man originated.

We already made it clear by facts that the true beginning of the human race came from a true personality who has true knowledge and understanding to be able to create every member of our body for a special purpose. This true personality must have existed before mankind was created.

Since the beginning of time, this personality appeared to mankind as 'God Almighty.'

"When Abram was ninety-nine years old, the Lord appeared to Abram, and said to him, "I am God Almighty; Walk before Me, and be blameless." – Genesis 17:1

There were many more people to whom God Almighty appeared. According to the documents that He gave to the human race, He governs every personality by perfect knowledge in everything and perfect life. This always has been and will be since He never changes. We must be careful to obey His perfect knowledge while respecting His wisdom, which surpasses all the wisdom of man.

He is the Creator of humanity, of all living things. He is concerned for every person's well-being and wants us to live a perfect life.

This perfect life is intended by him for everyone, for all to see the beautiful things in this life that often times we are blind to see... He really wants ALL PEOPLE to live in peace with the experience of true joy.

Another proven fact is that it takes wisdom to understand the documents that God gave to mankind. These documents were given for us to understand the beautiful life that we can be living here on earth.

Because the human brain produces part wisdom and part foolishness, the wise keep wisdom for it to govern their minds in all perfection. On the other hand, fools allow foolishness to govern their minds which is the complete opposite of perfection.

Wisdom has the ability to prove anything by real facts while foolishness tries to prove itself as wisdom, only using lies or myths to deceive people.

This is why the atheist scientists have been lying to people all this time.

For many ages, these scientists have been trying to discover the true origin of man but by foolishness.

They could not find real evidence. Therefore they built up many lies around fossils disguised as facts, expecting the rest of the world to believe their lies.

To their dismay, there is not one standing fact in any of their teachings or theories.

According to the atheist scientists, man evolved over billions of years.

So let's try to understand their so-called fact.

If it took billions of years for man to evolve from physics and nature, how many billions of years did it take for woman to evolve? The woman would have needed to evolve into a perfect body, at the same place and at the same time. The reason for this is that man and woman have different bodies. They must be perfectly connected to produce children.

Physics can never produce for this purpose.

As the child evolves in the woman's womb, this is living proof! There is no other way that people could have evolved on their own...

Neither could they have been created by nature or physics alone.

As I said before, we need knowledge for any pre-planning that we intend to do.

The time has come for all atheist scientists to discover TRUE WISDOM!

This is the hour to examine all proven facts concerning the Origin of Man and to stop lying to the world.

No one can go against solid evidence, against the facts given by the Wisdom of the Holy Spirit.

GOD ALMIGHTY, THE PROVEN CREATOR OF THE UNIVERSE, HAS GIVEN WISDOM TO WRITE THIS BOOK. WE HAVE FACT AFTER FACT, PROVING THAT HE IS LORD OF ALL.

THIS IS A SPECIAL WISDOM GIVEN BY THE HOLY SPIRIT, AND IT BREAKS DOWN THE WISDOM OF MAN. THE SIMPLE FACTS COMPLETELY DESTROY ALL OF MAN'S BOASTING AND SO-CALLED KNOWLEDGE.

Very Truly Yours,

Niko, Man of God, friend of His super-wisdom

For consider your calling, brethren, that there were not many wise according to the flesh, not many mighty, not many noble; But God has chosen the foolish things of the world to shame the wise, and God has chosen the weak things of the world to shame the things which are strong."

-1 Corinthians 1:26-27
