We would like to share that Agape Women's Services will be offering a group for post-abortive women this fall. Statistics show that 1 in 4 women who have had an abortion had one while attending church.

They would be honored to serve any woman who might be struggling with a past abortion. This will be a small, confidential class that focuses on what the Word of God says about forgiveness and healing from abortion.

This 10 week class will begin on August 5, 2019.
