Students for high school, college, career and beyond!

Two student making a difference not only in the community but in the classroom are highlighted below. These student aren't better than their peers: they are simply

exemplary children working to my difference in the their school communities As always, its incredibly difficult for us to only select two who truly embody the spirit of academic excellence, compassion and generosity.

## Thanks For Making A Difference!

I'm delighted to share The Ronnia Langston Foundation Inc., newsletter with you. Every few months we will highlight notable news update from within our organization and youth program.

The "School Spotlight" will call attention to stones of student achievement and success, as well as innovative projects that are preparing

Meet our two students of the month Lisa and Sid our part of the RLF. Here's what they wanted to say.

He said hi my name is Sid, and I'm a proud volunteer of the RLF. He is a sophomore at Liberty High School in Frisco and he is currently 15 years old. He is an activity member of the Boy Scout of America and loves Taekwondo. In his free time

he likes to remain active and enjoy playing basketball with his friends.

Lisa is a Junior at Mckinney high school. She is involved into many circular academics such as the CNA program HOSA, GreenCord, Key Club and WHAB. In her spare time she like to do Art and volunteer. Lisa, has many decision to make matriculating in the West Coast or attending local her in Texas.

We believe at The Ronnia Langston Foundation Inc, the future of Texas depends of the strength of our children, families, and communities.

Check out our events to see how RLF supports our community. Your financial support allows us to achieve so much more.

Thanks You
