National President Ken Tsukamoto

*Welcome
to all our Fellowship family around the world.*

We are celebrating our Vision from God and our 60th anniversary at the World Convention in Armenia!

We are right now experiencing a vast global movement of lay people directed by the Holy Spirit. They are working in the marketplace, bringing thousands of people to Christ.

As we celebrate six decades, and rapidly expand forward, let's celebrate the legacy of how our Lord continues to use this Fellowship to literally transform nations, one heart and one family at a time.

This Happy 60th Anniversary book is a reflection of what God has done and a look into the future, as He transforms entire nations. Our Vision is to reach one person in every home... in every country! Through your prayers and participation, together, we are setting our sights to reach the next generation.

You are part of the transformation of nations.

Today, people in the marketplace, just like the disciples of old, are letting the light of Christ shine to their world.

There is an urgency today, as men and women in the marketplace are experiencing a crisis of spirit.

We are making a difference...for eternity. Your destiny will blossom to its full potential through joining together with FGBMF!

Thank you for your part in this global miracle,

Estamos celebrando la visión que Dios nos ha dado en nuestro 60º aniversario en la Convención Mundial en Armenia!

Estamos ahora experimentando un inmenso movimiento mundial de laicos dirigidos por el Espíritu Santo. Están trabajando en el mundo seglar presentando Cristo Jesús a miles de personas.

Mientras celebramos seis décadas, también estamos celebrando como Dios usa esta Fraternidad para transformar naciones—un corazón y una familia a la vez!

Este libro de aniversario es una reflexión de lo que Dios ha hecho durante los últimos 60 años pero al mismo tiempo con una mirada al futuro, mientras que Dios está transformando naciones enteras. Nuestra visión es alcanzar a una persona en cada hogar... ¡en cada nación! A través de tus oraciones y participación, juntos alcanzaremos la próxima generación.

Tú eres parte en esta transformación de naciones.

Hoy día, gente en el mundo seglar, así como los discípulos del primer siglo, están permitiendo la luz de Cristo brillar en su mundo.

Hay una urgencia hoy, porque hombres y mujeres están sufriendo una crisis de espíritu.

Nosotros estamos haciendo un impacto para la eternidad. Tu destino florecerá en su potencial completo uniéndose a FIHNEC.

Gracias por tomar tu parte en este milagro global,

Richard Shakarian

Armenia is the historic homeland of the Shakarian family where by the prophetic word of God began a movement that would sweep the world---the Full Gospel Business Men's Fellowship International.

There was a prophecy to the King 1,600 years ago: "Behold, thou art a chosen vessel. Fear not, I have redeemed thee. Set the gospels torch on Ararat's lofty height to illuminate the length and breadth of the Orient. O King, God almighty is with thee, hear his intent."

Armenia es la patria histórica de la familia Shakarian donde la palabra profética de Dios dio luz a un movimiento que iría por todo el mundo --- la Fraternidad Internacional de Hombres de Negocios del Evangelio Completo.

Había una profecía dada al Rey hace 1,600 años: "He aquí que tú eres un instrumento escogido. No temas, yo te he redimido. Pon la antorcha del evangelio en la altura de Ararat para iluminar lo largo y ancho del Oriente. O Rey, Dios todopoderoso está contigo, escucha su intención".

Today, Armenia is a happy land. It is a Christian nation that has peaceful borders with other lands. There is peace between Armenia and its neighbors. Every weekend people from other nations come to Armenia to enjoy the wonderful food, the late-night singing fountains, and the friendly relationship of the people.

Our International President, Richard Shakarian, was hosted in 1990 by the Armenian government while it was still communist and controlled by the Soviet Union. The government opened the door to the nation. They gave him stadiums and sports arenas to conduct open Christian meetings. This was the first time in 73 years that the Gospel of Jesus Christ was openly preached. As Richard gave the prophetic word to the men of Armenia, they would heed that word, just as they did 1,600 years before. This event is seen by the Armenians as an historic moment in their history. It was the first light of Christ after seven decades of darkness.

The invitation came because we were businessmen. Celebrate Armenia as we celebrate the completion of 60 years!

Hoy, Armenia es un país feliz. Es una nación cristiana que tiene fronteras pacíficas con las naciones vecinas. Cada fin de semana la gente de otros países viene a Armenia para disfrutar de la maravillosa comida, las fuentes donde cantan de madrugada, y la amistad del pueblo.

Nuestro Presidente Internacional, Richard Shakarian, fue invitado en 1990 por el gobierno de Armenia para visitar a la nación. Armenia todavía era comunista y controlada por la Unión Soviética. Le dieron estadios y arenas deportivas para llevar a cabo reuniones cristianas. Esta fue la primera vez en 73 años que el Evangelio de Jesucristo fue predicado abiertamente. Como Richard dio la palabra profética a los hombres de Armenia, que prestaron atención a esa palabra, tal como lo hicieron 1,600 años antes. Este evento es visto por los armenios como un momento histórico en la historia. Fue la primera luz de Cristo después de siete décadas de oscuridad.

La invitación fue extendida porque éramos empresarios. ¡Ven! Disfrute Armenia mientras celebramos 60 años FGBMFI/FIHNEC!

in the New Millennium!

In the fall of 1998, after visiting with the head of State, I was concerned about the future of Nicaragua. I was led to pray in a park near Lake Managua. As I walked off by myself, I received what I can only describe as an "inspiration" and a "command" from above. Some would call it a "prophetic" word. In the next hour I received several commands:

First: Focus on Nicaragua. God has seen their sufferings and heard their prayers.

En el otoño de 1998, después de visitar con el jefe de Estado, estuve preocupado por el futuro de Nicaragua. Me llevaron a orar en un parque cerca del Lago de Managua. Mientras caminaba solo, recibí lo que sólo puedo describir como una "inspiración" e instrucciones desde "Arriba". Algunos lo llamarían una palabra "profética", Recibí varias revelaciones:

Primero: Enfocar en Nicaragua. Dios ha visto sus sufrimientos y ha escuchado sus oraciones.

60th Year Anniversary

Second: Tell of His love and pray for one person in every family in the nation, from the home of the President to the farthest Indian village. That one person would be the seed for the family to be saved. Through the families, the nation would be redeemed.

Third: Tell our story of a better life in every city, every suburb, every town, every village, and at every crossroads. Let every family know of God's love and care for them.

Fourth: Begin the first week of May. This turned out to be a very important date. Labor and Marxist forces had teamed up to close down the nation. Only decisive action saved Nicaragua from civil war.

Fifth, sixth, and seventh: Beware

Segundo: Testificar de su amor y orar por una persona de cada familia en la nación. Desde la casa Presidencial hasta la aldea indígena más lejana. Esa persona sera la semilla de la familia para ser salvo. ¡A través de las familias, se redimirá la nación!

Tercera: Contar nuestra historia de una vida mejor en cada ciudad, cada barrio, cada pueblo y en cada cruce de caminos. Que cada familia sepa del amor de Dios y Su protección de ellos.

Cuarto: Comenzar el proyecto durante la primera semana de mayo. Esto resultó ser una fecha importante. Fuerzas laborales y marxistas habían unido para un paro nacional. Sólo una acción decisiva salvó a Nicaragua de una guerra civil

Quinto Sexto y Séptimo: Cuidado con

Nothing like this had ever happened to me before. I felt like Moses of old when he was at the burning bush and God instructed him, "Go and set My people free!"

I walked out of that park literally

Jamás me había ocurrido. Me sentí como Moisés cuando estaba frente a la zarza ardiente. Dios le dio instrucciones: "¡Ve y libera a mi pueblo!"

The answer was clear. We were to start with what was in our hand, no

matter how insignificant or small.

There was one more part to the mandate. God clearly impressed on me, "You are to begin this project in Nicaragua on May 4, 1999." A divine mandate with a specific timetable to reach one person in every family! This heavenly plan would soon spread around the world in many, many countries.

A GLOBAL PHENOMENON ...

Today, we are reaching one person in every family in many nations. Marketplace outreaches are transforming nations. In many nations, we have actually prayed with the majority of people in the entire nation!

In Honduras, our FGBMFI volunteers recently prayed with 600,000 people.

In Nicaragua, 2,700 FGBMFI volunteers recently prayed with 454,000 people.

There are continuous Fire Teams in outreach all the time, especially from southern United States south through Argentina. Eastern Europe and Russia FGBMFI---they are exploding in growth. It is "catching" like a global phenomenon.

Joe Ortega, USA Vice-President, happily reports: "It's not just "business as usual." We are now determined to GO out and DO! It is action Christianity!

manos, no importaba lo insignificante o pequeño.

Había más. Dios me hablo claro, "Debes comenzar este proyecto el 4 de mayo de 1999." Un mandato divino con un calendario específico para alcanzar a una persona en cada familia! Este plan celestial pronto se extendería por todo el mundo en muchas naciones.

UN FENOMENO GLOBAL ...

Hoy, estamos llegando a un miembro de cada familia en muchas naciones. Avivamientos (compartiendo testimonios) en el mercado de negocios están transformando naciones. En realidad, hay muchas naciones donde hemos orado con la mayoría de las personas en toda la nación.

En Honduras, los miembros de FIHNEC recientemente oraron con 600,000 personas.

En Nicaragua, 2,700 miembros de FIHNEC oraron recientemente con 454,000 personas.

Hay "equipos de fuego" continuando este avivamiento todo el tiempo, especialmente desde el sur de USA hasta el sur de Argentina. FGBMFI/FIHNEC en Europa Oriental y Rusia están creciendo rápidamente. Es un fenómeno global.

Joe Ortega, Vice-Presidente de FGBMFI E.E.U.U., felizmente nos informa: "No es un negocio normal. Ahora estamos decididos en llevar el amor de Dios a todos. ¡Es la fe en acción!"

"Our men and ladies experience a new self-worth when they bring people to God. Jesus said, 'Go and tell what you have seen and heard.'"

Greater is the nation whose God is the Lord!

"Nuestros hombres y mujeres experimentan una nueva autoestima cuando ayudan a la gente descubrir a Dios. Jesús dijo: "Vayan y cuentan lo que han visto y oído."

¡Mayor es la nación cuyo Dios es el Señor!

2012 World Convention
Bali Island - Indonesia

The International Convention 2012 was held in Bali Island, Indonesia. FGBMFI/FIHNEC de 2012 se celebró en la Isla de Bali, Indonesia. Esta fue la primera International Convention was held in vez en que la Convención Internacional se llevó a cabo en el sur de Asia.

More than 60 countries joined in this convention, including People's Republic of China. We are very grateful, since People's Republic of China has more people than any country in the world, and most of people in People's Republic of China have still never heard about the Gospel from Jesus Christ. In that moment, several people from People's Republic of China also received Jesus as their savior.

In this convention, also launched the new book from Richard Shakarian, titled "Still The Happiest People." Even though this book has a similar title with the book which was written by Demos Shakarian, this book is not exactly the same, because this book has a different point of view. This book is more humble, and more touching. This book also got a very good response from the participants of the Convention.

Everybody enjoyed the wonderful fellowship. No more difference in nations, no more young or old; all is united and blend together in God's Love.

En esa convención, el nuevo libro de Richard Shakarian fue presentado con el título "Aun Somos La Gente Más Feliz". A pesar de que este libro tiene un título similar del libro que fue escrito por Demos Shakarian, no es exactamente el mismo, porque este libro tiene un punto de vista diferente. Tuvo buena aceptación de parte de los participantes de la Convención.

Todo el mundo disfrutó del maravilloso compañerismo. Ya no hay más diferencia entre las naciones. Ya no hay diferencia entre joven o viejo. Todos estamos unidos y en el amor de Dios.

Celebrating Demos' 100th Birthday

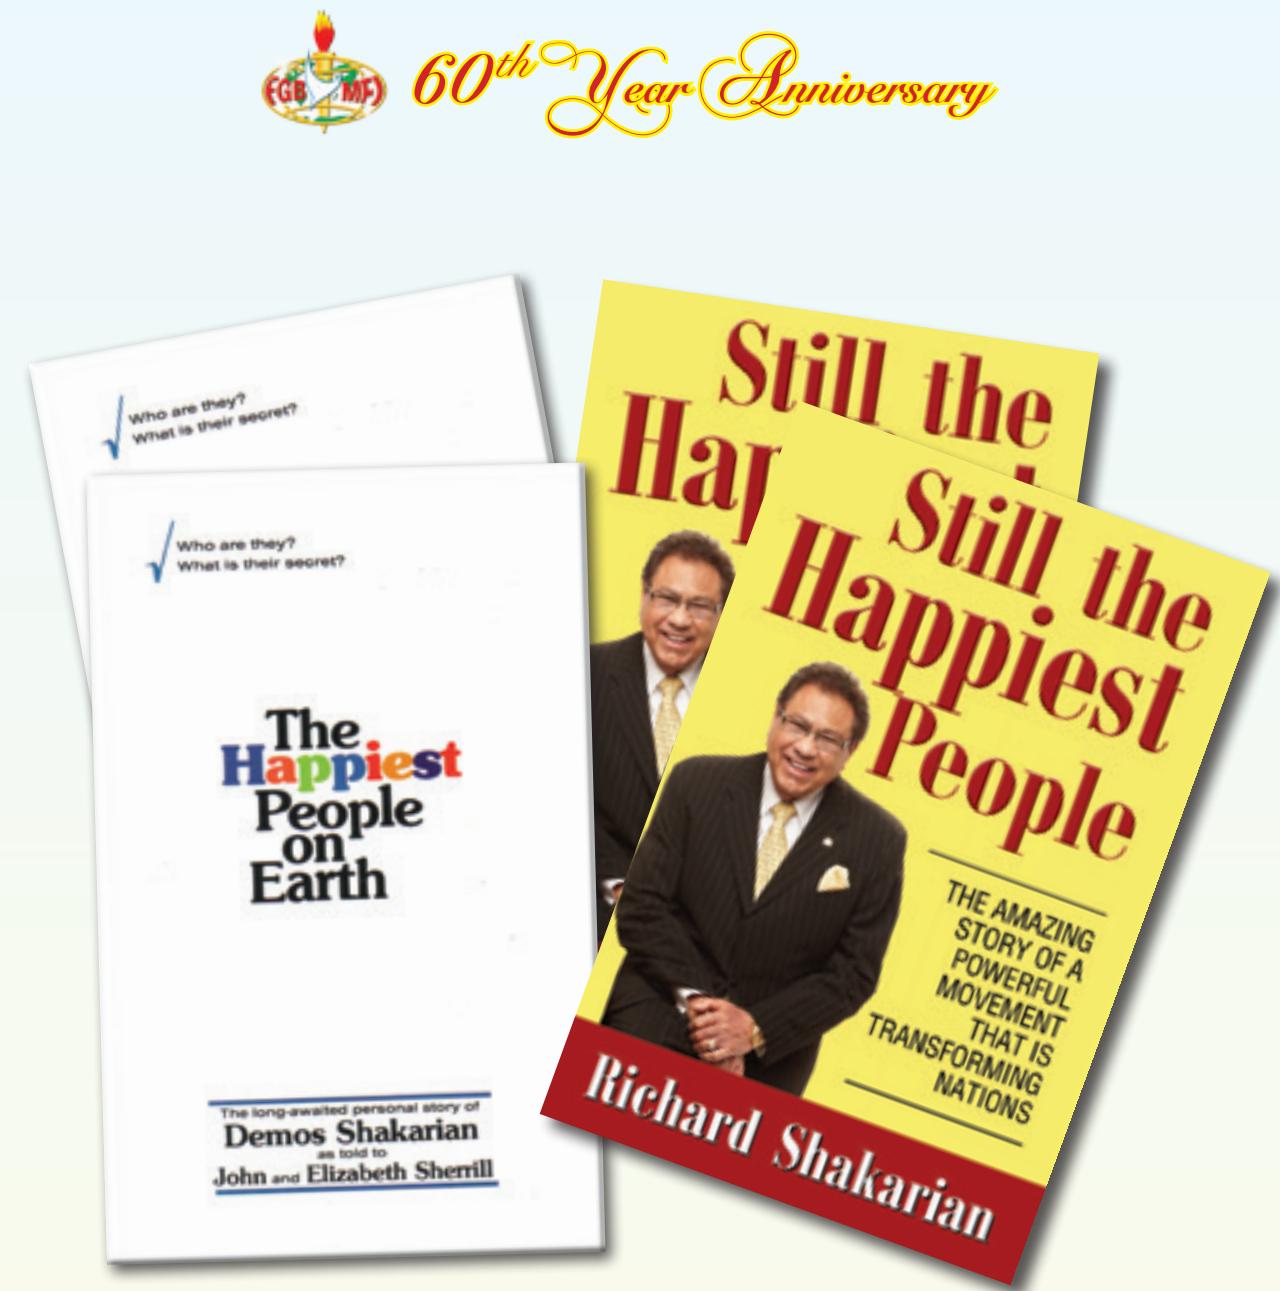

The Shakarian family was among the first to receive the Baptism in the Holy Spirit. In 1913, Demos Shakarian, Sr. and the Shakarian family, was led by the Holy Spirit to escape the Holocaust. They left Armenia and made their home in Downey, California where Isaac Shakarian, Richard's grandfather, started a 20-acre dairy with three cows.

Faith in God, good judgment and hard work eventually multiplied that first little herd one-thousand fold,

La familia Shakarian fue uno de los primeros en recibir la Promesa del Padre (el Bautismo del Espíritu Santo). "I'm calling the men back to God!"

THE VISION

As told by FGBMF Founder, Demos Shakarian (1952)

"I am the One who alone can open doors; I am the One who removes the beam from unseeing eyes."

I heard the words, "My son, I knew you before you were born. I have guided you every step of the way. Now I am going to show you the purpose of your life."

Although I remained on my knees, I felt as if I were rising, leaving my body, moving up, away from the living room. Down below me I could see the rooftops of Downey, California. There were the San Bernardino Mountains, and over there, the coast of the Pacific. I was high above the earth, able to see the entire country from west to east.

I could also see people on the earth – millions and millions of them standing shoulder to shoulder. My vision seemed to move in on these millions. I could see tiny details of thousands and thousands of faces.

Demos Shakarian

Ahora me hallaba muy arriba, por encima de la tierra, capaz de ver todo el país, de costa a costa.

Veía a la gente sobre la tierra: millones y millones de ellos, hombro a hombro. Mi visión pareció ver pequeños detalles entre los miles y miles de rostros.

Dios respondió a Demos Shakarian mientras que oraba: "Yo Soy el Único que puede abrir las puertas. Soy el Único que quita la viga de ojos ciegos."

"Hijo mío, te conocí desde antes de nacer. Te he guiado en cada paso de tu camino. Ahora voy a mostrarte el propósito de tu vida."

Aunque yo todavía permanecía de rodillas, sentí como que me estaban alzando, como si salía de mi cuerpo, y poniéndome en movimiento, saliendo lejos de la habitación. Allá por debajo de mí se veían los techos de Downey. Allí estaban las montañas de San Bernardino y por allá estaba la costa del Pacífico.

What I saw terrified me. The faces were set, lifeless, and miserable. Though the people stood so close together, shoulders touching, there was no real contact between them. They stared straight ahead, unblinking, unseeing. What a shudder of horror, I realized that they were bound hand and foot.

"Lord!" I cried, "What's the matter with them! Lord, help them!"

"My son, what you see next is going to happen very soon. I'm calling the men back to God!"

The earth was turning – or I was moving around it – a second time. Below me again were millions upon millions of men.

But what a difference! This time heads were raised. Eyes shone with joy. Hands were lifted towards heaven. These who had been so isolated, each in his prison of self, were linked in a community of love and adoration. Everywhere – bondage had turned to joy!

Lo que vi me dejó aterrado. Los rostros estaban congelados, sin vida. A pesar de que la gente estaba tan cerca unos de otros, hombro con hombro, no existía un contacto verdadero entre ellos. Miraban hacia delante, sin pestañear, como sin ver. Con un estremecimiento de horror comprobé que todos estaban muertos...

"¡Señor! Grite. ¿Qué les pasa, Señor? ¡Ayúdalos!"

Dios respondió: "Hijo mío. Lo que vas a ver ahora, sucederá muy pronto".

Dios estaba llamándolo a volver a Él. La tierra daba vueltas, o yo me movía a su alrededor por segunda vez. Abajo, otra vez había millones y

millones de hombres.

Pero ¡qué diferencia! Esta vez sus cabezas estaban levantadas. Los ojos miraban con alegría. Sus manos estaban alzadas hacia el cielo. Estos hombres que antes se hallaban tan aislados, cada cual en su propia prisión, estaban unidos en una comunidad de amor y adoración. En todo lugar, jataduras fueron cambiadas en gozo!

UN LEGADO DE FE...

Isaac Shakarian moved to Downey, California, near Los Angeles, purchased 20 acres of land and three milk cows and started his first dairy herd. Richard and Demos Shakarian

Demos Shakarian was fired with enthusiasm of the Holy Spirit to win men to Christ. He sponsored evangelistic meetings in tents and auditoriums. Encouraged by their response, he formed the Full Gospel Business Men's Fellowship International and called its first meeting in an upstairs room of Clifton Cafeteria in downtown Los Angeles in 1953. Demos' life exhibited a great passion for the souls of people.

Demos Shakarian estuvo lleno con el entusiasmo del Espíritu Santo para llevar hombres a Cristo. El patrocinó reuniones evangelísticas en carpas y auditorios. Animado por la respuesta de los hombres, fundó la Fraternidad Internacional de Hombres de Negocios del Evangelio Completo y convocó su primera reunión en un salón en el segundo piso de la Cafetería Clifton en el centro de Los Ángeles en 1953. La vida de Demos mostró una gran pasión por las almas de las personas.

Clifton's Cafeteria, shown below, is the "birthplace" of the Full Gospel Business Men's Fellowship International. Richard Shakarian poses in front of Clifton's Cafeteria in December, 2002.

After a year of disappointing attendance, Demos became discouraged enough to dissolve the Fellowship.

Then, in desperate prayer on the night before what was to be the final meeting, he was lifted high into the heavens. As the earth revolved, each continent came into view. (See Vision on previous pages).

The vision recharged Demos and the Fellowship. A static organization now became a growth situation. Men crowded the upstairs Clinton's Cafeteria dining room.

Después de un año de asistencia decepcionante, Demos se desanimó suficiente para disolver la Fraternidad.

Luego, en una desesperada noche de oración antes de lo que iba a ser la última reunión, recibió una visión. A medida que la Tierra giraba, cada continente quedó a la vista. (Ver Visión en las páginas anteriores)

La visión avivo a Demos y a la Fraternidad. Una organización estática se convirtió en una situación de crecimiento. Hombres llenaron el segundo piso del comedor de la Cafetería Clifton.

Those words continued to burn in Demos' heart.

¡Estas palabras siguieron a arder en el corazón de Demos!

In the fall of 1951 Demos helped to set up the Oral Roberts campaign in Los Angeles, California. One night after the service while having coffee with the evangelist, Demos shared with Oral the burden of his heart: an organization of laymen reaching laymen, a plumber reaching a plumber, a salesman reaching a salesman; men testifying so that others can relate to it. Oral said, "A good idea, what are you going to call it?" Demos

En el otoño de 1951 Demos apoyó a la campaña de Oral Roberts en Los Ángeles, California. Una noche después del evento, Demos compartió con Oral la carga de su corazón: "una organización de laicos llegando a otros laicos, un fontanero llegando a otro fontanero, un vendedor llegando a otro vendedor. Hombres que testifican de lo que Dios hizo en sus vidas para que otros puedan conocer a Cristo. Oral dijo: "Es una buena idea, ¿Qué nombre va a tener?" Demos respondió: ".

Después de la visión inicial de Dios, las cosas cambiaron. Miner Arganbright, un miembro quien una semana antes dijo que la Fraternidad no valía 5 centavos, ahora presento un cheque por 1.000 dólares y dijo que Dios le mostro que la Fraternidad daría la vuelta al mundo.

A Historical Perspective

As a young, married businessman, Demos took it upon himself to personally sponsor evangelistic campaigns in the Los Angeles area. The Lord has blessed his efforts. He and Rose entered into an even deeper consecration to serve the Lord.

Isaac, Demos' father and Richard's grandfather, later said: "I will never retire because God has called our family to take the Gospel to the world. While I am working, Demos is able to go to the world."

In order to sponsor a giant youth rally, so they asked Demos and Isaac arranged a dinner at Knot's Berry

Como un joven hombre de negocios, Demos patrocino campañas de evangelización en el área de Los Ángeles. El Señor bendijo sus esfuerzos. Él y su esposa Rose entraron en una consagración más profunda de servir al Señor.

Isaac, el padre de Demos y el abuelo de Richard, dijo más tarde: "Nunca dejare de trabajar porque Dios ha llamado esta familia para llevar el Evangelio al mundo. Mientras trabajo, Demos es capaz de ir al mundo".

Con el fin de patrocinar una reunión gigante de jóvenes, pidieron que Demos e Isaac organizaran una cena para 100

Farm, inviting about 100 businessmen as guests. They were told that their dinner was to be free, but that an offering would be taken to sponsor a youth rally. Once there, the men began to tell their personal story of how they found Christ. They were so inspired, they began walking up, prompted by the Holy Spirit, and laying checks on the table. This kept up for 20 minutes or more. When the voluntary offering was counted, it covered more than the youth rally expenses!

empresarios en calidad de invitados. Se les dijo que la cena iba ser gratis, pero que una ofrenda se tomaría para patrocinar la reunión de jóvenes. Una vez allí, los hombres comenzaron a contar su historia personal de cómo conocieron a Cristo. Los invitados estuvieron tan inspirados que comenzaron a donar, impulsados por el Espíritu Santo. Esto siguió durante 20 minutos o más. Cuando la ofrenda voluntaria se contó, ¡cubrió todos los gastos de la reunión de jóvenes!

Se celebró la manifestación masiva de los jóvenes en el Hollywood Bowl, un gran estadio de futbol, donde muchos de ellos recibieron a Cristo. ¡Más de 22.000 personas llenaron el estadio!

Richard Shakarian and Senator Fred Brume from Nigeria.

In the early years, many prophetic words were given to Demos Shakarian regarding the Full Gospel Business Men and what a mighty force they would be in the future. One of those prophets was a famous minister by the name of Mordecai Hamm. Hamm introduced Billy Graham to Christ and is responsible for 10,000 men being in pulpits.

Dr. Hamm's prophecy to Demos: "Full Gospel Business Men's Fellowship International is God's instrument to awaken laymen, the sleeping giant of evangelism."

The focus of every Chapter meeting is a personal reality story of a man or woman whose life has been completely changed for the better from the moment they met the Master.

En los primeros años de FGBMFI/ FIHNEC, muchas palabras proféticas fueron dadas a Demos Shakarian con respecto a la Fraternidad Internacional de Hombres de Negocios del Evangelio Completo y como sería una fuerza poderosa en el futuro. Uno de esos profetas fue Mardoqueo Ham. Ham trajo Billy Graham a Cristo y es responsable de levantar 10.000 predicadores como él.

Profecía de Dr. Ham a Demos: "La Fraternidad Internacional de Hombres de Negocios del Evangelio Completo es instrumento de Dios para despertar a los laicos, el gigante dormido de la evangelización".

El objetivo del evento semanal de cada capítulo es escuchar un testimonio de la realidad personal de un hombre o una mujer cuya vida ha sido totalmente cambiado para mejor desde el momento en que se encontraron con el Señor Jesucristo.

As thrilling as the story of God bringing FGBMFI into existence and the life-changing vision He gave to Demos, were the other things that happened in the 1950's to help make the Fellowship a viable tool to be used in reaching the laymen of the world.

The worship, praise and ministry of these meetings drew businessmen to the new chapters like magnets. The love and fellowship that overflowed the meetings were different from the usual meetings of service clubs and social clubs.

The word “international” truly became a reality after the London Airlift and World Convention of 1965. Thousands found Jesus, were healed and filled with the Holy Spirit. In fact, they continue to this day.

Más de 400 hombres de negocios del Evangelio Completo y sus familias llenaron tres aviones y volaron a Londres. Cómo nació la Renovación Carismática y su relación con FGBMFI/FIHNEC

Towards the end of the 1950's, there began to be signs of a charismatic awakening in the historic churches of America and this prepared FGBMFI for what was to be one of its most important decades, so far.

Every church and every denomination has been affected by FGBMFI, which helped start and expand the Charismatic Renewal. It spread throughout the world and wherever it went and whatever it touched you could see the influence of Full Gospel Business Men's Fellowship. Every group in "organized" religion was touched.

People could travel to almost any city, attend a FGBMFI Chapter meeting, and there receive the good news of the outpouring of the Holy Spirit to hear businessmen share their personal story. Hacia el final de la década de los 1950, se empezó a ver señales de un despertar carismático en las iglesias tradicionales en E.E.U.U. y FGBMFI/FIHNEC estaba preparada para lo que iba a ser una de sus décadas más importantes.

Cada iglesia y cada denominación fue impactada por la FGBMFI/FIHNEC, que ayudó a iniciar y expandir la renovación carismática. La renovación se extendió en todo el mundo y donde iba se podía ver la influencia de la Fraternidad. Todos los grupos en la “religión organizada” fueron tocados.

Personas podrían viajar a casi cualquiera ciudad, asistir a una reunión de capítulo de FGBMFI/FIHNEC y allí recibir la buena noticia del derramamiento del Espíritu Santo al escuchar los empresarios compartir su historia personal. Hemos escuchado cientos de miles de personas que se han puesto de pie en las reuniones y nos dijeron que tenían una mejor vida debido a la llenura del Espíritu Santo.

FGBMFI/FIHNEC fue un elemento religioso importante en el mundo durante las últimas décadas del siglo. Los empresarios del evangelio completo minis-

No One Covers The Earth like Business People

Nadie cubre la tierra como la gente de negocios

FGBMFI is a special work and source of inspiration for ordinary people.

Demos Shakarian was not a minister or pastor, why was it that Demos who was a dairyman was given a vision that would touch millions of people all over the world?

It was precisely because he was not a priest, rabbi, or preacher. As a business person he was able to speak the language of other business people. He knew their needs in a very personal manner.

When Jesus Christ chose his disciples, he chose ordinary men. Fishermen, doctors, carpenters, even a tax collector.

Around the world our members and friends are answering the words that Jesus gave to an ordinary fisherman. He said, "Follow me and I will make you fishers of men".

God chooses according to the heart. He chooses most humble and most unlikely person. From the ranks of ordinary people we reach out to help in ways that other people only speak about.

FGBMFI/FIHNEC es un ministerio especial y fuente de inspiración para hombres y mujeres de toda la sociedad.

Demos Shakarian no fue un ministro o pastor, ¿Por qué es que Demos, que fue un lechero, recibió una visión que tocaría a millones de personas en todo el mundo?

Fue precisamente porque él no fue un sacerdote, rabino o predicador. Como hombre de negocios, fue capaz de hablar el idioma de otros empresarios. Demos conocía las necesidades de estas personas.

Cuando Jesucristo eligió a sus discípulos, fueron hombres como tú y yo. Fueron pescadores, médicos, carpinteros, incluso un recaudador de impuestos.

Alrededor del mundo nuestros miembros y amigos están respondiendo a las mismas palabras que Cristo habló a un simple pescador: "Sígame y te haré pescador de hombres".

Dios elige según el corazón. Él elige a la persona más humilde y más improbable. Desde nuestras filas de ciudadanos ordinarios, extendemos ayuda en formas que otros solo anhelan.

FGBMFI is not political... we lift the spirit of the people through encouragement and helps. We know this to be true because of the thousands of lives that have been changed for the better.

There are many homes that have found new love between husband and wife and between the father and his children. The chains of drugs and alcohol that have been broken have allowed thousands of people to be set free and to begin a truly productive life.

This is a layman's ministry.

FIHNEC no es político... levantamos el espíritu de la gente a través de animar y ayudar. Sabemos que esto es cierto debido a miles de personas que han cambiado para una vida mejor.

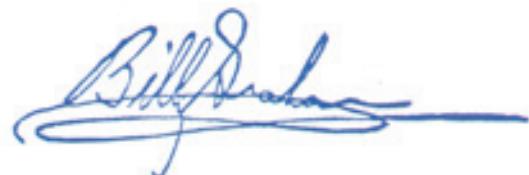

Hay muchos hogares que han encontrado un nuevo amor entre marido y mujer y entre padre e hijos. Miles de personas han tenido sus cadenas de drogas y alcohol rotas para comenzar una vida verdaderamente productiva.

Este es un ministerio laico.

Billy Graham

"The Full Gospel Businessmen's Fellowship International has been a dynamic witness to the Gospel of Jesus Christ throughout the world. The Fellowship has grown from a handful of praying men into hundreds of chapters around the globe, with radio and television ministry reaching out to millions more. I rejoice with you in the harvest God has brought and pray that He will continue to bless and increase your ministry until He comes again."

Dr. Billy Graham, in the early days of his ministry, and the early days of FGBMFI, as he spoke at an early convention.

Pat Boone

"I don't know of a more significant ministry in the world than the FGBMFI. It seems to me to be the purest kind of fulfillment of the Great Commission. That first generation of laymen carried out the Great Commission of Jesus to their world. I believe the same thing is happening now with the FGBMFI, and the Lord is anointing and directing its ministry in every part of the world."

Oral Roberts

"FGBMFI is the finest group of businessmen this world has ever known. Through the ministry of FGBMFI, hundreds of thousands of men in the business and professional world have been won to Christ, are being won to Christ, and will be won to Christ in the days ahead. The Fellowship continues with new strength and anointing. Go forth, Richard, the future is bright!"

Freda Lindsay, Co-founder Christ for the Nations, Inc.

"It is hard to believe that FGBMFI is celebrating its 50th anniversary. A heartfelt congratulations on 50 years of worldwide ministry. When my husband Gordon died suddenly on April 1, 1973, Demos came to attend the funeral and encouraged me greatly at that time: "The reins are in your hand." I personally needed someone like Demos, who was a close friend, to give me that support, as our Bible school had just barely begun, and Gordon's death had left a big vacuum by not being here to lead it. I am elated to know that in many nations today there are strong chapters of FGBMFI busily winning the lost to the Lord. Keep up the good work. Our prayers are with you."

Benny Hinn

"The Lord has greatly used the Full Gospel Businessmen as a mighty force around the world!"

Matt Crouch

"The younger generation is not getting reached like they should. We need to go to a new level. FGBMFI is looking at young businessmen. We are a team. I am thrilled that Richard is so open to communicate the Gospel. FGBMFI has a great heritage to build on."

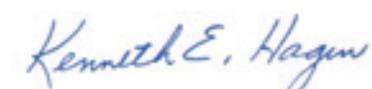

Rex Humbard

"FGBMFI has reached into the hearts and lives of businessmen throughout the world and met the needs of many others through your broadcast programs. May your dedication to the spreading of the Word continue."

Kenneth E. Hagin

"I will never forget the first FGBMFI meeting I attended. Never had I seen such a mighty manifestation of the Spirit of God as in that meeting. I encourage this wonderful fellowship to hold fast to the same simplicity of services and yieldedness to the Spirit of God that characterized its meetings from the beginning."

Original QI of merchants can share a specific percentage of KBV eternally. Qualification fee for QI is 100 points. Annual management fee is 100 points. All fees will be deducted from QI's KC account. QI is not only for SM, but also for

developing cardholders. The reward for each new cardholder is 50 points. For the reward to take effect, each new cardholder must spend at least 100 points per month in 6 consecutive months or total 1000 or more points. QI is able to be rewarded from promotions such as groupons.

QI Reward Policy QI reward is 0.2% of KBV from all signed-up merchants introduced by this QI. By the end of each month, reward points will be calculated and then transferred into QI's Kingdom Card account on the 15th day of the next month. QI on record of signed-up merchants can be substituted by the following 2 conditions: 1. The consent of the signed-up merchant; 2. No increase of KBV in last 3 months. Both 1 and 2 must be fulfilled. The original QI of each signed-up merchant has at least 0.05% of KBV eternally. The substitute QI has 0.1% of KBV. If there is further substitution from non-original QI, the new QI will take over all 0.1% of KBV from the prior QI. Kingdom Card promotes doubling the percentage of QI reward from 0.2% to 0.4% of KBV in the 1st year of QI policy implementation.

CQI Policy Certified Quality Introducer (CQI). QIs can be certified by passing the online CQI exam under the following conditions: 1. Annual reward points are over 30,000; 2. Touching Charismatic Catholics Worldwide

Archbishop Luigi Accogli introduces Richard and Vangie Shakarian to Pope John Paul II at the Vatican in Rome (May, 1998)

Contactaron al Director de FGBMFI/ FIHNEC Ray Bullard, quien también era el Presidente del capítulo en South Bend, Indiana. Over 200 million Catholics around the world have been touched by the power of the Holy Spirit!

Dr. Vinson Synan, world-known historian and Dean Emeritus of Regent University School of Divinity, reports: "The news of the Holy Spirit experience spread quickly to friends at the University of Notre Dame in South Bend, Indiana, and Michigan State University in East Lansing, Michigan. In South Bend a group soon formed around Kevin and Dorothy Ranaghan and quickly made contact with a layman, Ray Bullard, who was president of the local Full Gospel Business Men's Fellowship International (FGBMFI). South Bend and Ann Arbor where Ralph Martin and Steve Clark soon moved, rapidly became the organizing centers for the Catholic movement as communities were formed of students and recent graduates newly baptized in the Spirit.

"A most important force in spreading the renewal was the FGBMFI, led by California layman Demos Shakarian. By welcoming Catholics as members and speakers, Shakarian's group provided an important platform for the spread of the charismatic renewal throughout the world!" ¡Más de 200 millones de católicos alrededor del mundo han sido tocados por el poder del Espíritu Santo!

Dr. Vinson Synan, mundialmente conocido como historiador y decano emérito de Regent University Facultad de Estudios Religiosos, informa: "La noticia de la experiencia del Espíritu Santo se esparció rápidamente a los amigos en la Universidad de Notre Dame en South Bend, Indiana y Michigan State University en East Lansing, Michigan. En South Bend un grupo se formó alrededor de Kevin y Dorothy Ranaghan y rápidamente se pusieron en contacto con un laico, Ray Bullard, quien fue Presidente del capítulo local de la Fraternidad Internacional de Hombres de Negocios del Evangelio Completo (FGBMFI/FIHNEC). South Bend y Ann Arbor donde Ralph Martin y Steve Clark pronto se movieron. Rápidamente se convirtieron los centros de la Renovación Católica en comunidades de estudiantes y recién graduados bautizados en el Espíritu Santo.

"Una fuerza importante en la difusión de la renovación fue la FGBMFI/FIHNEC, a cargo del lechero en California, Demos Shakarian. ¡Al dar la bienvenida a los católicos como miembros y conferencistas, el grupo de Shakarian brindó una plataforma importante para la propagación de la renovación carismática en todo el mundo!" ("El siglo del Espíritu Santo" por Dr. Vinson Synan, Thomas Nelson Publishers, 2001, p. 211-213)

There are THREE historic turning points in Christian history, thanks to the Full Gospel Business Men's Fellowship International.

1. "I'm calling men back to God!" When Demos Shakarian received this vision from the Holy Spirit, he proclaimed: "I'm calling men back to God!" In those days, there were not too many men inside churches. Supposedly to them, it was not "manly" to be part of a church. However, it was totally different in the Armenian churches; both men and women worshipped together. Demos cried, "Where are the men?" Today, the church world has been completely changed. Millions of men are proud to stand up and worship God. This has changed Christian history; and

FGBMF/FIHNEC: TRES PUNTOS IMPORTANTES EN LA HISTORIA DE LA IGLESIA

Hay tres puntos importantes en la historia del cristianismo, gracias a la Fraternidad Internacional de Hombres de Negocios del Evangelio Completo

1. "Hago Un Llamado a Los Hombres Para Que Vuelven a Dios" Cuando Demos Shakarian recibió la visión del Espíritu Santo, proclamó: "¡Hago un llamado a los hombres para que vuelven a Dios!" En aquellos días, no había muchos hombres en las iglesias. Supuestamente, no era "Varonil" ser parte de una iglesia. Sin embargo, en las iglesias Armenias era totalmente diferente. Hombres y mujeres adoraban juntos a Dios. Demos gritó, "¿Dónde están los hombres?" Hoy, las iglesias han cambiado completamente. Millones de hombres están orgullosos de ponerse de pie y alabar a Dios en sus iglesias. Esto ha cambiado la historia

FGBMFI played a major part in that.

2. FGBMFI took the message of the Holy Spirit uptown to the finest ballrooms of that era. The Charismatic Renewal was ignited through this move and this message. The Holy Spirit experience was no longer relegated to the poor areas of town. Now, people of all segments of society flocked to the ballroom to receive this unique touch from God – the infilling of the Holy Spirit. Every church and church history was affected and changed. The modern era of many coming to Christ was born!

3. One Person in Every Family. When the Holy Spirit gave this vision to Richard Shakarian who was in deep prayer in downtown Managua, Nicaragua, it changed the way evangelism spread. The anointed concept of touching one person in every family in the world has seen millions who have been positively affected by relationships birthed through the Holy Spirit. In nation after nation, we have already achieved this. It is changing the nations of the world because God's people are having the "hands on" experience just like the disciples of old. Now, men and women are going out to all parts of society, transforming individuals, families, businesses, communities, cities and entire nations.

Cristiana y FGBMFI/FIHNEC ha jugado un papel importante en ello.

2. La Fraternidad Internacional de Hombres de Negocios del Evangelio Completo llevó el mensaje del Espíritu Santo a los salones de eventos más lujosos de ese tiempo. La Renovación Carismática fue iniciada a través de este mover y mensaje. La experiencia del Espíritu Santo no fue restringida a solo a la parte pobre de la sociedad. Ahora, gente de todo segmento de la sociedad llegó a los salones de los hoteles para recibir este toque de Dios- la promesa del Padre-. Toda iglesia y la historia religiosa fue afectada y cambiada. ¡La era moderna de muchos recibiendo a Cristo nació!

3. Una Persona en Cada Familia. Cuando el Espíritu Santo dio esta visión a Richard Shakarian, cambio totalmente la forma en que el evangelio se difunde. El concepto ungido de tocar una persona en cada familia en el mundo ha visto millones tocados a través de relaciones guiados por el Espíritu Santo. En nación tras nación hemos visto esta realidad. Naciones son cambiadas porque la "gente de Dios", como discípulos del primer siglo están ministrando como Cristo. Hombres y mujeres están llegando a todo lugar en su sociedad transformando las personas, familias, negocios, comunidades, ciudades y naciones enteras.

The launching of FGBMFI's 40th anniversary year took place at the World Convention held June 30 – July 4, 1992 in the San Francisco Hilton Hotel. We experienced the moving of the Holy Spirit in a very powerful way.

It started with FGBMFI's Founder Demos Shakarian giving a "call to arms." The Lord had been dealing with Demos for many weeks, telling him, "If you will get all the men to exalt Jesus, I will pour out My Holy Spirit in a new way. I will bring a new wave of revival."

Before Demos prayed for the people he said the Lord had told him someone who had a problem with taste or smell would be healed. The San Francisco Chapter president's wife immediately came forward – a virus or infection overseas some time back had destroyed both her ability to smell and to taste. God healed her instantly. The spiritual victories went on from there.

Década de los noventa

El lanzamiento del 40º aniversario de FGBMFI/FIHNEC tuvo lugar en la Convención Mundial celebrada el 30 de junio al 04 de julio de 1992 en el Hotel Hilton San Francisco. Allí experimentamos el mover del Espíritu Santo de una manera muy poderosa.

Comenzó con nuestro fundador Demos Shakarian haciendo un llamado a los miembros. El Señor había dicho, "Si los hombres exaltan a Cristo, yo derramaré mi Espíritu en una nueva forma. Se trata de una nueva ola de avivamiento."

Antes de que Demos orara por los presentes, dijo que Dios le había revelado que alguien en el salón no tenía sentido de sabor en su lengua. La esposa del Presidente del capítulo de San Francisco se puso de pie y dijo que un virus o infección durante un viaje había destruido su capacidad de olfato y gusto. Demos invitó a todos que oraran por ella y Dios la sanó instantáneamente. Las victorias espirituales en esa convención comenzaron a partir de ese momento.

Into the 21st Century . . .

In July, 1993, Demos Shakarian graduated to be home with the Lord. He saw in Richard the spiritual qualities to bring nations to Christ. Demos spoke, "God anointed Richard for this task and I also anoint him." The torch and mantle were passed on to Richard Shakarian.

When the moment came for Richard to take his father's place, he concedes that he only knew to do one thing – pray. Richard describes, "I knelt and prayed. I did what I had seen my father do so many times when he didn't know what to do. Instantly, as soon as my knees hit the floor, the Holy

En julio de 1993, Demos Shakarian partió para estar con el Señor. Vio en Richard las cualidades espirituales para llevar Cristo a las naciones. Demos dijo de Richard: "Dios ungíó a Richard para esta tarea y yo también lo unjo." La antorcha y el manto pasaron a Richard Shakarian.

Cuando llegó el momento para que Richard tomara el lugar de su padre, reconoce que sólo sabía hacer una cosa – orar. Richard describe, "Arrodillé y oré. Hice lo que había visto mi padre hacer tantas veces cuando no sabía qué hacer. Inmediatamente, tan pronto como mis rodillas tocaron el suelo, el Espíritu Santo

Richard continues to daily obey the voice of the Lord. He remains focused on the vision that God gave him to see men by the millions come to Christ. His cutting edge leadership has placed him in many nations around the world. The goal of the Fellowship is to be in every nation of the world.

Richard continúa diariamente obedeciendo la voz del Señor. Él sigue enfocado en la visión que Dios le dio para ver hombres por los millones venir a Cristo. Su liderazgo de vanguardia lo colocó en muchos países del mundo. El objetivo de la Fraternidad es de estar en todas las naciones del mundo.

Presidente internacional Se Mueve Para Transformar Naciones

A prophetic word from Ulf Ekman on July 7, 1990 was given to Richard as he was to become the new International President:

There have been several things that have been trying to pull you (Richard) away. There have been people that said, "You are only in it because of your father." But YOU KNOW...YOU KNOW YOUR TIME...you know your CALLING! It has not really been developed yet, but you know that you have been called with this man (pointing to Demos). You have been called to work with this man. You have been called by the Spirit of God to carry that which your father was given from heaven, and the people that have been rejecting you, and attacking you, I will deal with them, says the spirit of God. Because I do not see after the flesh. I say GO! Go (do) what I've put into man's hearts! So BE BLESSED and lift your head up, and do not let people put you down, because I have put you in a position, and I will strengthen you. I WILL strengthen you, and more revelation will come, and some of the

Una palabra profética del ministro Ulf Ekman (Sueco) el 07 de julio de 1990 fue dada a Richard en el momento de tomar posesión como el nuevo Presidente de la Internacional:

"Han habido algunas cosas que han intentado alejarte. Han habido gente que decían: "Eres sólo en esto debido a tu padre". PERO TU SABES... TU CONOCES TU TIEMPO... ¡TU CONOCES TU LLAMADO! No ha sido desarrollado aún, pero tú sabes que has sido llamado con este hombre (señalando a Demos). Tú has sido llamado para trabajar con este hombre. Tú has sido llamado por el Espíritu de Dios para llevar lo que tu padre recibió del Cielo. Y las personas que te han rechazado y atacado- YO me ocuparé de ellos, dice el Espíritu de Dios. Porque YO no veo las obras de la carne. Digo ¡Vaya! ¡Vaya (Haga) lo que he puesto en el corazón del hombre! Sea bendecido y levanta la cabeza y no permita que la gente te desanime, porque YO te he colocado en tu lugar y te fortaleceré. Te fortaleceré y vendrá más revelación, y algunas de las maneras de hacer negocios a que eres tan acostumbrado, cesaran. Y verás en el Espíritu y habrá una manera más fácil de

¡Este es el tiempo de los laicos!

En los años siguientes, Richard fue exitoso en el desarrollo de nuevos negocios para las lecherías Reliance de su familia. También tomó tiempo para llevar a cabo grandes

eventos para ayudar a los jóvenes durante el apogeo de la cultura de la droga barriendo América.

En 1993, el Sr. Richard Shakarian, un empresario eficaz que amplió aún más la lechería Reliance, fue nombrado Presidente de FGBMFI/FIHNEC. Como su padre antes que él, tiene una larga historia de ayudar a las personas.

Richard Reaches Out to the Youth...

While his father founded FGBMFI, young Richard Shakarian was conducting massive youth rallies in America. He was led by the Holy Spirit to launch a major effort to reach the youth of America. He held many scores of outreaches across the nation and ministered to hundreds of thousands. He realized his goal of aiming to change the hearts of over 100,000. The format was great music and anointed personal testimonies.

The first youth crusade conducted on a large scale was in San Bernardino, California. Over 6,500 responded. At the Portland, Oregon outreach, there were 16,000 in attendance with 2,000 locked out. Over 3,000 responded to the altar call.

Richard llega a la juventud...

Mientras que su padre fundó FGBMFI/FIHNEC, el joven Richard Shakarian estaba realizando concentraciones masivas para jóvenes en USA. Fue guiado por el Espíritu Santo para lanzar un gran esfuerzo para llegar a la juventud de los Estados Unidos de América. Muchos eventos se llevaron a cabo en todo el país y ministró a cientos de miles. Alcanzó su objetivo de ver un cambio de corazón en más de 100.000 jóvenes. El formato fue buena música y testimonios personales ungidos.

El primer evento para jóvenes se llevó a cabo en San Bernardino, California. Más de 6.500 respondieron. En Portland, Oregón, había 16.000 jóvenes en asistencia con 2.000 que no pudieron entrar. Más de 3.000 respondieron al llamado para recibir a Cristo como Señor y Salvador.

Richard's Expedition to Noah's Ark...

One hot August day in 1962, Richard joined the famous expedition to Mount Ararat in search of Noah's Ark, high above the plains in the nation of Turkey. This was the famous mountain where Noah's Ark came to rest. A major movie was made of the expedition, highlighting many of Richard's experiences.

Richard reminisces: "I looked down and saw the route that armies took to conquer and slay one million Armenians who would not give up Jesus Christ.

"As a child, there was not one Armenian family I met that did not have a story to tell of losing someone or of some personal tragedy. Yet God somehow protected the Shakarian family. His prophetic word said, 'If you will obey Me, I will take you out of the path of destruction and I will bless you. I will bring you back a blessing to the whole world.'"

Richard and his wife Evangeline (Vangie) had traveled in more than 70 nations before he became President.

Expedición de Richard a Arca de Noé...

Un caluroso día de agosto en 1962, Richard se unió a la famosa expedición al Monte Ararat en busca del Arca de Noé. Se trataba de la famosa montaña donde el arca de Noé vino a descansar. Se filmó una película importante de la expedición,

destacando muchas de las experiencias de Richard.

Richard recuerda: "Miré hacia abajo y vi la ruta que los ejércitos tomaron para conquistar y matar a 1 millón de Armenios que no renunciaron a Jesucristo.

"Desde que fui niño, jamás encontré a una sola familia de Armenia que no tenía una historia de perder a alguien, o de alguna tragedia personal. Sin embargo, de alguna manera Dios protegió a la familia Shakarian. Su palabra profética dijo, "Si Me obedeces, te quitare del camino de la destrucción y te bendeciré. Te traeré nuevamente como una bendición al mundo entero."

Richard y su esposa Evangeline (Vangie) habían viajado a más de 70 naciones antes de asumir la Presidencia de

AROUND THE WORLD IN EIGHTY DAYS

Richard Shakarian was chosen as the speaker for a special team sponsored by Oral Roberts. He took a sabbatical from his leadership role in building stores and sales. It was 1960 and the people of the world mostly still wore their national clothing and costumes. Traveling for three months in 27 nations Richard and his wife Vangie fell in love with the wonderful people of the world.

Richard and Vangie Shakarian had already traveled more than 70 nations before he became the International President. In his official capacity of overseeing over 8,000 Chapters in over 150 countries, he travels to scores of countries to meet with not only dignitaries, but with ordinary people--to help put their destiny on the fast track.

VUELTA AL MUNDO EN OCHENTA DÍAS

Richard Shakarian fue invitado por Oral Roberts para acompañar a un grupo de jóvenes en un viaje a 27 países. Tomó un año de sabático de su trabajo en la construcción de tiendas y ventas. Era 1960 y en ese tiempo, la gente del mundo aun usaba sus trajes típicos. Viajando por tres meses en 27 países Richard y su esposa Vangie se enamoraron de la gente maravillosa del mundo.

Richard y Vangie Shakarian ya habían viajado a más de 70 Naciones antes de ser el Presidente Internacional. En su capacidad oficial de supervisar más de 8.000 capítulos en más de 150 países, Richard viaja a decenas de países para reunirse- no solo con dignatarios, pero con gente común--para ayudarlos a poner sus vidas en el rumbo correcto.

God has ordained and led the leadership of FGBMFI to touch international leaders, kings and presidents.

"I send you this message of love and greetings on behalf of my family and the people of Nigeria. May a great fresh wave of the glory of God be poured upon all of you and your countries, your national leaders and peoples in the mighty name of Jesus. Please remember my country Nigeria, and its peoples, and struggles against the forces of evil. I ask for your prayers for victory over social and political forces that are threatening peace and stability in our society."

Pido a Dios que una nueva ola de la gloria de Dios se derrame sobre todos ustedes y sus países, sus líderes nacionales y pueblos en el nombre poderoso de Jesús. Por favor recuerde mi país Nigeria y su gente y luchas contra las fuerzas del mal. THE HAPPIEST PEOPLE IN UKRAINE

STORY BY EVANGELIST SLAVIK RADCHUK

60th Anniversary FGBMFI

Slavik Radchuk was born in Ukraine to a Christian Family. During his childhood, Christians were persecuted and the churches were underground. Slavik began preaching at the age of 14. At his young age, he received a book, "Happiest People on Earth – by Demos Shakarian", this was a very blessed book. In 1988, when freedom had finally came to the former USSR, Slavik and Natasha received an invitation to visit Los Angeles and meet Brother Demos and his wife Rose. Slavik invited Demos to visit Armenia; however, Demos encouraged that his son Richard should go to Armenia. Slavik helped Richard organize crusades in Yerevan, Armenia with over 15,000 people attending a single service. Later, Brother Richard had opened a chapter FGBMFI in Armenia and later, Slavik had helped Richard and Vangie visit Ukraine and open the chapter there also.

Dr. Slavik Radchuk is a worldwide evangelist in Christian Aid. God used Slavik to open hundreds of new churches in the former USSR. His Radio and Television Ministry covers over 135 countries with millions of viewers. From all Christians in the former USSR, we give our warmest greetings to the FGBMFI with 60th Anniversary.

God is using Fire Teams to reach the world for Jesus. He is mobilizing this tremendous work of FGBMFI to touch entire cities and nations throughout the world.

At one university, a young lady gave a folded note to one Fire Team leader. She said, "I don't need this anymore." It was a suicide note. It read, "Dear Papa, Dear Mama, I love you very much, but I have no hope. That's why today is my last day." She had told her friend she would kill herself that day, but instead our Fire Team brought her a message of hope. She received the Lord and no longer needed the note.

In one nation, the doctor's offices were jammed with people because the nation's hospitals were on strike. At one point a doctor came out of his examination room and asked the nurse, "Where are all the patients? This room was jammed with patients only an hour ago?" She said, "I am sorry, doctor, but the men from the Full Gospel Business Men came and prayed for the patients. They all got healed and left!"

Dios está utilizando equipos de fuego para llevar el amor de Dios al mundo. Él está movilizando este tremendo trabajo de FGBMFI/FIHNEC para tocar ciudades y naciones en todo el mundo.

En una universidad centroamericana, una joven entregó una nota a nuestro equipo de fuego. Nos dijo: "Ya no necesito esto." Al leer la nota decía: "Querido Papa, Querida Mama. Les amo mucho pero ya no tengo esperanza. Hoy es mi último día." Fueron sus últimas palabras antes de suicidarse. Había dicho a su amiga que ese mismo día ella iba matarse. Sin embargo, ese día, nuestro Equipo de Fuego llegó a compartir las historias de vidas con esperanza y ella recibió el amor de Dios. Ahora, con Cristo, ya no necesitaba la nota - ¡Recibió esperanza!

En otra nación, los hospitales del estado estaban de huelga y las clínicas privadas rebalsaban con pacientes. Sin embargo, cuando uno de los doctores salió a la sala de espera para pasar el siguiente paciente, no había ninguno. El doctor preguntó a la enfermera, ¿Dónde están todos los pacientes? Ella respondió, "Disculpe doctor, pero hace poco llegaron varios hombres de la Fraternidad Internacional de Hombres de Negocios del Evangelio Completo y oraron por ellos. ¡Todos los pacientes se sanaron y se fueron!

One Person In Every Family

UNA PERSONA DE CADA FAMILIA

In 1998, Richard was in prayer at John Paul II Park. He was across from the government buildings and the lake in Managua, Nicaragua.

He was in deep concern for the nations; suddenly a voice inside commanded him to pray with one person in every family in the nation. That person would become God's good seed for the family. Through that seed the family would be helped, and through the families the nation would be blessed.

This additional dimension of FGBMFI was started in Nicaragua. It was started directly by God through the prophetic word given to Richard Shakarian

Our teams lead by Humberto Arguello included ordinary people of all walks of life from businessmen, nurses, doctors, housewives, and even Sandinista 'commanders.'

The effect was so positive that Daniel Ortega, who is now President of Nicaragua, invited Richard to open the Marxist Sandinista Political Convention with a special prayer of blessing.

En 1998, Richard estaba orando en el parque Juan Pablo II frente a los edificios de gobierno y el lago de Managua, Nicaragua.

Estaba profundamente preocupado por las Naciones. Mientras oraba, de repente una voz interior le dijo: "ore con una persona de cada familia de la nación. Esa persona se convertirá en buena semilla de Dios para esa familia. A través de esa semilla la familia recibirá fortaleza, y a través de las familias la nación será bendecida."

Esta dimensión adicional de FGBMFI/ FIHNEC se inició en Nicaragua. Se inició directamente por Dios a través de la palabra profética dada a Richard Shakarian

Nuestros equipos bajo el liderazgo de Humberto Arguello incluyen nicaragüenses de todas las profesiones, empresarios, enfermeras, médicos, amas de casa e incluso 'comandantes Sandinistas.'

El efecto fue tan positivo que Daniel Ortega, ahora Presidente de Nicaragua, invitó a Richard para abrir la Convención política de los Sandinistas con una oración especial de bendición.

RS HABLA ANTE EL CONGRESO HONDUREÑO

In one nation, over 362,000 found Christ as their Savior in ONE WEEK!

The tremendous, life-changing message goes forth. Shocking testimonies are in abundance as Fire Teams not only catch the vision of the Fellowship, but boldly go forth, in the power of the Spirit, to touch one life, one community, or one nation.

Cutting-edge faith, through Fire Team members, delivers a new wave of glory to the people in factories, stores, universities, businesses, prisons, hospitals, and even military bases--in the market place, in government departments, etc. These historic meetings are held where business people, forgiven by Christ, give their own story. The effect is electric as scores of individuals in each place receive the Lord.

Through Fire Teams, an unprecedented harvest is already happening. It all started with seeds of faith that were planted 60 years ago!

En una nación, ¡más de 362.000 recibieron a Cristo como su Salvador en una semana!

El tremendo mensaje de cambio de vida va avanzando. Impactantes testimonios se encuentran en abundancia cuando equipos de fuego captan la visión de la Fraternidad, y avanzan en el poder del Espíritu Santo, para tocar una vida, una comunidad o una nación.

La fe de los miembros de los equipos de fuego, da inicio a una nueva ola de gloria a la gente en fábricas, tiendas, universidades, empresas, cárceles, hospitales y bases militares, incluso---en el mercado, en los departamentos gubernamentales, etc... Estas reuniones históricas donde empresarios, perdonados por Cristo, dan su propio testimonio. El impacto es eléctrico y decenas de personas en cada lugar reciben al Señor.

A través de equipos de fuego, esa cosecha sin precedentes ya está ocurriendo. ¡Todo comenzó con semillas de fe que fueron sembrados hace 60 años!

60th Year Anniversary

On Saturday July 28 2012, I was sitting by myself for hours at the beach relaxing and worshipping the Lord. Our World Convention in Bali had ended the night before and I was just singing the beautiful worship songs from the convention and reading the Bible. I read Psalm 18:16-17 (NIV): "He reached down from on high and

"Brenda Shakarian oró por un niño y le resucitó de los muertos en nuestra Convención Mundial de Bali."

El sábado, 28 de julio del 2012, estuve sentada sola en la playa relajándome y adorando al Señor. Nuestra Convención mundial en Bali había terminado la noche anterior y estuve descansando, leyendo la Biblia y cantando las canciones de adoración de la Convención. Acababa de leer el Salmo 18:16-17: "El (Dios) agachó del alto y se afianzó de mí; me saco de aguas profundas.

took hold of me; he drew me out of deep waters. He rescued me from my powerful enemy, from my foes, who were too strong for me."

Me rescató de mi poderoso enemigo, de mis enemigos, que eran demasiado fuertes para mí."

I heard some commotion at the pool steps a few feet away from me. As I looked up I saw a blonde woman struggling to roll a little Indonesian boy (about 5 years old) out of the pool, and he was dead! The little boy's lips were blue and his body was all bloated.

Over 20 people just stood there staring in horror and no one moved. Neither I, nor anyone else knew CPR, so I went immediately into intense prayer that God would raise him from the dead and give him life. This went on for about 5 or 6 very long minutes.

They dragged him all the way to the furthest end of the pool, right where I was sitting and rolled him out

No más que leí ese pasaje, escuché algunos gritos desde el área de la piscina a pocos metros de mí. Cuando levante mis ojos, vi una mujer rubia que luchaba por sacar un niño indonesio (cerca de 5 años) de la piscina. ¡El niño había ahogado! Sus labios se habían puesto azules y su cuerpo ya estaba hinchado.

Más de 20 personas estaban alrededor del niño pero nadie se movió. Ni yo, ni nadie sabían cómo ayudarlo, así que inmediatamente comencé a orar intensamente que Dios lo levantara de los muertos y darle vida. Esto duró unos 5 o 6 minutos, si mucho.

De repente, lo arrastraron hasta donde estuve sentada y lo acostaron directamente en frente de mí.

directly in front of me. This was such an odd course of action.

I kept praying and asking Jesus to show himself to that boy, that he would live and declare God's healing power all the days of his life. That he would encounter Jesus and know beyond a shadow of a doubt, who saved him!

Minutes seemed like hours and I stayed right there praying out loud, with everyone standing there. Then I started to feel a bit self-conscious that I was over this body that was clearly not showing one sign of life, but actually looking worse. I thought to myself, "I must look like a crazy person to these people and he looks totally unaffected by my prayers." When all of the sudden, out of nowhere, the boy lets out a deep cry and in that cry he said the words "Help Me!"

He continued to look exactly the same, not really moving at all. However, I did notice that the blue lips started to slowly fade into pink. The two medics swooped up this bloated boy and ran him out to the ambulance, rushing him to the hospital.

Toward the end of the incident one of our FGBMFI members arrived at the pool area. It was Roland and Traute Benz. I told them, "The strange thing is, he was Indonesian and his father didn't speak English, and I don't think that boy speaks English."

An Australian lady said, "Oh, I can assure you that he does not speak English!" I asked her how could she know this. She explained how for the

Seguí orando y pidiéndole a Cristo que este niño viviera para declarar el poder sanador de Dios todos los días de su vida. Clame a Dios que él no tendrá duda de quien lo salvo- que tuviera un verdadero encuentro con Jesús.

Minutos parecían horas y me quedé ahí orando en voz alta, con todo el mundo allí de pie. Luego empecé a sentir un poco tímida porque este cuerpo claramente no mostraba ni un signo de vida. Pensé, "debo parecer como una loca a estas personas y el niño se ve totalmente inafectado por mis oraciones". De repente, el niño dio un grito profundo y en grito la palabra "¡Ayúdame!" en inglés. (Help!)

El niño continuó exactamente igual- sin mover un músculo. Sin embargo, me di cuenta de que los labios azules comenzaron a desvanecerse lentamente en rosa. Dos médicos aparecieron y recogieron al niño hinchado y lo llevaron a la ambulancia, para encaminarlo al hospital.

Unos minutos después, dos de nuestros miembros de FGBMFI/FIHNEC, Roland y Traute Benz, llegaron a la piscina. Les conté del niño y como había gritado, "¡Ayúdame!" en inglés. Les dije, "lo extraño es que ni el niño ni su padre hablaban inglés".

¡En ese momento, una mujer australiana dijo: "O, puedo asegurarles que no habla inglés!" Le pregunté cómo sabia eso. Explicó que en los últimos dos

Después de estar en Costa Rica por una semana, es impresionante ver las cosas milagrosas que Dios está haciendo a través de FGBMFI/ FIHNEC y sus miembros.

I have attended six Chapter meetings and heard beautiful stories about girls and boys who had horrible relationships with their mothers and fathers and other family members and through FGBMFI they have restored those relationships and are very happy.

I have also heard testimonies about young men and women turning to drugs and alcohol, but because of the work of FGBMFI they found the grace of God.

These are just a few examples of the wonders that God is performing here in Costa Rica. The youth is rapidly growing and they have a real fire for God like I have never seen before.

I was fortunate enough to go on a weekend retreat with many of the youth here to the beautiful Monteverde. While here, I was given the opportunity to really get to know many of the Costa Rican people here as well as go to chapter meetings and even try out Costa Rica's famous canopy lines.

I feel so blessed to be able to be here with these amazing people and to be welcomed like family from every person I meet. In the upcoming weeks there are more chapter meetings I plan to attend as well as a Fire Team event.

God is moving through Costa Rica and through the homes of His people and I can't wait to see all that God has in store for this nation and its wonderful people!

He asistido a seis reuniones de capítulo y escuchado testimonios de niños y niñas que tenían horribles relaciones con sus madres y padres y otros miembros de la familia. A través de FGBMFI/FIHNEC relaciones han sido restaurados y ahora están muy contentos.

También he escuchado testimonios de jóvenes donde han usado drogas y alcohol, pero gracias al trabajo de FGBMFI/FIHNEC, encontraron la gracia de Dios.

Estos son algunos ejemplos de las maravillas que Dios está haciendo aquí en Costa Rica. El grupo de jóvenes está creciendo rápidamente y tienen un fuego para Dios como jamás he visto.

Fui a un retiro con muchos de los jóvenes aquí en la hermosa reserva de Monteverde. Durante mi estadía aquí, me dieron la oportunidad de conocer a muchos de Costa Rica, así como asistir a las reuniones de capítulo.

Me siento tan bendecido para estar aquí con estas personas increíbles y celebrar como familia con cada persona que conocí. En las próximas semanas hay más reuniones de capítulo que espero asistir así como un evento de equipo de fuego.

Dios se está moviendo a través de FGBMFI/FIHNEC Costa Rica en las familias de Su gente y emocionadamente estoy esperando para ver todo lo que Dios va hacer en esta nación y Su maravilloso pueblo.

This Fellowship is a people-to-people ministry, empowered by the Holy Spirit. Although it is virtually impossible to display all of our friends and Directors, these next few pages bring back miraculous memories of "look what God has done!"

FGBMF - is like a mighty tree

by
Richard Shakarian
FGBMFI International President

FGBMFI is standing globally just like a tall and mighty tree. In the vision there is no division! Globally . . . we are one! Like a great tree, our roots are buried deep in the very Spirit of God, and the Vision given to Demos Shakarian.

FGBMFI/FIHNEC – ES COMO UN ÁRBOL PODEROSO

FGBMFI/FIHNEC es como un árbol alto y fuerte. ¡En la visión no existe división! Globalmente... ¡Somos uno! Como un gran árbol, nuestras raíces son profundas, arraigadas en el mismo Espíritu de Dios y la visión dada a Demos Shakarian.

The trunk of the tree, growing from the roots is the center of the organization.

Our international headquarters in Irvine, California, is always ready to help. Our President and the international staff travel throughout the world bringing inspiration, anointing and Vision. The international headquarters represents the central point or hub of worldwide activity. As a direct result, MILLIONS of lives have been positively affected!

The branches of the tree are the thousands of "Chapters" and over 150 nations that are a part of FGBMFI. Our Chapters are a tremendous training ground for organizational and relational skills for business, religion, life, and family!

Only God knows how many millions are encouraged and inspired through FGBMFI Chapters. There is not one nation in the world that has not been positively affected by our Fellowship.

Over 8,000 FGBMFI Chapters worldwide provide great networking opportunities in the marketplace. There is a tremendous sense of the principle of unity. There is more strength in unity than even in numbers.

You can get started right now by joining hearts with FGBMFI. Through this Fellowship, you can literally connect to the entire world. Linking arms together in a common expression of our common desire to lift up Jesus, encourage and love our fellow

El tronco del árbol, creciendo desde las raíces es el centro de la organización.

Nuestra Sede Internacional en Irvine, California, está siempre dispuesta a ayudar. Nuestro Presidente y el personal internacional viajan por todo el mundo, llevando inspiración, unción y visión. La Sede Internacional representa el punto central o centro de actividad en todo el mundo. Como consecuencia directa, millones de vidas han sido afectadas positivamente.

Las ramas del árbol representan miles de "Capítulos" y más de 150 naciones asociadas que forman parte de FGBMFI/ FIHNEC. Nuestros capítulos son centros de capacitación para para la familia, negocios, religión y vida.

Sólo Dios sabe cuántos millones son animados e inspirados a través de los capítulos de FGBMFI/FIHNEC. No hay nación en el mundo que no ha sido afectado positivamente por nuestra comunidad.

Más de 8.000 capítulos en todo el mundo ofrecen grandes oportunidades de redes en el mercado. Hay un enorme sentido de unidad. Hay más fuerza en la unidad que en números.

Puedes empezar ahora mismo uniéndose con FGBMFI/FIHNEC. A través de esta Fraternidad, literalmente puedes conectar con todo el mundo. Juntos somos una expresión común de nuestro deseo de levantar a Cristo Jesús, alentar y amar a nuestro compañero empresario.

businessman.

One of our basic principles is to exercise what other people only speak about---winning the hearts and souls of businessmen to our Creator. We are changing nations around the world!

The life of the branch comes up from the roots through the trunk and nourishes the nations and the chapters. The nations that hold fast to the trunk show an exceptional blessing drawn from the power of unity!

The Holy Spirit is in the roots and the fertile soil in which the “tree” of FGBMFI is planted. The branches produce leaves and fruit. These are the good works and helps to men and women and families in the nations.

FGBMFI is like this mighty tree. Staying connected to the tree trunk and the root system continually refreshes the anointing upon the people.

Millions of people are finding shelter, hope and rest under this great tree. The fruit of a better life and greater success is freely given to all that come to rest, and eat of the fruit under the branches of FGBMFI.

ABOUT A MAN'S LIFE

Here is how to reach your highest destiny.

In a vision I received a glimpse of right and wrong choices that so many men make.

I saw a little tree so young and tender. As it began to grow the

Uno de nuestros principios básicos es ejercer lo que otras personas solo hablan---ganar los corazones y almas de los hombres de negocios a nuestro Creador. ¡Estamos cambiando las naciones del mundo!

La vida de la rama asciende desde las raíces a través del tronco y nutre las naciones y los capítulos. ¡Las naciones que se unen al tronco muestran una bendición excepcional en la unidad!

El Espíritu Santo está en las raíces y el suelo fértil en el que se sembró el “árbol” de FGBMFI/FIHNEC. Las ramas producen hojas y fruto. Estas son las buenas obras y ayudas a los hombres y las mujeres y familias en las naciones.

FGBMFI/FIHNEC es como este árbol poderoso. Manteniéndose conectado con el tronco del árbol y el sistema de raíz continuamente refresca la unción sobre la gente.

Millones de personas encuentran refugio, la esperanza y descansan bajo este gran árbol. El fruto de una vida mejor y mayor éxito es dada libremente a todos los que vienen a descansar y comer del fruto bajo las ramas de FGBMFI/FIHNEC.

SOBRE LA VIDA DE UN HOMBRE

Aquí es cómo llegar a tu destino más alto.

En una visión recibí la revelación de decisiones correctas e incorrectas que tantos hombres hacen.

Vi un arbolito tan joven y tierno. Cuando comenzó a crecer el sol de favor y

sunshine of favor and God's blessing lighted up this tree. *bendición de Dios iluminó este árbol*

Just as the tender tree each of us is unique: our eye print, fingerprint, the features of our face, the sound of our voice. Everything about you is unique to this world.

This is not an accident. Each was born for a specific assignment. It is said that the very hairs of our head are numbered. No one else can fulfill your personal destiny. This is your time.

As the tree (man) grew, others began to recognize this light of favor (and anointing). This is followed by promotion, sometimes position and responsibility.

Favor makes a man more attractive than he actually is. All sorts of things are attracted to him:

- The wrong women might be attracted.
- The wrong kinds of friends might be attracted.
- The wrong advice.
- The wrong investments.
- And even the wrong calling for your life.

Many capable men have been diverted. They never reach the destiny for which their uniqueness has been created by God. Businessmen and laymen must know that their highest calling is in the marketplace!

The moment the tree bends to any of these temptations he may be stepping out of the line of his personal

Al igual que el árbol tierno, cada uno de nosotros es único: nuestro ojo es único, huella digital, las características de nuestro rostro, el sonido de nuestra voz. Todo acerca de ti es único a este mundo.

Esto no es un accidente. Cada uno nació para una asignación específica. Se dice que los cabellos de nuestra cabeza están contados. Nadie más puede cumplir con tu destino personal. Este es tu tiempo.

A medida que crecía el árbol (hombre), otros comenzaron a reconocer esta luz de favor (y unción). Esto es seguido por la promoción, a veces de posición y responsabilidad.

Favor hace que un hombre se ve más atractivo de lo que realmente es. Todo tipo de cosas son atraídas a él:

- Las mujeres equivocadas podrían ser atraídas.
- Amigos equivocados podría ser atraídos.
- El mal Consejo.
- Las inversiones malas.
- E incluso el llamado equivocado para tu vida.

Muchos hombres buenos han sido desviados. Nunca alcanzan el destino para que su singularidad ha sido creado por Dios. Los empresarios y los laicos deben saber que su llamado más alto es en el mercado

El momento en que el árbol se dobla a cualquiera de estas tentaciones, puede ser que salga de la línea de su destino personal

destiny, and the great joy of fulfilling exactly the purpose for which he was created.

As we find our true calling we will celebrate the fact that we are businessmen called to the greatest ingathering at the greatest time in the history of the world.

Jesus celebrated the ordinary man by selecting them as his disciples and founding his ministry upon them.

It is no different today. Our meetings feature the life changing stories of a better life. For over 60 years, there have been countless testimonies of how business, family and personal situations were all turned around for the good. Since these stories are told by men in business, industry, government and workers they are believable to those looking for answers. The true real life experiences of a life completely changed for the better relate to so many people that are searching for their own answer today.

As you tell your story, you bring life and hope as you show the way to the true value of life.

Your involvement in FGBMFI will help you to fulfill your destiny and the words of Jesus when he said, "Follow me and I will make you fishers of men".

Our prayer is that God will grant to you supernatural abilities to reach your highest potential and destiny!

y la gran alegría de cumplir exactamente el propósito por el cual fue creado.

En la medida en que encontramos nuestra verdadera vocación, celebramos el hecho de que somos hombres de negocios llamados a la mayor cosecha en el momento más grande en la historia del mundo.

Jesús celebro al hombre ordinario seleccionándolos como sus discípulos y fundo su ministerio sobre ellos.

Hoy no es diferente. Nuestras reuniones cuentan la historias de una vida mejor que fue cambiada por Cristo. Por más de 60 años, ha habido innumerables testimonios de cómo negocios, familia y situaciones personales fueron todos cambiados para el bien. Puesto que estas historias se cuentan por hombres de negocios, industria, gobierno y trabajadores son creíbles para aquellos que buscan respuestas. La verdadera experiencia de una vida real y totalmente cambiada inspira a tantas personas que están buscando su propia respuesta hoy.

En la medida de que tu compartas tu testimonio, estas mostrando el camino hacia el verdadero valor de la vida.

Tu participación en FGBMFI/FIHNEC le ayudará a cumplir con su destino y las palabras de Jesús cuando dijo: "Síganme y los haré pescadores de hombres".

¡Nuestra oración es que Dios te otorgará habilidades sobrenaturales para alcanzar tu máximo potencial y destino!

Your destiny through FGBMFI

TU DESTINO A TRAVÉS DE HCNECI

FGBMFI has been supernaturally raised up in a very unique way. We exist to help develop God's "Master Plan" of spiritual success for your business, your community, your nation, your family and YOU! By linking together with FGBMFI, you can be encouraged and inspired as you fellowship with the destiny of laymen across the street ... and around the world.

We are men and women of spiritual principles and moral integrity.

Discover your destiny through the greatest Christian businessmen's organization in the world. We endeavor to take God's spirit to businessmen, laymen and families.

Since we are one, we will help you and encourage you to positively succeed, in whatever vocation you are in. We are an organization of millions of stories, of testimonies, how God's greatness reached down to man; yes, the businessman...YOU!

This is your opportunity to network. Desire to serve God to be everything God wants you to be. Work together in harmony with FGBMFI as we, as Spirit-led men and women, to assist our nations, our communities, and our families---to be a positive influence. You can reach and touch your area through FGBMFI.

FGBMFI/FIHNEC ha sido levantado sobrenaturalmente para una misión especial. Existimos para ayudar a desarrollar el Plan de Dios en ti- para tu negocio, tu comunidad, tu nación, tu familia y Tú. Como miembro de FGBMFI/ FIHNEC, puedes ser animado e inspirado como los laicos en la calle... y todo el mundo.

Somos hombres y mujeres de principios espirituales e integridad moral.

Descubre tu destino a través de la organización de empresarios cristianos más grande del mundo. Nos esforzamos para que nuestros miembros tengan el espíritu de Dios.

Ya que somos uno, te ayudaremos y animaremos a triunfar positivamente, en cualquier vocación. Somos una organización de millones de historias, testimonios, cómo la grandeza de Dios se agachó al hombre; sí, el hombre de negocios...¡TU!

Esta es tu oportunidad para conectarte. Ponte a servir al Señor. Trabaje junto y en armonía con la FGBMFI/FIHNEC. Déjese ser guiado por el Espíritu Santo, para ayudar a nuestras naciones, nuestras comunidades y nuestras familias---ser una influencia positiva. Puede alcanzar y tocar tu zona a través de FGBMFI/FIHNEC.

Not just through DNA no two people are exactly alike, because God has spiritually made you unique. There is only one of you; and God wants to use you. From the government palaces to the government prisons, God wants to use you and fulfill your destiny.

The Lord has come to release the oppressed. Your future is what FGBMFI founder saw in his vision – hundreds of millions of people released from the bondage of drugs---to heal the sick. We see people like Demos saw them. So many have bondages to various personal and family problems. But the Spirit of God will touch the very soul of mankind, no matter what the culture. We can already see the joy on so many faces thanks to FGBMFI. God wants you and your nation to flourish, both financially and in the Spirit. The purpose of that is so you can share with other businessmen, ordinary people, anywhere.

But it really does start in the family. Our goal is to lead one person per family in your nation to the Spirit of God!

Through FGBMFI, you will not only connect, but you will receive all that God has for you, through faith, inspiration and by His Spirit.

Your destiny is already sealed in greatness, because God has a plan for YOU --- a better life!

A BETTER LIFE . . . A BETTER YOU!

No sólo a través de ADN. No hay dos personas exactamente iguales, porque Dios nos ha hecho espiritualmente único. Hay solamente uno como tu; y Dios quiere usarte. De los palacios de gobierno a las cárceles del gobierno, Dios quiere usarte y cumplir con tu destino.

El Señor ha venido a liberar a los oprimidos. Tu futuro consiste en lo que Demos Shakarian, Fundador de FGBMFI/ FIHNEC vio en su visión – cientos de millones de personas liberadas de la esclavitud de las drogas--- sanando a los enfermos. Vemos gente como Demos vio. Muchos tienen ataduras a diversos problemas personales y familiares. Pero el Espíritu de Dios va a tocar el alma de la humanidad, no importa la cultura. Ya podemos ver la alegría en tantas caras gracias a FGBMFI/FIHNEC... Dios quiere que tú y tu nación florezcan, tanto financieramente como en el espíritu. El propósito de eso es para que puedas compartirlo con otros empresarios, personas comunes y corrientes, en cualquier lugar.

Pero realmente se inicia en la familia. Nuestro objetivo es llevar a una persona por familia en su nación al Espíritu de Dios

A través de FGBMFI/FIHNEC, tu recibirás todo lo que Dios tiene para ti, a través de la fe, inspiración y por Su Espíritu.

Tú destino ya está sellado en grandeza, porque. Dios tiene un plan para ti--- una vida mejor!

UNA VIDA MEJOR... A LO MEJOR!
