Feel free to add song selections below if you wish...

Under Client Selections below, please request up to 25 specific selections you would like played. (Limited to 25 so we have the much needed freedom to perform music to the desires of the guests on the dance floor at any given time.) Please star (*) up to ten selections you definitely would like played.

...and instead of specific song selections, you can also simply indicate which styles of music, artists, or decades you prefer, to assist us in choosing the specific music you are primarily interested.

...or simply leave blank and we can choose all the songs for your event!

<u>Example Selections:</u>	Client Selections :
