

MAJOR AWARD WINNERS & PROVINCIAL PLACINGS

ROSE Bowl 1981 Deloraine & Area Border Festival began with one major award for top performer in the festival.

Tudor Bowl ♦ Piano 1990 - the major award was renamed the Tudor Bowl as it was realized a Rose Bowl is traditionally awarded in the vocal category.

Rose Bowl ♦ Vocal 1992 - the vocal Rose Bowl was added as another major award. The Tudor Bowl would remain a major award for top piano performance.

Oratorical Cup ♦ Speech Arts 1999 - the Oratorical Cup was added as a major award for our ever popular speech arts discipline.

Scholarship ♦ Visual Arts 2016 - a scholarship was created for a visual arts student showing a high level of artistic skill.

Scholarship ♦ Instrumental 2019 – a scholarship was created to recognize the top performer in Instrumental.

Unfortunately, some award winners and pictures are missing (homepage major award winner pictorial link) If you are able to provide names and/or pictures the committee would appreciate hearing from you! We would also like to know of any participants who "placed" in provincials.
