Nerve To Serve Volunteer Program

Noble Work is very excited about our new volunteer program. Anyone who has a few hours extra can stop by Noble Work Thrift Store in Dora, Al. to help us sort through donations, help with fundraising, or help with maintenance. Here is a peek at our new volunteer t-shirts. Front and back.

Walmart Partnership

Many of you already know about Noble Work's partnership with several of our Walmart stores. I am very proud to say that Walmart has agreed to donate their unwanted items to help us to provide essentials to our homeless, our homeless veterans and many of our disaster victims in need. If you know of anyone who may need our help please give us a call at 205-597-2775.

FYI: Spectrum Tv & Internet

I know times are hard right now. Many of you are working from home or may even have to have time off of work until this crisis is over. Some of your bills are due right now like Spectrum Cable & Internet. If you are like me you need the internet to work from home. Spectrum informed me that they will hold your current amount due for 60 Days. But, you have to call them before they shut it off or they can not help you. So, take advantage of this opportunity while it lasts. I hope this information will help you and your family. Carol
