Message from the chairman

On behalf of the committee I would like to wish you a warm welcome to our annual Berriew Show.

After the success of our 70th anniversary celebrations, this year we are extending the opening time of the bar to 7:30pm, when strolling players will entertain you as you relax at the end of a busy day. No fireworks I'm afraid. Although popular, they will have to wait until the show's 75th anniversary!

As ever, there will be a wide range of stands and stalls that make the showfield such a colourful and vibrant place on the Bank Holiday Saturday. I always try to get around and look, but never seem to get the time to visit them all. Maybe this year!

I also never seem to get the time to have a good look round the exhibit marquee, which is always full of so many impressive entries. I try to sneak in before the marquee opens to the public and I never fail to be amazed by the quality and number of the entries. I would like to thank all the people who take the time and effort to build, create and grow all these exhibits.

We have a wide range of entertainment for all ages, both in the main arena and also around other areas of the showfield. Our headline attraction this year is the Welsh Axemen whose demonstrations are very spectacular and well worth taking the time to watch. Our dog, sheep and horse sections will also be bigger and better than ever.

The committee sadly lost one of its members recently. Fred Miniken might be a name that many of you would not recognise, but for many years, he was the 'voice of the show'. As the announcer, Fred enjoyed being in the Secretary's office, watching events from the side of the main ring and keeping people entertained and informed over the PA system. He will be greatly missed and the committee's thoughts are with his family.

Finally, I would like to thank all the members of the show committee, without whose hard work there would be no show. This small group of people work hard, not just on show weekend, but also over the course of the rest of the year.

Wishing you all the best for the 2019 Show.

Wayne Jones, Chairman

## CARAMELISED RED ONION CHUTNEY – CLASS 410

|                |                        |
|----------------|------------------------|
| 8 red onions   | 200g brown sugar       |
| 1 red chilli   | 150ml balsamic vinegar |
| 2 bay leaves   | 150ml red wine vinegar |
| 25ml olive oil |                        |

### Method

Cut your onions and chilli into short, thin slices and put them into a pan with the bay leaves and oil. Cook gently over a low heat for about 20 minutes.

Once the onions are dark and sticky, add the sugar and the vinegars and simmer for 30 minutes or so, until the chutney is thick and dark.

Pour the chutney into hot, sterilised jars and let it cool. Ideally, you should leave it for a month or more before you eat it, to mature in flavour.

|----------------------------|--------------------------------------------------|

### Method

Preheat oven to 180°C (350°F) Gas 4. Prepare a 1 kg (2lb) loaf tin, buttered and lined with baking parchment. Sift the flour into a mixing bowl. Add the butter, sugar, eggs and milk and beat until smooth. Fold the cherries into the mixture along with the desiccated coconut. Spoon into a prepared 2lb loaf tin and level the surface.

### **BANOFFEE TRAY BAKE – CLASS 423**

175g (6oz) margarine or butter at room temperature

250g (9oz) caster sugar

3 eggs, beaten

3 ripe bananas, mashed

350g (12oz) self raising flour

2 teaspoons baking powder

3 tablespoons milk

#### **TOFFEE TOPPING**

50g (2oz) butter

50g (2oz) light muscovado sugar

1 x 397g can sweetened condensed milk

#### **Method**

Line a 30 x 23cm (12 x 9 in) traybake tin and add baking parchment. Preheat the oven to 180°C / Fan 160°F / Gas 4.

Measure all the cake ingredients into a large mixing bowl and, using an electric beater, mix until smooth. Spoon into the lined tin and gently level the top. Bake in the oven for about 40 - 45 minutes or until well risen and golden. Cool in the tin.

For the topping, measure the butter, sugar and condensed milk into a saucepan and heat gently until the sugar has dissolved. Bring up to the boil stirring continuously, and simmer for a few minutes until smooth and starting to thicken.

Take off the heat and cool slightly, then pour over the cool cake. Spread out evenly with a small palette knife. Allow the caramel to set on the cake before cutting the traybake into pieces with a hot knife.

### **EASY FRUIT CAKE- CLASS 424**

225g butter (room temperature)

225g caster sugar

4 large eggs

225g self-raising flour

100g ground almonds

450g mixed dried fruit

25g flaked almonds

#### **Method**

Preheat the oven to 160°C (fan 140°C/325°F/Gas 3). Grease a 20cm (8in) springform or deep, loose-bottomed round cake tin. Line the base and sides of the tin with baking parchment. In a large bowl, cream the butter or vegetable spread and sugar with an electric mixer or wooden spoon until fluffy, then add the eggs a little at a time, beating well between each addition to prevent curdling.

Fold in the flour, ground almonds, and beat until all the ingredients are thoroughly mixed. Gently fold the dried fruit into the mixture, stirring with a wooden spoon until well combined. Spoon the mixture into the tin and level the top. If you like, sprinkle the surface with the flaked almonds.

Put the tin into the oven and bake for one and a half to two hours. Leave to cool in the tin.

### **SHORTBREAD BISCUITS - CLASS 516**

150g (6oz) plain flour

100g (4oz) slightly salted butter at room temperature

50g (2oz) caster sugar, plus extra for sprinkling

#### **Method**

Heat oven to 150°C / Fan 140°C / Gas 2. Put the flour in a bowl and rub in the butter to make fine crumbs. Stir in the sugar. Work the mixture together until it forms a ball. Turn out on to a floured surface and knead lightly. Roll out to about quarter inch thickness. Cut into rounds, place on a baking sheet. Bake in the oven for about 15 - 20 minutes, until firm and a very light colour. Sprinkle with caster sugar.

## COMPANION SHOW

### PRIZES DONATED BY OUR SPONSOR

### RULES & REGULATIONS

#### DOGS IN CARS ON HOT DAYS

- When travelling to a show, please consider if the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- If your car is not air conditioned, seriously consider whether travelling to the show is a good idea at all in hot weather.
- The vehicle should be as fully ventilated as possible and plenty of stops should be taken with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog(s).
- When at the show, never leave your dog(s) in the vehicle.
- Keep your dog(s) in the shade - take your own shade, for example a large umbrella, and always have plenty of water available to drink so your dog(s) stays well hydrated.
- Avoid your dog(s) taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.
- Remember: If you feel hot, dogs are very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

*If dogs are found to be at risk - forcible entry  
to your vehicle may be necessary without liability  
for any damage caused.*
