

# THE FISHER PARKER

MAY~JUNE 2018

## PICNIC IN FISHER PARK

Fisher Park's potluck supper is Saturday, June 23, 6 p.m. in West Fisher Park near the King's Chair. Please bring food to share and outdoor games. Last year's menu ranged from pulled barbeque and fried chicken to an array of vegetable dishes and desserts, all provided by neighborhood residents.

**Michelle Felt**, FPNA Events Coordinator, will post picnic invitations on all three FPNA social media sites. Neighbors who enjoy event planning, please join Michelle at Joymongers, Tuesday, May 22, 6 p.m.

## DELANCY STREET/FISHER PARK EASTER EGG HUNT A GREAT SUCCESS

One of Fisher Park's most popular traditions, the annual Easter egg hunt, was held Saturday, March 24, 2018. Hosted and produced by our

**Delancey Street** neighbors at 811 N. Elm Street, the popular event included an egg hunt and games for kids who live in Fisher Park, as well as children of parents who work in our neighborhood, grandparents, and other relatives.

Thanks to Children's Event Coordinator **Katy Bess**, who in turn thanks all who attended. Eugene Street neighbor **Izzy Hayes** initiated a charming "Thank You!" card full of our kids' handprints and their own words of appreciation for Delancey Street residents. You can almost see our children grow when viewing years of neighborhood event photos always available on the

neighborhood website at <http://www.fisherparknc.org/PhotoGallery.html>.

## 2017 LUMINARIA REPORT

Luminaria Chairperson **Kay Quinlivan** reports 2017 Luminaria sales plus donations netted \$5,928. Almost 400 kits were distributed, and 112 neighbors sent donations. Thanks to all who participated, especially Kay and all **Fisher Park Block Captains** whose planning and leg-work contributed to the success!

## ELIZABETH URQUHART WINS 2017 CAPTAIN FISHER AWARD

Only Liz was surprised when her name was announced as winner of our neighborhood's 2017 **Captain Fisher Award**. Whether helping edit newsletters – good luck finding a Fisher Parker issue she hasn't tweaked since 1997 – or serving as our neighborhood Board Secretary and then President in 2001, her service is generous while often behind the scenes. In 2002 Liz assisted with neighborhood projects such as oyster roasts in the park and

extensive preparations for our 2002 Fisher Park Centennial Tour of Homes. In 2003 she served on the *Next Generation Fisher Park* long-range planning committee. She frequently won grants for Fisher Park from her downtown employer, citing co-workers benefiting from park walking trails and lunchtime respite. By 2014 Liz rejoined our Board, serving as Communication's Chairperson, newsletter Editor, even as Secretary when needed. Throughout her career in corporate communications – and now teaching those skills at university – Liz graciously lends her wordsmithing and wisdom to the FPNA. *The 2017 Captain Fisher Award is presented to Liz Urquhart in recognition of unique and outstanding service in the interest of the preservation, restoration, and betterment of the Fisher Park Neighborhood, Greensboro North Carolina.*

### A MESSAGE FROM FPNA PRESIDENT MIKE CHAPMAN

After quite a few false starts, Spring has finally arrived! Our beautiful trees, dormant for what seems ages, are magically greening. The azaleas, camellias, redbuds and dogwoods always make the Fisher Park neighborhood—and especially our wonderful park—a marvelous spectacle this time of year. Everyone is heading out to the garden to plant, edge, mow and enjoy the perfect weather.

This year all eyes were on Fisher Park as we celebrated the near-miraculous restoration of one of our premiere landmarks, "Hillside," the 1929 home of Ethel and Julian Price, soon home to new owners **Eric** and **Michael Fuko-Rizzo** and their young daughters.

All who volunteered and attended helped support [Preservation Greensboro Inc.](#) (PGI). Tagging onto the successful event, our neighborhood quickly designed and sold new Fisher Park tote bags and coffee mugs!

With nice weather comes the return of FPNA activities. Join neighbors for a couple of hours clearing the park on park volunteer mornings. It is amazing what can be accomplished ... and lots of fun.

Exciting new clubs affectionately named *Let's Roll* – walking together to a downtown dinner and drink location, then rolling dice for three more stops before walking home – and *The Accidental Gardener* – meeting in neighborhood gardens for casual gardening skills and envious admiration – are likewise back in action. Neighbor-hosted *Curbside Cocktails* return on the second Friday of each month! Bring wine or any drink, a sharable snack, and enjoy meeting neighbors in a relaxed setting. Watch for signs and internet alerts for monthly times and locations.

Thanks to those who've hosted these events, and to **Sue Hunt** for advertising social events as they pop-up. To participate with neighbors, please use any of FPNA's three social media outlets (e-mail listserv, Facebook, and Nextdoor) for invitations to a growing number of monthly events. And if these spark your imagination for other novel neighborhood engagements, contact FPNA Events Coordinator **Michelle Felt** at 336.509.1708.

More good news! **Jim Brady**, FPNA Streets and Sidewalks Chairman, tells me he has it on good authority that the City will complete water pipe replacement and repave our streets – and this is a quote – "someday." In the meantime, at least we can look upon the street closures, bumps and holes and such as a successful "Speed Abatement Project"!

In Spring we often turn to home improvement projects. Remember, in the Fisher Park Historic District most exterior projects require a [Certificate of Appropriateness \(CoA\)](#) to ensure preservation of the ambience that makes our neighborhood so unique. A helpful chart of what projects do and do not require a CoA is included in the [City's Historic District Guidelines](#), found via both the City and our FPNA

websites. Most CoA's can be approved and quickly issued by City staff.

If your project requires Historic Preservation Commission (HPC) approval, remember that the FPNA Board meets the Monday before monthly HPC meetings. You are encouraged to bring your project to the FPNA Board *first*. Don't be scared – we're not out to pass judgement. We are *eager to help* our Fisher Park neighbors accomplish their goals, offer advice on how to present to the HPC, and we make a recommendation to the HPC.

Finally, on a sad note, we mourn the recent death of two Fisher Park gems.

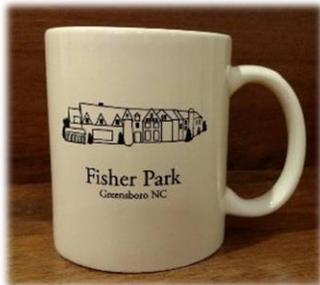

- **Mary Ellen Soles** of North Park Drive, an early leader of the Fisher Park Neighborhood Association, longtime activist, and past FPNA Board member, died in January 2018.
- **Anne Bowers** of Fisher Park Circle died April 2018. She was our 2015 FPNA President, received a Captain Fisher award for outstanding service to the neighborhood, served as Chair of the Historic Preservation Commission, and was a Past President of [Preservation Greensboro Inc.](#)

Opportunities to make friends with neighbors like Mary Ellen and her husband Jeff, and Anne Bowers — well, these are ample reasons why Fisher Park is a great place to live. We're glad you're here, too, making Fisher Park your home!

#### FISHER PARK MERCHANDISE

The FPNA took part in the April "Hillside" Designer Showhouse celebration by producing attractive coffee mugs and tote bags, each with a stylized design by neighbor **Ashley**

**Laffoday**. Totes are lightweight canvas with green handles. You'll want some for your household. Fisher Park mugs and canvas tote bags are \$5 each. Giving gifts? \$12 for 1 bag and 2 mugs. \$20 for 2 bags and 4 mugs. Contact Mike Chapman at 336.324.5808 or [mpchapman4739@gmail.com](mailto:mpchapman4739@gmail.com) to purchase yours while supporting your neighborhood.

#### RINSE > RECAP > RECYCLE

Please twist plastic bottle caps back onto their plastic bottles before tossing them into recycling bins. Although plastic bottle caps are made of a different type of plastic from the bottles, when reattached they can be recycled into car batteries, garden rakes, storage containers, reusable shopping bags, yarn, ropes, brooms ... and more bottle caps.

It's vital that more plastic bottles be recycled! In the Carolinas, an estimated 3,500 people in the recycling industry depend on your recycling plastic bottles and jugs, yet more than 70% of all plastic bottles are thrown away. Companies in North and South Carolina that make new products from plastic bottles struggle to find enough recycled plastic to operate their plants efficiently. Since you use plastic bottles, please do your part to *rinse, recap, and recycle* plastic bottles.

#### NEIGHBORHOOD DEMOGRAPHICS

Do you think you know your neighborhood, inside and out? You might be surprised, browsing neighborhood demographics. At our request, in February 2017 City Planning staff used the community profile dataset from ESRI (a mapping technology company) to generate a demographic snapshot of our neighborhood's 0.31 square miles. They're posted at [www.FisherParkNC.org](http://www.FisherParkNC.org).

Demographic categories include average household size, family size, owner and renter-occupied housing units, median household income, home value, age, gender, ethnicity, education, marital status, employment categories, household size, and mortgage status. The profile even hints at our consumer spending. ESRI aggregates data from 2013 and 2014 Consumer Expenditure Surveys, Bureau of Labor Statistics and U.S. Census Bureau Census 2010 Summary File 1.

When it's time for a fresh U.S. Census, please *participate* to ensure neighborhood information is updated. Knowing who we are helps us plan what we want to become!
