*Due to the long stretch of unusual hot, dry weather,  
the City of Seldovia is kindly requesting that you make an effort to  
**CONSERVE** water.*

- Take shorter showers; shortening a shower by two minutes can save up to 150 gallons/month
  - Please **refrain** from watering lawns and gardens
  - If you need to water your lawn and garden, use grey water
    - **Turn off** faucet while cleaning your fish
  - **Turn off the faucet** while washing hands and brushing teeth
    - **Turn shower off** while washing and lathering
    - Check for leaky toilet tanks and faucets
- Please **refrain** from washing your cars and trucks at this time

The City of Seldovia thanks you!  
Every drop counts!
