## Seldovia Small Boat Harbor and Jakolof Bay Dock

### **\*\*COVID-19 HEALTH MANDATE FOR TRAVELERS\*\***

Health Mandate 12 –Intrastate Travel – Limiting travel between communities to critical infrastructure or critical personal needs

### **Travel is limited between communities:**

**All in-state travel between communities**, whether resident, worker or visitor, is prohibited unless travel is to support critical personal needs. Certain Small Alaskan communities may implement further travel restriction pursuant to “Alaska Small Community Emergency Travel Order- Attachment B.”

1. **Personal travel is prohibited** except as necessary to meet critical personal needs or work in critical infrastructure jobs as defined in Health Mandate 012.
2. If your business meets the criteria identified in [Alaska Essential Services and Critical Workforce Infrastructure Order](#), and your workers must either travel between Alaskan communities or travel to enter Alaska and begin work on critical infrastructure before their self-quarantine period is complete, you must submit a plan or protocol for maintaining critical infrastructure to the Unified Command as soon as possible. The plan must outline protective measures your business will enact in order to avoid the spread of COVID-19 and not endanger lives in the communities in which you operate, of others who serve as a part of that infrastructure or the ability of that critical infrastructure to function.
3. If workers are able complete a full 14-day self-quarantine before starting work, that is the preferred method. If not, they must adhere to the protective measures your business is enacting during work times. They must still follow guidelines for self-quarantine during non-work periods.
4. Protective plans should be emailed to [akcovidplans@ak-prepared.com](mailto:akcovidplans@ak-prepared.com), and use the name of your business at the start of the email Subject line, and the start of the filename for any attached files.
5. A copy of the protective plan should be emailed to the Seldovia Harbormaster at [harbormaster@cityofseldovia.com](mailto:harbormaster@cityofseldovia.com) as well as the travel destination.

**Contact the City of Seldovia and leave a message 907-234 -7643 for further direction, information or questions.**
