Proposed Make-Up Schedule

Any Instructional day missed during the 2020-2021 calendar will be made up on a day for day basis.

***KDE's variable calendar provides equivalency of time for certified staff to equal a 188 day contracted year, based upon instructional time conducted.

The Corbin Independent School District is also approved for up to 10 Non-Traditional Learning Days which can be used to conduct school through virtual or other non-traditional means due to weather or other emergencies. Through evidence of student and teacher participation, a request can be made to the Kentucky Education Commissioner for approval. If approved, the district would not have to make up those days.

School Closings and Make-Up Days

The 2020-2021 School Calendar has 154 instructional days. Severe emergency conditions may require additional make-up Days.

On 9/9 through 9/11, kindergarten students will only attend half a day.

Closing Preparation follows the last instructional day for students (as shown).
